Genesis 1

- 1.** In the beginning God created the heavens and the earth.
- 2.** The earth was without form and void, and darkness was upon the face of the deep; and the Spirit of God was moving over the face of the waters.
- 3.** And God said, "Let there be light"; and there was light.
- 4.** And God saw that the light was good; and God separated the light from the darkness.
- 5.** God called the light Day, and the darkness he called Night. And there was evening and there was morning, one day.
- 6.** And God said, "Let there be a firmament in the midst of the waters, and let it separate the waters from the waters." And God made the firmament, and separated the waters above the firmament from the waters below the firmament: and God called the firmament Heaven. And there was evening and there was morning, the second day.
- 7.** And God made the earth and separated the waters under the firmament from the waters above the firmament: and God called the earth Land, and the waters under the firmament he called Seas: and God blessed the earth, and said unto it, Bring forth living creatures after their kind, cattle of the earth, and every creeping creature that hath life: and God blessed them, saying, Be fruitful, and multiply, and fill the earth: and the beasts of the earth, and every creeping creature that hath life, shall be fruitful, and multiply. And there was evening and there was morning, the third day.
- 8.** And God called the firmament Heaven, and the earth Land, and the waters Seas: and God blessed the earth, and said unto it, Bring forth living creatures after their kind, cattle of the earth, and every creeping creature that hath life: and God blessed them, saying, Be fruitful, and multiply, and fill the earth: and the beasts of the earth, and every creeping creature that hath life, shall be fruitful, and multiply. And there was evening and there was morning, the fourth day.

Murray's Illustrated Bible Dictionary William Coleman Piercy,1909 **The Text of the Bible** David S. New,2013-04-26

For 2000 years the Bible has provided evidence and witness for the beliefs of three major world religions Some consider the Bible dangerous while others have died for it but the response to the Bible is always passionate This book relates the story of such passions from the Roman Empire to the present It is a story primarily about individuals the drama of their lives woven into the tapestry of their times barbarian invasions Black Death Waldensian heresy the pageantry of medieval romance the debauchery of the medieval Vatican the spirit of the Renaissance the tradition of monk and scholar All of these historical currents influenced the text now corrupted and distorted and existing in a confusing number of versions This book tells how today s Bible came to be what it is and provides an understanding of the richness of its text Hand-book of Bible

Medieval Images, Icons, and Illustrated English Literary Texts Maidie Hilmo,2019-10-30 The function of images in the major illustrated English poetic works from the Anglo Saxon period to the early fifteenth century is the primary concern of this book Hilmo argues that the illustrations have not been sufficiently understood because modern judgments about their artistic merit and fidelity to the literary texts have got in the way of a historical understanding of their function The author here proves that artists took their work seriously because images represented an invisible order of reality that they were familiar with the vernacular poems and that they were innovative in adapting existing iconographies to guide the ethical reading process of their audience To provide a theoretical basis for the understanding of early monuments artefacts and texts she examines patristic opinions on image making supported by the most authoritative modern sources Fresh emphasis is given to the iconic nature of medieval images from the time of the iconoclastic debates of the 8th and 9th centuries to the renewed anxiety of image making at the time of the Lollard attacks on images She offers an important revision of the reading of the Ruthwell Cross which changes radically the interpretation of the Cross as a whole Among the manuscripts examined here are the Caedmon Auchinleck Vernon and Pearl manuscripts Hilmo s thesis is not confined to overtly religious texts and images but deals also with historical writing such as Layamon s Brut and with poetry designed ostensibly for entertainment such as the Canterbury Tales This study convincingly demonstrates how the visual and the verbal interactively manifest the real text of each illustrated literary work The artistic elements place vernacular works within a larger iconographic framework in which human composition is seen to relate to the activities of the divine Author and Artificer Whether iconic or anti iconic in stance images by their nature were a potent means of influencing the way an English author s words accessible in the vernacular were thought about and understood within the context of the theology of the Incarnation that informed them and governed
