Royal Faces National Portrait Gallery (Great Britain),Dana Bentley-Cranch,1990 What did he or she actually look like A question that has been asked throughout the ages and never with more interest than when the face is a royal one But putting faces to names is only one facet of the story of 900 years of British monarchy In this book portraits of the kings and queens are accompanied by brief accounts of their lives showing how they attained the throne and how the line of succession was

maintained or overthrown It also traces the history of the Crown itself and tells how the absolutist rule of the early kings evolved into our constitutional monarchy **The Bayeux Tapestry** John F. Szabo, Nicholas E. Kuefler, 2015-06-18

and slighted by his favored male courtiers Humiliated and deprived of her income her children and her liberty Isabella escaped to France where she entered into a passionate affair with Edward II s mortal enemy Roger Mortimer Together they deposed Edward and ruled in his stead as co regents for Isabella s young son Edward III Fate however was soon to catch up with Isabella and her lover A work of extraordinary original research Queen Isabella strips away centuries of propaganda legend and romantic myth and gives a groundbreaking new perspective on Isabella a truly remarkable woman who had a profound influence upon the age in which she lived and the history of western Europe
