Royal Canadian Military Institute Ken Bell, Desmond Morton, 1990 Militia Myths James A. Wood, 2010 The citizen soldier is a central figure in Canada's social memory of the First World War But is the ideal of being a citizen first and a soldier only by necessity an unchanging feature of the Canadian identity This compelling history traces the evolution of the Canadian amateur military tradition in the turbulent years from 1896 to 1921 Before the Great War Canada's military culture was in transition as Canada navigated an uncertain relationship with the United States and fought an imperial war in South Africa Gradually the untrained civilian replaced the long serving volunteer militiaman as the archetypal amateur soldier setting the country down a path leading directly to the battlefields of Flanders and northern France Militia Myths reveals the history of a military culture that consistently employed the citizen soldier as its foremost symbol but was otherwise in a state The English Trip of 1910 Mima Brown Kapches, 2024-10-16 The year 1910 saw the 50th anniversary of the Queen's Own Rifles Canada's longest serving reserve regiment To celebrate this landmark a series of events military parades and spectacular historical pageants featuring hundreds of participants were held in Toronto all of which were bankrolled by financier and Commanding Officer of the QOR Sir Henry Pellatt better known to Canadians as the man who built Toronto s Casa Loma as a private residence for his family The highlight of the jubilee celebrations was Pellatt s sponsorship of a trip to the UK for more than 600 young reservists to train in military manoeuvers with the British Army for four weeks including a week s vacation The group was accompanied by reporters known as the Press Gang from six Toronto newspapers Author Mima Brown Kapches father J N M Jim Brown was one such reporter When researching her father s journalism career Brown Kapches came across an article filed by her father in Toronto World about the trip Surprised to discover that there was little comprehensive documentation of this fascinating bit of Canadian history she set about painstakingly reconstructing the trip primarily through newspaper accounts written by her father and his fellow journalists The English Trip of 1910 Toronto Sir Henry Pellatt the Queen's Own Rifles and the Press Gang is a meticulously researched and eloquently written account of the English excursion Canadiana ,1991-05 Bibliographie de la Vie Militaire Au Canada, 1867-1995 O. A. Cooke, Canada. Department of National Defence. Directorate of History and Heritage, 1997 Canadian military history and military matters have not been well represented in general in retrospective bibliographies of Canadian or in international military bibliographies What has been attempted in this document is a bibliography of published primary sources and secondary works on Canadian military topics excluding poetry and fiction covering the period from Confederation to the present Entries in the bibliography represent printed monographs books and pamphlets and serial titles The prime criteria of inclusion were that the work be chiefly or uniquely both Canadian and military in its contents Many in house publications of the training pamphlet or regulations type have been included but only insofar as they tell us something of the armed forces themselves rather than details of tactical doctrine or of pieces of equipment Works by or about
