**AS THE GOOSE FLIES - A Magical Children's Adventure Story** Katharine Pyle, 2020-03-12 As the Goose Flies written and illustrated by Katherine Pyle Ellen stood at the nursery window looking out at the gray sky and the wet blowing branches of the trees It had been raining and blowing all day The roof pipes poured out steady waterfalls the lilacs bent over heavy with the rain Up in the sky a bird was trying to beat its way home against the wind But Ellen was not thinking of any of these things She was thinking of the story that her grandmother had forgotten again Ellen's grandmother was very old so old that she often called Ellen by the names of her own little children children who had grown up or died years and years ago She was so old she

could remember things that had happened seventy years before but then she forgot a great many things even things that had occurred only a few minutes before While she stood there it occurred to her that she should put the bookcase in order before she went down to the sewing room That was just the thing to do on a rainy day So she sat down before the shelves and began pulling the books out The nursery walls were covered with a flowered paper and when Ellen had almost emptied the shelves she noticed that the paper back of them was of a different color from that of the rest of the room It had not faded The blue color between the vines looked soft and cloudlike too and almost as though it would melt away at a touch Ellen put her hand back to feel it Instead of touching a hard cold wall as she had expected her hand went right through between the vines as though there were nothing there Ellen rose to her knees and put both hands across the shelf She found she could draw the vines aside just as though they were real She even thought she caught a glimpse of skies and trees between them In haste she sprang to her feet and pushed the bookcase to one side so that she could squeeze in behind it She caught hold of the wall paper vines and drew them aside and then she stepped right through the wall and into the world beyond And so begins Ellen s adventure into a mysterious and magical World Beyond But just what was in the world beyond Well you ll just have to download and read this book to find out for yourself KEYWORDS TAGS As the Goose Flies Katharine Pyle Aladdin animals Anne beautiful cage castle cave child doorway dragon dwarf Ellen Fairy Fatima forest frightened gander gate keeper genie giant girl goat gold Goldenhair Goose grandmother long hair harp heart horn huntsman Jack journey king lamp locks magic magical Middling Mistress mother Mother pleasant porridge prince princess queen Queerbodies rhyme scullery seven shadows shapes silk Sister slaves Snowdrop soldiers evil stepmother story Suddenly terrible Thumbie treasures trees tremble underground vines water whispered wicked window wings wolf wonder wondercluff wooden world **The Read-Aloud**

**The Otherworlds of Liz Jensen** Helen Esther Mundler, 2016 The first study of one of the most innovative of contemporary novelists Liz Jensen and of the otherworlds in her fiction Liz Jensen a British author of eight novels is among today s most innovative writers Her literary thrillers occupy the terrain between realism and science fiction This first study of Jensen centers on the very diverse otherworlds she creates in each of her novels which can consist of an indeterminate space of ontological instability a zone in which real and unreal converge to destabilize the realist text as in *Egg Dancing* 1995 and *The Ninth Life of Louis Drax* 2004 In other novels the otherworld relies on defamiliarization thus in *War Crimes for the Home* 2002 the experience of war is transformed by being seen from a woman s perspective In still other cases the otherworld spans the novel s entire topos as in *The Paper Eater* 2000 the full blown utopia at the center of Jensen s oeuvre Jensen s work approaches contemporary social issues such as religious fundamentalism ecological disaster and assisted procreation Simultaneously it displays a number of characteristics of erudite fiction including self reflexivity inter and intratextual reference parody pastiche and burlesque Notwithstanding the popular elements of Jensen s work Helen E Mundler s study adopts a rigorously academic approach to it referencing canonical works but also more innovative texts particularly by contemporary women writers as points of comparison Helen E Mundler is Senior Lecturer in English Studies at UPEC Universit Paris Est Crteil with a research affiliation at the Universit Paris X Nanterre La Dfense
