Wilkins,1897 **Rosie, a Detroit Herstory** Bailey Sisoy Isgro,2018-08-20 For young readers an illustrated true story about the women workers of World War II Rosie a Detroit Herstory is a remarkable story for young readers about women workers during World War II At this time in history women began working jobs that had previously been performed only by men such as running family businesses operating machinery and working on assembly lines Across America women produced everything from ships and tanks to ammunition and uniforms in spectacular quantities Their skill bravery tenacity and spirit became a rallying point of American patriotism and aided in defining Detroit as the Arsenal of Democracy Even though women workers were invaluable to the war effort they met with many challenges that their male counterparts never faced Yet for all of their struggles their successes were monumental Today we refer to them as Rosies a group of women defined not by the identity of a single riveter but by the collective might of hundreds of thousands of women whose labors helped save the world Rosie a Detroit Herstory features informative rhyming text by Bailey Sisoy Isgro and beautifully illustrated original artwork by Nicole Lapointe The story begins with the start of the Second World War and the eventual need for women to join the American workforce as men shipped out to war By the end of the story readers will have a better understanding of who and what Rosie the Riveter really was how Detroit became a wartime industrial powerhouse and why the legacy of women war workers is still so important A glossary is provided for more difficult concepts as well as a timeline of events SIsoy Isgro and Lapointe first came up with the idea for the book on a ten hour drive to the 2017 Women s March in Washington D C inspired by the overwhelming number of women who came together for the event Rosie a Detroit Herstory is written for children ages 8 to 12 but any reader interested in Detroit or women in history will appreciate this entertaining chronicle Fast Families, Virtual Children Ben Agger,Beth Anne Shelton,2016-01-20 The Internet cell phones
