Royal Marines:

The Royal Marines Richard Brooks, 2002 A unique Corps recruited as soldiers but trained to serve at sea the Royal Marines are the recognized experts in amphibious warfare possessors of an invaluable combination of military and naval skills Despite their ability to survive the most hostile environments however the institutional survival of the Royal Marines has often been in doubt Their curious existence between land and sea services has placed them in danger of disbandment by those anxious to cut defence costs They have survived by their willingness to undertake almost any job as the first garrison of Australia ship s butchers immaculate naval bandsmen and do it better than anyone else Always at the forefront they trained as fusiliers with flintlock muskets when other infantry still carried matchlocks Marines made the first heli borne assault at Suez in 1956 and in the 1960s switched overnight from jungle warfare to duty in Arctic waters This absorbing book revealing the story behind the Marines historical fortitude and gallantry is published to tie in with the bi centenary of the service receiving the distinction Royal and with the twentieth anniversary of the Falklands War *The Royal Marines on the Western Front* Daniel J McLean, 2020-12-30 From the mud of the Somme to the raid on Zeebrugge the Royal Marines fought in almost every element of the Great War on the Western Front Today they are known world wide as an elite commando fighting force but that has only been their role since 1940 a fraction of their period in existence Until 1923 they existed as two corps the Royal Marine Light Infantry and the Royal Marine Artillery and both served with distinction along the western front in the great war This book examines and explains the engagements in which they were involved the equipment used and the organisation and training undertaken in hitherto unseen detail drawing on a wide variety of sources to give an accurate picture of their contribution to the war in France and Belgium *British Royal Marines* Bill Scheppeler, 2002-12-15 Introduces the operations of the British Royal Marines explaining what commandos are and when they were created what type of weapons and vehicles are used and what is involved in becoming a Royal Marine *The Birth of the Royal Marines, 1664-1802* Britt Zerbe, 2013 The book highlights especially the Marines roles as guards against mutiny and desertion and as an imperial rapid reaction force and provides details of the many and varied actions in which they were involved worldwide

Wearing the Green Beret Jake Olafsen, 2012-01-17 With the authenticity of Jarhead and Bravo Two Zero and the straight up narrative of Contact Charlie this military memoir describes what really goes on in the training of an elite soldier and his tours in Afghanistan In 2004 Jake Olafsen signed up for the Royal Marines Commandos He left everything behind at home in Canada on the basis of a spur of the moment decision The Royal Marines have the toughest and longest basic training of any infantry unit in the world For Olafson this meant eight months of wet and cold in England and Wales It was hell but he came out with the four Commando qualities that the corps look for courage determination unselfishness cheerfulness in the face of adversity Olafsen went on to serve for four years as a Commando in the Royal Marines an elite military unit based in the United Kingdom He went to Afghanistan twice in 2006 he went to confront the Taliban in Helmand Province for six months

and in 2007 he was sent to do it all over again His story is filled with good experiences like the sense of accomplishment patriotism and camaraderie and the opportunity to travel the world But all good things come at a price The sacrifices he made for the Corps are significant he has killed the enemy and he has buried his friends And in telling his story Olafsen hopes that he can make sense of it all This is an honest gutsy story about the mud and the blood the triumphs and the tragedies From the Hardcover edition **Tracing Your Royal Marine Ancestors** Richard Brooks,Matthew
