## **Royal Crimes:**

*The Hidden Histories of War Crimes Trials* Kevin Heller, Gerry Simpson, 2013-10-31 This is an open access title available under the terms of a CC BY NC ND 3.0 International licence. It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations. Several instances of war crimes trials are familiar to all scholars but in order to advance understanding of the development of international criminal law it is important to provide a full range of evidence from less familiar trials. This book therefore provides an essential resource for a more comprehensive overview uncovering and exploring some of the lesser known war crimes trials that have taken place in a variety of contexts international and domestic northern and southern historic and contemporary. It analyses these trials with a view to recognising institutional innovations clarifying doctrinal debates and identifying their general relevance to contemporary international criminal law. At the same time the book recognises international criminal law's history of suppression or sublimation. What stories has the discipline refused to tell? What stories have been displaced by the ones it has told? Has international criminal law's framing or telling of these stories excluded other possibilities? And perhaps most important of all how can recovering the lost stories and imagining new narrative forms reconfigure the discipline? Many of the trials examined in this book have hardly ever before been discussed others have been examined only in the most cursory manner. Indeed until now no volume has been dedicated to telling the story of these trials that have yet to find a place in the international criminal law canon. Providing a detailed analysis of these trials which took place in Europe Africa South America and Australasia in both historical and contemporary contexts this book is essential reading for anyone concerned with the development of international criminal law.

[Comparative Criminal Justice Systems](#) Shahid M. Shahidullah, 2012 Written for students of criminal justice *Comparative Criminal Justice Systems: Global and Local Perspectives* examines the nature of crime and justice in varying countries and cultures in North America Europe Asia Africa and Latin America. Using a topical approach it compares different systems of crime and justice in terms of their differences from and similarities to the laws and institutions of modern criminal justice focusing on the United States as a standard of comparison. By examining different criminal justice systems in terms of their local peculiarities and understanding their change and continuity readers will gain a well rounded international perspective of the world's varying systems of criminal justice. Preview content today Find the preface and chapter two under the Samples tab below. Explores the rise of modern criminology and the criminal justice system in the nineteenth century focusing on the United States as a standard of comparison. Employs a topical approach to examine the criminal justice systems in varying countries in Europe Asia Africa and Latin America including comparative views on law enforcement judicial systems sentencing criminal law and due process of law. Examines the nature of Islamic Criminal Justice and its practice in Saudi Arabia Iran and Pakistan. Explores the possibilities of conflicts and convergences between modern and Islamic systems of criminal justice. Discusses new global crimes and their impact on modern and traditional criminal

justice systems including human smuggling global sex trade global illegal drug trade illegal trafficking of conventional military weapons money laundering cybercrime and global terrorism Discussion questions ensure that student s grasp the core theoretical concepts Instructor resources include a Test Bank and PowerPoint Lecture Outlines 2014 554 pages

Hong Kong's War Crimes Trials Suzannah Linton,2013-09-26 Immediately after the Second World War 46 trials were held by the British military in Hong Kong in which 123 defendants mainly from Japan were tried for war crimes This book is the first to analyze these trials situating them within their historical context and showing their importance for the development of international criminal law

**Law, Magistracy, and Crime in Old Regime Paris, 1735-1789: Volume 1, The System of Criminal Justice** Richard Mowery Andrews,1994-04-29 Law Magistracy and Crime in Old Regime Paris 1735 1789 is the first of two volumes centred around the two great courts of Paris the Ch telet and Parlement and their criminal defendants in the eighteenth century Richard Andrews seeks to refute the black legend of revolutionary propaganda and its modern historical successors which hold that the Old Regime courts were cruel and arbitrary These courts are shown rather to be thoroughly rule bound and consisting of strict judicial procedure derived from royal statutes Rule of and by the law is shown to be the most substantial legacy of the Old Regime This volume places the courts of Old Regime Paris in the context of French society and the state The practices and doctrines of punishment are examined along with the jurisprudence of moral and criminal behaviour

*Crime, Justice and Public Order in Old Regime France* Julius R. Ruff,2015-08-27 This title first published in 1984 is a case study of crime and criminal justice in rural southwestern France in the last century of the Old Regime Based on extensive research in criminal court records often the only documentary evidence of the poor and illiterate the study is a valuable addition both to our knowledge of Old Regime society and to our understanding of its judicial institutions Rural Old Regime France seethed with violence Assault homicide and a violence of speech occurred frequently at all levels of society The author s finding that royal fiscal and judicial officials were recurring targets of this violence additionally contributes to our understanding of the revolutionary events ending the Old Regime This system providing in principle for judicial torture and corporal and capital punishments for relatively minor crimes has long epitomized much that was wrong with pre revolutionary France But the law in principle is not the law in practice and the author finds that both local and appeals courts seldom decreed such measures This book will be of interest to students of history and criminology

*The Official History of Criminal Justice in England and Wales* Paul Rock,2019-04-30 Volume II of The Official History of Criminal Justice in England and Wales traces for the first time the genesis and early evolution of two principal institutions in the criminal justice system the Crown Court and the Crown Prosecution Service This volume examines the origins and shaping of two critical institutions the Crown Court which rose from the ashes of the Courts of Assize and Quarter Sessions and the Crown Prosecution Service which replaced a rather haphazard system of police prosecuting solicitors The 1971 Courts Act and the 1985 Prosecution of Offences Act were to reconfigure the architecture of criminal justice transforming the

procedures by which people were charged prosecuted and in the weightier cases demanding a judge and jury tried in the criminal courts of England and Wales One stemmed from a crisis in a medieval system of travelling justices that tried people in the wrong places and for inadequate lengths of time The other was precipitated by a scandal in which three men were wrongly convicted for the murder of a bisexual prostitute Theirs is an as yet untold history that can be explored in depth because it is recent enough in the words of Harold Wilson to have been written while the official records could still be supplemented by reference to the personal recollections of the public men who were involved This book will be of much interest to students of criminology and British history politics and law     *Routledge Library Editions: The History of Crime and Punishment* Various Authors,2022-07-30 This set reissues ten books that explore the history of crime and punishment The titles which were originally published between 1970 and 1988 examine many different aspects of historical criminology over a span of over 400 years with particular focus on the nineteenth century This set will be of particular interest to students of both history and criminology     **The Quarterly Review (London)** ,1820     **The Quarterly review** ,1820

The Quarterly Review William Gifford,Sir John Taylor Coleridge,John Gibson Lockhart,Whitwell Elwin,William Macpherson,William Smith,Sir John Murray IV,Rowland Edmund Prothero (Baron Ernle),1845     **Crime and Punishment around the World** Graeme R. Newman,2010-10-19 This comprehensive detailed account explores crime and punishment throughout the world through the eyes of leading experts local authors and scholars and government officials It is a subject as old as civil society yet one that still fuels debate Now the many and varied aspects of that subject are brought together in the four volume Crime and Punishment around the World This unprecedented work provides descriptions of crimes and the justice systems that define and punish them in more than 200 nations principalities and dependencies Each chapter examines the historical political and cultural background as well as the basic organization of the subject state s legal and criminal justice system It also reports on the types and levels of crime the processes leading to the finding of guilt the rights of the accused alternatives to going to trial how suspects are prosecuted for their crimes and the techniques and conditions of typical punishments employed Comprising a study that is at once extraordinarily comprehensive and minutely detailed the essays collected here showcase the variety and the universality of crime and punishment the world over     **The London and Westminster Review** ,1840     **The Westminster Review** ,1840     Crime and Punishment in the Middle Ages and Early Modern Age Albrecht Classen,Connie Scarborough,2012-10-30 All societies are constructed based on specific rules norms and laws Hence all ethics and morality are predicated on perceived right or wrong behavior and much of human culture proves to be the result of a larger discourse on vices and virtues transgression and ideals right and wrong The topics covered in this volume addressing fundamental concerns of the premodern world deal with allegedly criminal or simply wrong behavior which demanded punishment Sometimes this affected whole groups of people such as the innocently persecuted Jews sometimes individuals such as violent and evil princes The issue at stake here embraces all of society since

it can only survive if a general framework is observed that is based in some way on justice and peace But literature and the visual arts provide many examples of open and public protests against wrongdoings ill conceived ideas and concepts and stark crimes such as theft rape and murder In fact poetic statements or paintings could carry significant potentials against those who deliberately transgressed moral and ethical norms or who even targeted themselves

**Foggy Mountain Breakdown and Other Stories** Sharyn McCrumb, 2011-05-25 In an earlier life McCrumb must have been a balladeer singing of restless spirits star crossed lovers and the consoling beauty of nature The overall effect is spellbinding The Washington Post Bestselling author Sharyn McCrumb is a born storyteller Mary Higgins Clark who astonishes readers and reviewers with the power and scope of her talent prompting the San Diego Union Tribune to declare There is no one quite like her among present day writers No one better either Foggy Mountain Breakdown the first ever collection of Sharyn McCrumb s short fiction is a literary quilting of old and new humorous and heartfelt offering award winning works and two stories never before published contrasting mountain childhoods past and present Chilling tales of suspense alternate with evocative character portraits and compelling narratives that embrace the southern Appalachian locales and themes of McCrumb s acclaimed Ballad Novels Within this cornucopia of two dozen stories Old Rattler a mountain healer skirmishes with a serial killer Princess Di investigates long kept secrets within the House of Windsor A reincarnated murder victim seeks delicious revenge And while honeymooning in the bridegroom s ancestral hilltop homeplace two newlyweds harbor second thoughts The author s perfect pitch ear for dialogue and ability to illuminate the dark side of human nature merge with her brilliant artistry to make Foggy Mountain Breakdown a virtuoso collection for devotees of Sharyn McCrumb and for the legion of new readers who will find themselves caught under her spell

**Big Crime and Big Policing** Tonita Murray, Elizabeth Kirley, Stephen Schneider, 2024-07-05 Following money over national borders banking systems casinos and free trade zones as well as the world of the corrupt elites Big Crime and Big Policing brings new scholarly and practical insights into our understanding of the interplay of money crime and policing on the grand scale In this wide ranging volume a mixed group of scholars and practitioners aim to show how money dictates the scope and nature of financial and corporate crimes and the impact of these crimes on national economies social institutions and communal well being alike The book examines how the combined efforts of governments and international organizations fail to stop financial crime at its source and despite apparently generous human and financial resources police and law enforcement efforts ultimately fall short of defeating big crime and of meeting public safety needs International in scope Big Crime and Big Policing provides fresh reflection on a significant problem of our age one that demands greater attention from governments and the public

**Reader, I Buried Them & Other Stories** Peter Lovesey, 2022-02-01 Mystery Writers of America Grand Master Peter Lovesey presents a collection of short fiction spanning fifty years including the first story he ever published and three brand new stories More than fifty years ago Peter Lovesey published a short story in an anthology That short story caught the eye

of the great Ruth Rendell whose praise ignited Lovesey's lifelong passion for short form crime fiction On the occasion of his hundredth short story Peter Lovesey has assembled this devilishly clever collection eighteen yarns of mystery melancholy and mischief inhabiting such deadly settings as a theater a monastery and the book publishing industry The collection includes the career launching story as well as three never before published works And surprising the author himself the irascible Bath detective Peter Diamond bulldozed his way into this volume     World Criminal Justice Systems Richard J. Terrill, 2012-10-19 This comparative text provides an understanding of major world criminal justice systems by discussing and comparing the systems of six of the world's countries England France Russia China Japan and a new chapter on South Africa each representative of a different type of legal system An additional chapter on Islamic law uses Saudi Arabia Iran and Turkey as main examples Political historical organizational procedural and critical issues confronting the justice systems are explained and analyzed Each chapter contains material on government police judiciary law corrections juvenile justice and other critical issues     **The Testimony of the Heathen to the Truths of Holy Writ** Thomas Street Millington, 1863  
    Sources of Ancient and Primitive Law Albert Kocourek, John Henry Wigmore, 1915
