Milks, 2014-03-14 What is so radical about not having sex To answer this question this collection of essays explores the feminist and queer politics of asexuality Asexuality is predominantly understood as an orientation describing people who do not experience sexual attraction In this multidisciplinary volume the authors expand this definition of asexuality to account for the complexities of gender race disability and medical discourse Together these essays challenge the ways in which we imagine gender and sexuality in relation to desire and sexual practice *Asexualities* provides a critical reevaluation of even the most radical queer theorizations of sexuality Going beyond a call for acceptance of asexuality as a legitimate and valid sexual orientation the authors offer a critical examination of many of the most fundamental ways in which we categorize and index sexualities desires bodies and practices As the first book length collection of critical essays ever produced on the topic of asexuality this book serves as a foundational text in a growing field of study It also aims to reshape the directions of feminist and queer studies and to radically alter popular conceptions of sex and desire Including units addressing theories of asexual orientation the politics of asexuality asexuality in media culture masculinity and asexuality health disability and medicalization and asexual literary theory *Asexualities* will be of interest to scholars and students in sexuality gender sociology cultural studies disability studies and media culture

Mediated Intimacy Meg-John Barker, Rosalind Gill, Laura Harvey, 2018-04-27 *Mediated Intimacy* looks at contemporary sex and relationship advice exploring how our intimate lives are shaped through different media from manuals and magazines to television and Twitter By exploring how intimacy is

constructed through different media texts the authors consider which ideas and practices these changing forms of sexpertise open up and which they close down The book reveals the intimate operation of power in mediated advice how words and images stories and sound can work to shore up social injustice It critically engages with the ideas of choice and responsibility in sex self help arguing that these can obscure and or justify oppression even if they re sometimes experienced as empowering and or pleasurable This bold and incisive book provides a radical challenge to the assumptions underlying the sex advice industry and presents a critical collaborative and consensual vision for sex advice of the future

The Etherized Wife Leslie Margolin,2021 The Etherized Wife provides a comprehensive examination of the evolution of sex therapy through the prism of gender The book makes the argument that in sex therapy like other domains of life in which men set the standard of normality women have been judged normal to the degree they match men s expectations What is particularly striking about this bias is that it contradicts therapists overt identification with feminism and the battle against women s inequality To support these claims Leslie Margolin maps a series of case studies drawn from the discipline s own literature the articles and books that have been and continue to be treated as exemplars of the discipline s collective consciousness Through examination of case studies which focus on discrepancies in sexual desire where the man wants more sex and the woman less the book shows how therapists have favoured the man s side The Etherized Wife shows how the sex therapy discipline has unintentionally enshrined male sexuality as the model of normal natural healthy sexuality
