Mama Rosie's Bedtime Stories is a collection of three adorable short stories Princess in Blue Jeans is a family story about how family time is important It also shows how you can be yourself no matter what you are wearing and that it's the small things in life that make a child happy Muddy Sneakers is about allowing yourself to be different allowing others to be different not pressuring others to do as you do and acceptance of others And My Secret Shadow is about a young girl whose best friend is her own shadow It's not known if she is a complete loner This story teaches us that it is important in life to find a balance that you are comfortable with even if no one else understands it **Life with Mama Rosie** Sandra L. Fluker, 2017-04-26 I wish to introduce my grandmother to the world Some of my happiest and most stable years were spent with her as a child in a small rural community twenty miles north of Birmingham Alabama called the Colony My brothers and I used to visit her during the summer months and several times through the school year Life with Mama Rosie on the farm was simple and routine and was quite a contrast to the life we had in Cleveland with our parents Those years with her were the happiest of my life *The Secret Life of Rosie Mauer, Wallflower* Shay Lawless, 2017-08-21 Rosie Mauer is the high school librarian lunchroom attendant and after school detention monitor at Laurel Grove High School She's got a cat for her best friend and a secret crush on her sister's boyfriend a local fireman She sings in the church choir and knows that even though her IQ is off the records she blends into the world with as much flair as the wilting honeysuckle growing along the wall in her mom's garden She figures her life will always be so bland That is until she is hired incognito to be the nanny for a rich man's son who is a suspect in the murder of two girls whose disappearance and deaths may also mirror those of her aunt who vanished forty years earlier As Rosie Mauer she's an awkward young woman who can't seem to fit in As her alter ego beautiful and outgoing Violet Popovich she finds herself lavished with gifts from admirers and digging deeper into a crime surpassing the imaginations of those around her and puts her on the trail of a serial killer Between her two worlds she is running out of time as the bodies start to pile up And it is getting more difficult to hide her secret life **Over the Tracks** Heather Duffy Stone, 2017-01-01 Audisee eBooks with Audio combine professional narration and sentence highlighting to engage reluctant readers For most of Lucy's life it's just been her and her mom and Lucy's been okay with that But when a serious illness strikes Lucy's mother Lucy has to grow up faster than she expected As the illness gets worse and money gets tighter even a school trip which Lucy hoped would give her a break from home seems out of reach Out of frustration and desperation Lucy starts selling her mom's medical marijuana But she's not exactly an experienced dealer And when Lucy gets busted she has some serious explaining to do to school authorities to the police and to her mom Engage Literacy Teacher's Resource Levels 12-15 Extended Edition Lauren White, 2015-07-01 This teacher resource tool includes detailed teaching notes for each of the 32 Early Fluent titles from the Green set Teaching notes include whole and small group

In the Eyes of the Beholder Silvia Maria Rey,2020-11-30 In the Eyes of the Beholder is an exploration of the symbiotic relationship between viewing a work of art and the emotions and memories it evokes Fifteen artworks were selected Each piece was assigned to two different people with no other information than to use as a writing prompt In some instances an immediate emotional response was aroused and the writing flowed In other cases the work evoked a personal memory and led the writer to reflect on current sociological themes or current events The resulting works span a wide range of topics genres and writing styles but each piece is unique and made the author stretch and expand their writing skills We all have a story to tell about the piece and that story may have nothing to do with the artist s intent in creating the artwork That is the seminal point of this book
