Romanticism is multifaceted and a wide range of nostalgic emotional and exotic concerns were expressed in such styles and
movements as the Gothic Revival Classical Revival Orientalism and the Pre Raphaelite Brotherhood Some movements were
regional and subject specific such as the Hudson River School of landscape painting in the United States and the German
Nazarene movement which focused primarily on religious art in Rome The movements range across Western Europe and
include the United States This dictionary will provide a fuller historical context for Romanticism and enable the reader to
identify major trends and explore artists of the period This second edition of Historical Dictionary of Romantic Art and
Architecture contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross
referenced entries on major artists of the romantic era as well as entries on related art movements styles aesthetic
philosophies and philosophers This book is an excellent resource for students researchers and anyone wanting to know more
about Romantic art
