How to Approach Horses Lis Clegg, 2017-02-26 When you're in the countryside you're likely to meet horses and ponies whether you plan to or not HOW TO APPROACH HORSES offers clear and straightforward advice on making the most of your encounter however brief If you're running or cycling it can be tempting to squeeze past a horse that's in your way but unlike a bicycle the horse has a mind of its own and can be unpredictable Will it kick What's the safe way to get in front When you're driving and there's a horse on the road it can be frustrating to have to slow down and hold back But knowing the right way to get past and why it makes a difference will make the situation safer for everyone and reduce the risk of a potentially fatal accident How do you handle wild ponies or horses in a field on your footpath What if they start running around or try to steal your picnic Is it safe Can you stroke them and where's the best place to do it so the horse doesn't toss its head or tread on your foot Is it OK to give them a sweet or treat or should you just walk away What if you're walking your dog and meet a horse or pony Why do horses and dogs react to each other What makes a frightened animal so dangerous why do horses kick and how can we all help each other Horses can seem large and intimidating and their behaviour mysterious and irrational but HOW TO APPROACH HORSES will help you understand the sort of things that spook horses and how they might react plus practical advice on what to do next From the first time you meet a horse through helping in the stable yard or taking care of your own horse or pony eQn GUIDES are a source of clear equestrian information that you can trust Dip in for quick reference or take your time to get a bigger picture all for the price of a magazine *Mr Majeika and the Ghost Train* Humphrey Carpenter, 2004-02-26 Mr Majeika is the most magical teacher around Do be careful Mr Majeika there might be real ghosts in there When Class Three and Mr Majeika get on board a ghost train they are in for a surprise Real ghosts appear and the wicked Wilhemina Worlock isn't far away But Jody comes to the rescue with a dragon to help her Look out for more Mr Majeika adventures including Mr Majeika and the School Trip Mr Majeika and the School Play Mr Majeika and the Lost Spell Book Mr Majeika and the Music Teacher Mr Majeika and the School Caretaker *From a Swedish Homestead* Selma Lagerlöf, 2020-09-28 At Santa Caterina's house in Siena on a day towards the end of April in the week when her fête is being celebrated people come

to the old house in the Street of the Dyers to the house with the pretty loggia and with the many small chambers which have now been converted into chapels and sanctuaries bringing bouquets of white lilies and the rooms are fragrant with incense and violets Walking through these rooms one cannot help thinking that it is just as if she were dead yesterday as if all those who go in and out of her home to day had seen and known her But on the other hand no one could really think that she had died recently for then there would be more grief and tears and not only a quiet sense of loss It is more as if a beloved daughter had been recently married and had left the parental home Look only at the nearest houses The old walls are still decorated as if for a fete And in her own home garlands of flowers are still hanging beneath the portico and loggia green leaves are strewn on the staircase and the doorstep and large bouquets of flowers fill the rooms with their scent She cannot possibly have been dead five hundred years It looks much more as if she had celebrated her marriage and had gone away to a country from which she would not return for many years perhaps never Are not the houses decorated with nothing but red table cloths red trappings and red silken banners and are there not stuck red paper roses in the dark garlands of oak leaves and the hangings over the doors and the windows are they not red with golden fringes Can one imagine anything more cheerful And notice how the old women go about in the house and examine her small belongings It is as if they had seen her wear that very veil and that very shirt of hair They inspect the room in which she lived and point to the bedstead and the packets of letters and they tell how at first she could not at all learn to write but that it came to her all at once without her having learnt it And only look at her writing how good and distinct And then they point to the little bottle she used to carry at her belt so as always to have a little medicine at hand in case she met a sick person and they utter a blessing over the old lantern she held in her hand when she went and visited the sick in the long weary nights It is just as if they would say Dear me dear me that our little Caterina Benincasa should be gone that she will never come any more and look after us old people And they kiss her picture and take a flower from the bouquets to keep as a remembrance

G. Bernhard,2013-10-22

There are 165 years between J ns Jacob Berzelius and Carl Gustaf Bernhard s excursions through the Massif Central in France In spite of their circumstantial differences the similarities between the two men of letters is striking While Berzelius is renowned as one of the founders of modern chemistry and mineralogy the bulk of Bernhard s achievement has been in the field of neurophysiology yet both men emerge as having remarkably similar approaches to science and nature It was as Berzelius successor to the post of Secretary of the Royal Swedish Academy of Sciences that first gave Bernhard cause to study his literary remains This was to provide the inspiration for Bernhard with Berzelius as his guide to visit the volcanic landscape in which the remains of Roman columns mediaeval castles and cathedrals recalled civilizations which have come and gone through the centuries following the geological eruptions The book is extensively illustrated with sketches of the countryside portraits of those known by Berzelius as well as colour photographs of the landscape taken by Bernhard while the narrative alternates between excerpts of Berzelius letters and writings and Bernhard s own modern travelogue The result is a fascinating textual and pictorial record of one of the most beautiful regions of France and of two highly influential Swedish scientists spanning the last two centuries The Illustrated London News ,1922 **In Distant Fields** Charlotte

Gardeners' Chronicle, 1869 *Play and Intervention* Joop Hellendoorn, Rimmert van der Kooij, Brian Sutton-Smith, 1994-07-01 Play has been presented as the ideal intervention for almost every conceivable kind of problem experienced by children: emotional problems, attention disorders, learning difficulties and social isolation. In this ground-breaking book, leading play theorists, researchers and practitioners present their opinions and research results about the influence of play and of special play programs on different aspects of child development. The first section explores why play therapy is used and what play's specific role is in the classical play therapy approach. The second part is devoted to experimental play programs for different types of children with special needs. In the last section, the effects of modern play approaches in primary schools are discussed as well as the influence of these play interventions on cognitive and social skills. This is a book for practitioners and theorists in the field of play who are not just uncritical consumers or idealizers of play but who are concerned in searching for the real value of play in various therapeutic and educational settings.

The Engineer, 1868 **Ride a Westward Wind** Marc Haws, 2021-04-05 This is a fun read, western, but it is not pulp fiction. It's a classic human conflict in a western setting with serious philosophical issues. Think of *The Ox-Bow Incident*, the classic novel by Walter Van Tilburg Clark, but as readable as a Louis L'Amour western. A young man finds himself an outsider among the rough hands of a western ranch in Idaho during the Great Depression. An impassable rift between the kid and the cowboys happens on a scorching hot day in August when men's tempers are boiling. The kid's

working partner that day is violently killed when he impulsively and violently confronts a vagrant believed to be trespassing across the ranch. Critical events during the seconds leading to the cowboy's violent death are not clear. Unable to save his friend, the kid rides for help and a posse forms. The kid believes the cowboy's provocation led to his own death. But the ranch hands in the posse are convinced the tramp caused the death so they insist on hanging him. Serious issues beset the kid and the ranch during the three difficult days after the death. The personal conflicts will be man making for the young cowboy. The question is whether the posse will reflect and deal with its conflicts in a civilized way. *Love Potions and Other Calamities* Charlie Laidlaw, 2019-11-07 A comic tale of love, mystery and unintended consequences. Rosie McLeod, pub proprietor and a gifted herbalist of local renown is thirty nine and holding but only just. The talons of her fortieth birthday are in her back and her bloody bloody husband hasn't laid a lustful hand on her for months. Rosie sets out to discover if her husband is having an affair using deductive powers based solely on the careful preparation of plants and herbs. But as her well laid plans entirely fall apart, the sighting of a large black cat sets off another chain of events. Rosie now realises that a psychopath is on the loose and that she's been selected as his next victim. Praise for Charlie Laidlaw: Intriguing and compelling. Jodi Taylor. Will have you laughing out loud at his cleverly drawn characters and adroit portrayal of Scottish village life. Lothian Life magazine. He drives both the plot and the eccentric characters with assurance. The Herald. **Killer Elite (previously published as The Feather Men)** Ranulph Fiennes, 2011-09-06 The enthralling page turner. Library Journal now a major motion picture starring Jason Statham, Clive Owen and Robert De Niro. Here is a gripping novel inspired by real life events about a private team of British vigilantes that sets out to eliminate a gang of cold blooded contract killers. From 1977 to 1990 four former British soldiers die one by one supposedly due to accident or illness. But soon a link is established between the victims: a shared mission in the desert kingdom of Oman where they fought for a sultan against insurgents and ruined the life of a rival sheikh who in turn has sent a band of assassins to methodically slay the soldiers and salvage his pride. Now these clever assassins are on the run from an underground group of SAS vets with nothing to lose, no time to waste and a desire to dispense their own form of justice no matter the cost. Previously published as *The Feather Men*. Alone with the Horrors Ramsey Campbell, 2005-09-01 A seminal collection of one of late 20th century's most important horror writers. Every horror fan should have on their bookshelf. SF Site Reviews. Ramsey Campbell is perhaps the world's most decorated author of horror fiction. He has won four World Fantasy Awards, ten British Fantasy Awards, three Bram Stoker Awards and the Horror Writers Association's Lifetime Achievement Award. Three decades into his career, Campbell paused to review his body of short fiction and selected the stories that were to his mind the very best of his work. *Alone With the Horrors* collects nearly forty tales from the first thirty years of Campbell's writing, including several award winners. Campbell crowns the book with a lengthy preface revised for this edition that traces his early publication history, discusses his youthful correspondence with August Derleth and illuminates the influence of H P Lovecraft on his work. *Alone with the Horrors* provides readers with a close look

at a powerful writer's development of his craft. The marrow-chilling tales in this comprehensive chronologically arranged collection, selected from Campbell's 30-year career, demonstrate the ways this sophisticated British writer inspires fear without resorting to blood and gore. Publishers Weekly *The Farmer's Magazine*, 1876 *The Sketch*, 1906 *The High School Teacher*, 1927
