Rough Magic Roberto Aguirre-Sacasa, 2009 THE STORY Transplanting characters from The Tempest to present day New York ROUGH MAGIC is a Shakespearean action adventure fantasy in the tradition of Harry Potter and The X Men that conjures a mythical magical meta universe in which the *The Plays of Thomas Kilroy* Thierry Dubost, 2015-03-14 The Irish Times called Thomas Kilroy one of the most significant playwrights of modern Ireland while The Sunday Times has described him as one of the outstanding living Irish playwrights and perhaps the most complete The winner of numerous honors including a special tribute from the Irish Theatre Awards in 2003 he has written fourteen plays This appraisal of the works of

Thomas Kilroy focuses on the common themes and methodology of his plays including an unusual alliance between serious theatrical complexity and varied but demanding forms of comedy A separate chapter is devoted to each play with the exception of *The Death and Resurrection of Mr Roche* and *The MacAdam Travelling Theatre* whose complementary themes are discussed together Reflecting on the essence of theatre Kilroy's works combine meditations on humanity with references to Irish history generally using historical reality as a dramatic starting point Plays discussed include Kilroy originals such as *Talbot's Box* *The Secret Fall of Constance Wilde* and *Blake* as well as adaptations of well known works such as *The Seagull* *Six Characters in Search of an Author* and *Henry* Interviews with stage directors L Parker M Stafford Clark P Mason A S Paul and the playwright himself contribute to this in depth analysis of Kilroy's dramatic art Photographs of staged plays and a list of premieres of Kilroy's works plays and adaptations are also included *Ottomiller's Index to Plays in Collections* Denise L. Irish Theatre in Transition D. Morse, 2015-01-19 The Irish Theatre in Transition explores the ever changing Irish Theatre from its inception to its vibrant modern day reality This book shows some of the myriad forms of transition and how Irish theatre reflects the changing conditions of a changing society and nation **Masculinities and Manhood in**

Contemporary Irish Drama Cormac O'Brien, 2021-12-10 This book charts the journey in terms of both stasis and change that masculinities and manhood have made in Irish drama and by extension in the broader culture and society from the 1960s to the present Examining a diverse corpus of drama and theatre events both mainstream and on the fringe this study critically elaborates a seismic shift in Irish masculinities This book argues then that Irish manhood has shifted from embodying and enacting post colonial concerns of nationalism and national identity to performing models of masculinity that are driven and moulded by the political and cultural practices of neoliberal capitalism *Masculinities and Manhood in Contemporary Irish Drama* charts this shift through chapters on performing masculinity in plays set in both the Irish Republic and Northern Ireland and through several chapters that focus on Women's and Queer drama It thus takes its readers on a journey a journey that begins with an overtly patriarchal nationalist manhood that often made direct comment on the state of the nation and ultimately arrives at several arguably regressive forms of globalised masculinity which are couched in misaligned notions of individualism and free choice and that frequently perceive themselves as being in crisis

Irish Theatre Eamonn Jordan, 2023-09-27 This book on modern and contemporary Irish theatre traces how social

cultural and economic capital are circulated in order to demonstrate complex and often contradictory outlooks on equality inequality Individual chapters analyse property ownership and inheritance wealth acquisition employment conditions educational access intercultural encounters sexual intimacy and violation and acts of resistance protest and solidarity This book addresses complex intergenerational intercultural racial sectarian ethnic gender and inter and intraclass dynamics from the perspective of ranked objectifying exploitative and coercive relationships but also in terms of commonalities complicities reciprocations and retaliations Notable are the significances of wealth precarity and shaming the consequences of anti materialistic dramaturgical leanings the pathologising of success the fraught nature of solidarity and the problematics of merit divisive partitioning and muddled m salliances Ultimately the book wonders about how Irish theatre distinguishes between tolerable and intolerable inequalities that are culturally and socially but principally economically derived

Women and Embodied Mythmaking in Irish Theatre Shonagh Hill, 2019-08-29 The rich legacy of women s contributions to Irish theatre is traditionally viewed through a male dominated literary canon and mythmaking thus arguably silencing their work In this timely book Shonagh Hill proposes a feminist genealogy which brings new perspectives to women s mythmaking across the twentieth and twenty first centuries The performances considered include the tableaux vivants performed by the Inghinidhe na h ireann Daughters of Ireland plays written by Alice Milligan Maud Gonne Lady Augusta Gregory Eva Gore Booth Mary Devenport O Neill Mary Elizabeth Burke Kennedy Paula Meehan Edna O Brien and Marina Carr as well as plays translated adapted and performed by Olwen Fou r The theatrical work discussed resists the occlusion of women s cultural engagement that results from confinement to idealised myths of femininity This is realised through embodied mythmaking a process which exposes how bodies bear the consequences of these myths while refusing to accept the female body as passive bearer of inscription through the assertion of a creative female corporeality [A History of Irish](#)

Shiver Declan Hughes, 2003 A brand new play by an established young Irish writer We all have to work hard these days that's just the way it is A new executive breed is emerging in a quarry on the outskirts of Dublin where once there was a sense of history and socialism the corporate moguls have enslaved the idealists and turned them into entrepreneurs Whilst Marion is an ad exec on the make Kevin is the house husband with the baby and time to nurture his much vaunted creative powers But when the bottom falls out of the market for their dot com neighbour Richard an economic squall threatens to sink their fragile emotional prosperity Declan Hughes has a keen eye for absurdity a quirky sense of humour and a knack for making acrimony amusing while not underrating the seriousness of the issues The Times Published to tie in with opening directed by Lynne Parker for Rough Magic at the Project Arts Centre Dublin Praise for Declan Hughes writing savagely comic compelling darkly funny

Irish Women Dramatists Eileen Kearney, Charlotte Headrick, 2014-11-12 Irish women dramatists have long faced an uphill challenge in getting the recognition and audience of their male counterparts There are more female playwrights now than ever before but they are often ignored by mainstream theatres Kearney and Headrick strive to shift the spotlight with Irish Women Dramatists The plays collected in this volume represent a cross section of the excellent dramatic output of Irish women writing in the twentieth century In addition to the scripts and biographical introductions the anthology includes a detailed critical annotated essay addressing the development of the Irish theatre throughout this time period and the place women have artistically carved out for themselves in a traditionally male dominated theatre industry and dramatic canon One of the few collections of plays by Irish women this volume contextualizes the political and sociological climate in which these playwrights developed As theatre practitioners actors and directors as well as scholars Kearney and Headrick have devoted years of research to discovering and rediscovering the contributions these women have made and continue to make in the Irish and world theatre scenes
