Feinstein,2005-08-11 Since the liberation of the Nazi concentration camps and recognition of the Holocaust as a watershed event of the twentieth century if not in Western Civilization itself the capacity of art to represent this event adequately has been questioned As it analyzes a cross section of Holocaust art within the context of art history Absence Presence addresses the discussion head on and explores the interchange between media and horror The book s contributors include case studies from a broad spectrum of artists in North America Europe and Israel to examine some of the more dominant themes in these artists work In addition to standard readings of Holocaust art the essays help illuminate the issues of eugenics the importance of art for Hitler and the Nazis the immense pilfering of art that occurred during World War II and the length and degree of the destruction of European Jewry which forced artists to reinvent their work through their own fate This selection of essays also provides alternative views to more typical readings on the Holocaust specifically to the story of the Shoah as a relevant art subject and to those who have a right to create art about the Holocaust These issues were the subject of an intense international debate based on an exhibition at New York s Jewish Museum titled *Mirroring Evil* The retrospective brought to art a series of contemporary perspectives that represented both the outer edges as well as mainstream postmodern thinking concerning representations of the Holocaust This book which covers the art from the late 1980s through 2002 includes the work of an array of scholars curators and artists from many countries It will be of great interest to art historians Jewish scholars and anyone interested in learning more about the art and artists of the Holocaust

The Secular Sacred Markus Balkenhol, Ernst van den Hemel, Irene Stengs, 2020-09-01 How do religious emotions and national sentiment become entangled across the world In exploring this theme The Secular Sacred focuses on diverse topics such as the dynamic roles of Carnival in Brazil the public contestation of ritual in Northern Nigeria and the culturalization of secular tolerance in the Netherlands The contributions focus on the ways in which sacrality and secularity mutually inform enforce and spill over into each other The case studies offer a bottom up practice oriented approach in which the authors are wary to use categories of religion and secular as neutral descriptive terms The Secular Sacred will be of interest to sociologists anthropologists ethnographers political scientists and social psychologists as well as students and scholars of cultural studies and semiotics Chapter 1 is available open access under a Creative Commons Attribution 4.0 International License via link [springer.com](https://www.springer.com)

Art for an Undivided Earth Jessica L. Horton, 2017-05-18 In *Art for an Undivided Earth* Jessica L Horton reveals how the spatial philosophies underlying the American Indian Movement AIM were refigured by a generation of artists searching for new places to stand Upending the assumption that Jimmie Durham James Luna Kay WalkingStick Robert Houle and others were primarily concerned with identity politics she joins them in remapping the coordinates of a widely shared yet deeply contested modernity that is defined in great part by the colonization of the Americas She follows their installations performances and paintings across the ocean and back in time as they retrace the paths of Native diplomats scholars performers and objects in Europe after 1492 Along the way Horton intervenes in a range of theories about global modernisms Native American sovereignty racial difference archival logic artistic itinerancy and new materialisms Writing in creative dialogue with contemporary artists she builds a picture of a spatially temporally and materially interconnected world an undivided earth

Visual Arts and Human Flourishing Professor Emerita Art History and Executive Director Emerita USC Museums Selma Holo, Selma Holo, 2024 In mid December 2018 a man stood before one of the most beloved paintings in Europe Botticelli's *The Birth of Venus* and had a heart attack Henri Neuendorf ArtNet News December 19 2018 <https://news.artnet.com/art-world/heart-attack-botticelli-uffizi-1425448> Venus is that painting you're thinking of the one with the shapely wheat haired woman standing in a seashell with one hand covering her breasts and the other holding her long golden locks in front of her groin Floating above her right shoulder are two winged figures with their arms wrapped around each other who blow air on her like distant kisses On her left stands a woman the Hora of Spring who holds what looks like a drape and gazes directly at our goddess whose face tilted just so looks toward the viewer with a gentle yet mature glance as if she was born knowing all one needs to know of love and seduction Fortunately the man whose heart failed while looking back at our all knowing Venus survived but he was not the first to collapse while viewing art in Florence and no doubt he will not be the last It has happened often enough that there is a medical term for the phenomenon named after the first notable man to succumb Stendhal Syndrome Apparently the French author of *On Love* a treatise on romantic passion reported that he fell ill in 1817 after viewing too much Florentine art Bamforth 945 Is it any wonder that Botticelli's winged figures hang on to each other so tightly To be awestruck is to be in imminent danger
