The Inheritance Peter Stephan Jungk, 2012-08-28 Daniel Loew a poet based in London has been told since childhood that one day he would become his wealthy uncle s only heir When he learns of his uncle s death in Caracas a few weeks have passed A close friend of his uncle s tells Loew that he alone has been named executor of the will and blocks Loew from receiving his inheritance In a harrowing chase from Venezuela to Miami via Hamburg and Panama City against a background of political upheavals as Hugo Chavez attempts and fails in his 1992 military coup Loew leads a desperate fight to regain his considerable inheritance **The New Adventures of Sinbad the Sailor** Salim Bachi, 2013-01-29 Sinbad the Sailor is reborn as a young adventurous man in modern day Algeria who has joined the waves of North African immigration into Europe Accompanied by a mysterious

mongrel and his Senegalese friend Robinson this lover of women and beauty embarks on a journey around the Mediterranean from Algiers to Damascus passing through Rome Paris Baghdad through the refugee camps and the deceitful glimmer of the Western world that takes him on a headlong pursuit of happiness and love A tale of our times sometimes cruel often funny and always fascinating this novel tells the story of a man coming to grips with the stark realities of war within the framework of legend It is at once a reconciliation of East and West and a resounding judgement on the state of the modern world **An Education in Happiness** Flavia Arzeni,2013-01-29 Happiness is neither a privilege of the few nor a fleeting state of mind it is hidden behind a door that every person can open once they have found it at the end of an arduous journey of self discovery The two Nobel Prize winning writers Rabindranath Tagore and Hermann Hesse are arguably very different one comes to us from the core of Indian culture the other from the very heart of Old Europe the former is an eternal wanderer the latter a determined armchair traveller Still there are extraordinary affinities between their works and they both understood that the path to happiness is paved with small acts and simple notions Flavia Arzeni s book offers us an oasis of stability and calm in which we can find the answers to our fundamental concerns about life and happiness **Enchantment** Pietro Grossi,2013-07-16 It was a memorable summer with the broken down old road that suddenly turned into a strip of gleaming asphalt and the abandoned motorbike the three boys found as a rusty heap and built into a racer But it was also more than that more than a distraction from the boredom of their small Tuscan town than a few weeks of racing and dodging the attentions of the local Marshal For Jacopo and his two friends it began their journeys out into the world separated by thousands of miles steered by something other than fate helped on their way and controlled Tautly written and deeply moving Enchantment is more than a simple coming of age story it is a powerful original novel from an important compelling new author **Fists** Pietro Grossi,2012-09-25 Fists Horses and The Monkey three powerful coming of age stories about boys confronting reality and fighting to stay alive in a man s world In Fists a teenage amateur boxer steps into the ring for the first time and finds himself in a face off with Life in all its muscular force in Horses two brothers embark on their first forays into adulthood each learning to play a man s game in his own painful way and in The Monkey a young man realizes that in order to stay sane and survive in this world we have to sacrifice our childhood dreams Told in a spare and powerful voice reminiscent of Hemingway and Salinger Grossi s stories explore the rite of passage each of us faces in our youth and what it means to be a man in our time **Final Drafts** Mark Seinfeld,1999-12 Some of the greatest writers in the history of the art Hart Crane Ernest Hemingway Jerzy Kosinski Sylvia Plath Anne Sexton and Virginia Woolf all chose to silence themselves by suicide leaving their families and friends with heartbreak and the world of literature with gaping holes Their reasons for killing themselves when known were varied and quite often unreasonable Some were plagued by depression or self doubt and others by frustration and helplessness in a world they could neither change nor tolerate Profoundly moving and morbidly attractive Final Drafts is a necessary historical record biographical treatment and psychological examination of the authors

who left this cruel world by their own hands either instantly or over long periods of relentless self destructive behavior It is also a devoted examination of references to suicide in literature both by those who took their own lives and those who decided to live Mark Seinfeld has selected many well known mostly fiction writers from those whose work dates to over a century ago when the medical community was ill equipped to deal with substance abuse and depression to more recent writers such as Kosinski Michael Dorris and Eugene Izzi who have left a puzzled literary community with a sad legacy Seinfeld reveals that many authors contemplated ending their lives in their work were obsessed with destroying themselves were unable in the case of the Holocaust to live with the fact that their contemporaries had been killed believed death to be a freedom from the horrors that forced them to create and sometimes were simply unable to withstand rejection or criticism of their work Other noted authors discussed in this volume include John Berryman Ambrose Bierce Harry Crosby John Davidson William Inge Randall Jarrell Arthur Koestler T E Lawrence Primo Levi Jack London Jay Anthony Lukas Tom McHale Yukio Mishima Henry de Montherlant Seth Morgan George Sterling Sara Teasdale Ernst Toller John Kennedy Toole Sergey Yesenin and many others

The Chess Artist J. C. Hallman, 2013-09-10 In the tradition of *The Professor and the Madman* *Longitude* and *The Orchid Thief* Hallman transforms an obsessive quest for obscure things into a compulsively readable and entertaining weaving of travelogue journalism and chess history In the tiny Russian province of Kalmykia obsession with chess has reached new heights Its leader a charismatic and eccentric millionaire ex car salesman named Kirsan Ilyumzhinov is a former chess prodigy and the most recent president of FIDE the world's controlling chess body Despite credible allegations of his involvement in drug running embezzlement and murder the impoverished Kalmykian people have rallied around their leader's obsession chess is played on Kalmykian prime time television and is compulsory in Kalmykian schools In addition Kalmyk women have been known to alter their traditional costumes of pillbox hats and satin gowns to include chessboard patterned sashes *The Chess Artist* is both an intellectual journey and first rate travel writing dedicated to the love of chess and all of its related oddities writer and chess enthusiast J C Hallman explores the obsessive hold chess exerts on its followers by examining the history and evolution of the game and the people who dedicate their lives to it Together with his friend Glenn Umstead an African American chessmaster who is arguably as chess obsessed as Ilyumzhinov Hallman tours New York City's legendary chess district crashes a Princeton Math Department game party challenges a convicted murderer to a chess match in prison and travels to Kalmykia where they are confronted with members of the Russian intelligence service beautiful translators who may be spies seven year old chess prodigies and the sad blight of a land struggling toward capitalism
