New York Transit Museum

Roy Lichtenstein Times Square Mural:

Roy Lichtenstein Roy Lichtenstein, Scott Rothkopf, Rick Moody, Mitchell-Innes & Nash, 2002 Artwork by Roy Lichtenstein Edited by Rick Moody Contributions by Jack Cowart Text by Scott Rothkopf *Roy Lichtenstein: Times Square Mural*, 2002

New York's Underground Art Museum Sandra Bloodworth, William Ayres, 2014-11-11 Initiated in 1985 the MTA Arts Design collection of public art now encompasses more than 250 projects creating a dynamic underground museum of contemporary art that spans the entire city and its immediate environs Since the program was founded a diverse group of artists including Elizabeth Murray Faith Ringgold Eric Fischl Romare Bearden Acconci Studio and many others has created works in mosaic terra cotta bronze and glass for the stations of the New York City Subways and Buses Metro North Railroad Long Island Rail Road and Bridges and Tunnels An update of the classic *Along the Way* this expanded edition features nearly 100 new works installed in stations since 2006 including Sol LeWitt's Whirls and twirls MTA at Columbus Circle Doug and Mike Starn's See it split see it change at South Ferry and the James Carpenter Grimshaw Arup Sky Reflector Net at Fulton Center The book illustrates how the program has taken to heart its original mandate that the subways be designed constructed and maintained with a view to the beauty of their appearance as well as to their efficiency MTA Arts Design is committed to preserving and restoring the original ornament of the system and to commissioning new works that exemplify the principles of vibrant public art relating directly to the places where they are located and to the community around them The definitive guide to works commissioned by MTA Arts Design a reference for riders who have wondered about an artist or the meaning behind the art they've seen as well as a memento for visitors New York's Underground Art Museum provides 300 color illustrations and insightful descriptions sure to infuse any future trip or viewing with a fresh appreciation and understanding of this historic enterprise Times Square Remade Lynne B. Sagalyn, 2023-10-10 The illuminating evolution of the iconic space of Times Square What is it about Times Square that has inspired such attention for well over a century And how is it that despite its many changes of character the place has maintained a unique hold on our collective imagination In this book which comes twenty years after her widely acclaimed *Times Square Roulette* Lynne Sagalyn masterfully tells the story of profound urban change over decades in the symbolic space that is New York City's Times Square Drawing on the history sociology and political economy of the place *Times Square Remade* examines how the public private transformation of 42nd Street at Times Square impacted the entertainment district and adjacent neighborhoods particularly Hell's Kitchen Sagalyn chronicles the earliest halcyon days of 42nd Street and Times Square as the nexus of speculation and competitive theater building as well as its darkest days as vice central and on to the years of aggressive government intervention to cleanse West 42nd Street of pornography and crime Thematically the author analyzes the three main forces that have shaped and reshaped Times Square theater real estate and pornography and explains the politics and economics of what got built and what has been restored or preserved Accompanied by nearly 160 images more than half in color *Times Square Remade* is

a deftly woven narrative of urban transformation that will appeal as much to the general reader and New York City enthusiast as to urbanists city planners architects urban designers and policymakers *Lichtenstein in New York* Mark P. Bernardo, 2017-03-28 Pop Art an entirely new and defiantly American style of painting and sculpture was all the rage among the cultural cognoscenti in the turbulent 1960s and New York City was the unquestioned epicenter of Pop Art No artist embodies this groundbreaking movement more than Roy Lichtenstein the only Pop Artist born in the city and whose life and experiences there inspired much of his most popular and iconic work This book looks at Lichtenstein's life through the lens of New York City taking the reader to the Manhattan that Lichtenstein knew from the Prohibition era through the postwar era and countercultural revolution to the well heeled iconoclasm of the 80s and 90s It is a fascinating biography of a major but sometimes neglected trailblazer of 20th century American art

Times Square Roulette Lynne B. Sagalyn, 2003-08-29 The compelling story of the politics policies and personalities that made Times Square's revitalization possible The spectacularly successful transformation of Times Square has become a model for other cities From its beginning as Longacre Square Times Square's commercialism signage cultural diversity and social tolerance have been deeply embedded in New York City's psyche Its symbolic role guaranteed that any plan for its renewal would push the hot buttons of public controversy free speech property taking through eminent domain development density tax subsidy and historic preservation In Times Square Roulette Lynne Sagalyn debunks the myth of an overnight urban miracle performed by Disney and Mayor Giuliani to tell the far more complex and commanding tale of a twenty year process of public controversy nonstop litigation and interminable delay She tells how the troubled execution of the original redevelopment plan provided a rare opportunity to rescript it And timing was all the mid 1990s saw rising international corporate interest in the city was a mecca for mass market entertainment and synergistic merchandising Sagalyn details the complex relationship between planning and politics and the role of market forces in shaping Times Square's redevelopment opportunities She shows how policy was wedded to deal making and how persistent individuals and groups forged both

Art Hiding in New York Lori Zimmer, 2020-09-22 Uncover the artistic masterworks hidden across New York City in this charmingly illustrated exploration of one of the world's greatest creative treasure troves There's so much to love about New York and so much to see The city is full of art and architecture and history and not just in museums Hidden in plain sight in office building lobbies on street corners and tucked into Soho lofts there's a treasure trove of art waiting to be discovered and you don't need an art history degree to fall in love with it Art Hiding in New York is a beautiful giftable book that explores all of these locations traversing Manhattan to bring 100 treasures to art lovers and intrepid New York adventurers Curator and urban explorer Lori Zimmer brings readers along to sites covering the biggest names of the 20th century like Jean Michel Basquiat's studio iconic Keith Haring murals the controversial site of Richard Serra's Tilted Arc Roy Lichtenstein's subway station commission and many more Each entry is accompanied by a beautiful watercolor depiction of the work by artist Maria Krasinski as well as location information for

those itching to see for themselves With stunning details perfect for displaying on any art lover s shelf and curated itineraries for planning your next urban exploration this inspirational book is a must read for those who love art New York and of course both

Museums in the Digital Age Susana Smith Bautista, 2013-11-26 Museums in the Digital Age Changing Meanings of Place Community and Culture showcases how the use of technology in museums should be understood as factors directly related to the museums notion of community local culture and place whether these places are in mid America urban metropolises or ethnically diverse and underserved communities Here museum expert Susana Smith Bautista brings more than twenty years of experience in cultural institutes in Los Angeles New York and Greece to propose a social understanding of why museums should be adopting technology and how it should be adapted based on their particular missions communities and places This book is timely because we are in the midst of the digital age which is rapidly changing due to rapidly changing developments in technology and society as well with social adaptations of technology Theory is always racing to catch up with practice in the digital age but theory remains a critical and often neglected component to accompany

the practical application of technology in museums In order to illustrate these points the book presents five case studies of the most technologically advanced art museums in the United States today The Indianapolis Museum of Art The Walker Art Center The San Francisco Museum of Modern Art The Museum of Modern Art The Brooklyn Museum Each case study ends with a Lessons Learned section to bring these points home While the case studies focus on museums in the United States and also on art museums this book is relevant to all types of museums and to museums all over the world as they equally face the challenge of incorporating technology into their institutions Although these case studies are all well established and well endowed museums Bautista reveals valuable insight into the difficulties they face and the questions they are asking which are relevant to even the smallest museum or community cultural center

111 Places in New York That You Must Not Miss Jo-Anne Elikann, Susan Lusk, 2025-08-12 The unbeatable quirky fully illustrated insider's guide to New York City Now in its 13th edition Part of the bestselling international 111 Places series of city guides New York New York a crazy quilt of evolving neighborhoods trends and tastes and home to natives and newcomers of every nationality ethnicity and outlook New York City's history and grand ambitions live in every street park and hidden alleyway This unusual guidebook invites the adventurous and curious to explore a wildly diverse selection of little known places including a trapeze school a giant Buddha in a former porno theater a Coney Island sideshow Louis Armstrong's home a Central Park croquet court a Gatsby era speakeasy and a secret balcony where slaves worshiped 200 years ago Play chess with the masters on a Midtown office tower wall have a pint at a legendary prizefighter's hangout in Soho whisper messages across a crowded train station Unexpected and quirky most of these destinations are so under the radar they will astound even longtime New Yorkers who thought they knew it all Revised and updated edition

Art and the Subway Tracy Fitzpatrick, 2009 Explores artistic production surrounding the world's most famous public transportation system from just before its opening in 1904 onwards Using images this work offers perspectives on ways in which the subway has been used as a subject about which to make art as a site within which to make art and as a canvas upon which to make art

Along the Way Sandra Bloodworth, William S. Ayres, 2006 The authors conduct a tour through New York's underground museum of contemporary art works commissioned by MTA Arts for Transit for the subway system 200 full color illustrations

The New York Chronology James Trager, 2010-09-07 For a city like no other comes a book like no other The New York Chronology tells the epic story of how a remote trading outpost and fishing village grew into the world's capital as we know it today In tens of thousands of chronological entries James Trager marches year by year through both the defining and incidental moments in the city's history from the arrival of Florentine navigator Giovanni da Verrazano in 1524 to the sad closing of Ratner's Delicatessen on the Lower East Side after 97 years of serving blintzes kasha latkes and matzoh brei With impeccable scholarship humor and an astonishing level of detail Trager's information packed entries straddle 32 separate categories that define this great metropolis Turn to any year and you'll get a vivid sense of what life was like for New Yorkers at that time the political and

financial developments that shaped their lives the books magazines and newspapers they read the restaurants nightclubs shows and sporting events that entertained them the fitful progress of their neighborhoods schools hospitals public works transportation systems and so much more Of course New Yorkers themselves hold center stage and The New York Chronology is loaded with eye opening and colorful stories about its famous infamous and long forgotten inhabitants From society events and publicity stunts to scandals and murders here are scores of offbeat tidbits that you simply won't find in a more conventional history Handsomely illustrated with more than 130 photographs and drawings it is an entertaining and essential book for New York lovers a homage as grand as the city itself **Artists' Estates** Magda Salvesen, Diane Cousineau, 2005 Artists Estates offers a fascinating journey into the complex and competitive art world through the distinctive lens of those who deal with the paintings prints and sculpture that artists leave behind after their deaths Bringing together interviews conducted by Magda Salvesen the widow of the second generation Abstract Expressionist painter Jon Schueler this unique book provides a window into the goals and desires the conflicts and frustrations and the emotional and financial strains that confront widows companions sons and daughters as the heirs to artists estates The judiciously arranged and edited interviews also address the benefits and liabilities of foundations and trusts through the insights of lawyers gallery dealers and foundation directors Readers will explore well known estates including those of Roy Lichtenstein Mark Rothko Adolph Gottlieb Milton Avery Romare Bearden and David Smith as well as the equally intriguing legacies of lesser known artists whose work came to the fore in the forties and fifties Together the passionate testimonies of families and lovers the measured voices of art professionals and the more than eighty photographs offer an indispensable entre into the private and public worlds of art *The New York Times Index*, 2009
