Roundabout Ransom:

Roundabout Ransom, 1996 **The Fugitive Legacy** Charlotte H. Beck, 2001-01-01 Previously the protagonists of John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In *The Fugitive Legacy* Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition *The Fugitive Legacy* fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature **Soldiers Of Christ** Thomas F.X. Noble, Thomas Head, 1995-01-02 To understand European culture and society in the Middle ages it is essential to understand the role of Christianity And there is no better way to understand that role than to study that religion's greatest human heroes the saints For if medieval Christians regarded God as their king then the saints were the Christian nobility human members of the divine court The purpose of *Soldiers of Christ Saints and Saints Lives from Late Antiquity and the Early Middle Ages* is to present some of the most significant records of the lives of those people considered to be saints In exploring these works the reader will be presented with rich evidence about the development of religion and society in western Europe from the late Roman empire to the great changes that transformed European society around the year 1000 Each text is newly annotated and prefaced by the editors and a general introduction on saints and saints lives makes this volume ideal for students and general readers alike Included are lives of Martin of Tours Augustine of Hippo Germanus of Auxerre Boniface of Crediton Willibrord Benedict of Aniane Leoba Willehad of Northumbria and Gerald of Aurillac as well as the Hodeporicon of Saint Willibald *The Works of William Makepeace Thackeray: Round-about papers. Little travels and roadside sketches* William Makepeace Thackeray, 1904 **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975 **Dreams of Victory** Sean Michael Chick, 2022-05-31 Chick does a good job of portraying General Beauregard as the first real hero of the Confederacy who at times proved his own worst enemy The NYMAS Review Few Civil War generals attracted as much debate and controversy as Pierre Gustav Toutant Beauregard He combined brilliance and charisma with arrogance and histrionics He was a Catholic Creole in a society dominated by white Protestants which made him appear exotic next to the likes of Albert Sidney Johnston and Robert E Lee He was reviled by Jefferson Davis and mocked by Mary Chesnut in her diary Yet he was popular with his soldiers and subordinates Outside of Lee he was the

South's most consistently successful commander winning at Bull Run defending Charleston in 1863 and defeating Benjamin Butler at Bermuda Hundred and Ulysses Grant and George Meade at Petersburg Yet he lived his life in the shadow of his one major defeat Shiloh Beauregard's career before and after the war was no less tumultuous He was born among the Creole elite of Louisiana but rejected the life of a planter in favor of the military inspired by tales of Napoleon He was considered a shining light of the antebellum army and performed superbly in the Mexican American War Yet he complained about a lack of promotion and made a frustrating stab at being mayor of New Orleans in 1858 After the war he was a successful railroad executive and took a stand against racism violence and corruption during Reconstruction but he was ousted from both railroads he oversaw and his foray into Reconstruction politics came to naught And though he provided for his family and left them a hefty sum after his death the money was mostly gained by working for the corrupt Louisiana Lottery In Dreams of Victory General P G T Beauregard in the Civil War Sean Michael Chick explores a life of contradictions and dreams unrealized in a biography of one of the most fascinating figures of the Civil War *The Book of Mordred* Vivian Vande Velde, 2007-06-18 Dark forces are taking hold in the kingdom of Camelot King Arthur struggles to keep his knights in line as they steadily divide themselves into factions the great Merlin has vanished at the hands of his lover and pupil Nimue wizards all over the countryside battle for whatever measures of power they can find At the center of the maelstrom stands Keira an innocent girl who possesses the ability to foretell the fate of her world When Keira is kidnapped from her village home her mother Alayna flees to Camelot and finds Mordred an enigmatic knight who will ultimately become Keira's greatest champion Alayna's greatest love and King Arthur's greatest enemy In the long tradition of Arthurian legend Mordred has been characterized as a buffoon a false knight and a bloodthirsty traitor The Book of Mordred reveals a mysterious man through the eyes of three women who love him **For Younger Readers; Braille and Talking Books**, 1978 **Dark Web**

Colley,2004-02-04 The integration of black platoons in 1945 represents the first time since the American Revolution that African American soldiers were integrated into white combat units The experiences of these soldiers were truly radical and a harbinger of things to come Clearly these black infantrymen planted the seeds of integration in the army and the nation Blood for Dignity tells the story of these soldiers through the eyes of 5th platoon K Company 394th Regiment 99th Division the first integrated combat unit since the Revolutionary War These men were involved in heavy combat at the Remagen Bridgehead and several other critical junctures as they drove back the German army The performance of these men laid to rest the accepted white attitude of a century and a half that blacks were cowardly and inferior fighters In fact they proved to be just the opposite Author David Colley interviewed many of the members of the 99th Their accounts along with years of reseach paint a gripping combat heavy portrait of young men fighting together for their nation For as they will tell you in combat situations prejudice and the color line disappears **Shopping in Space** Elizabeth Young,Graham Caveney,1994 **Talking Book Topics** ,1978 **The Publishers' Trade List Annual** ,1902 **School Library Materials** Minnesota. Department of Education. Library Division,1974 *Owned* Nicole Edwards,2021-02-23 Have you ever believed you d one day cross paths with someone who would sweep you off your feet and offer you a life right out of a fairy tale When you ve spent your life hiding from monsters it seems reasonable that you might cling to a magical fabled romance I did I found it was easier to look for the positive to remain hopeful and to sometimes imagine a fantasy worthy life I m not sure if I did it for my sanity or to keep my brother s spirits up You see Ransom Bishop is not only my brother he s also the one

who saved me from a life that would've ended badly and in doing so he gave up so much. Since the day he stole me away from the monsters when I was nine years old, Ransom has been mother, father, brother, and best friend, watching my back and protecting me from them. For fifteen years we thought we were safe and maybe we were. But then my brother helped a friend in need and everything changed. They found us. Now it's a matter of life or death and there's only one person my brother trusts: one man Ransom is willing to be indebted to in an effort to ensure nothing happens to me. Talon has agreed to take me in. Under one condition: Ransom has to relocate with me and he has to fake our deaths. Again. Little do I know, but Talon is going to change my perception, my ideals, and yes, he's going to change my life. My name is Braelyn Bishop and this is my fairy tale. *Owned* is the final book in the *Office Intrigue* series and it contains two storylines. This book can be read as a standalone.

Rock Stars wear White Socks too! Dannette Genasci, 2014-05-30. Trevor Riggs has already had a dream of a lifetime that not many get to do: stand up on that stage and sing to those out in the audience screaming his name. But times had changed. You can't stop growing older. Michelle looked at this man that she had met the day before, alone except for family, no security around. She had remembered that he had retired from that circus of Rock and Roll a few years earlier. Trev stirred his tea. Well, just FYI, that's just one part. That part now days is little and circumstantial. There's a lot more to me than just that one part. I'm bones, organs, and flesh. I'm as human as anyone else. I possess no super powers, no more wearing spandex. They laughed. People tend to not see that. That's why it's so hard to meet anybody. They get hung up so bad on that one part. His thoughts suddenly drifted. I remember back on how magical it was. If I had it to do over, I wouldn't change a thing. He hesitated. I want them to love me for me, not for who I used to be. Will Trevor get back to the normalcy he longs for?
