C. Smith, 2014-01-13 This famous work was the result of the wartime collaboration of two Scottish scholars Their tracing of the course of English poetry has been described by The Times Literary Supplement as a volume of masterly compression They deliberately spend most time on the greatest poets believing that significant as traditions and influences are the great poet himself affects the spirit of his age and moulds the tradition he has inherited At the same time enough attention is paid to minor poets to make the book historically complete and to fill in the most important links in the chain of poetic development Thus Gower is here as well as Chaucer Patmore as well as Browning Both in scope and in detail A Critical History of English Poetry is a distinguished and valuable work **Working-Class Women Poets in Victorian Britain** Florence S. Boos, 2008-06-12 Though working class women in the nineteenth century included many accomplished and prolific poets their work has often been neglected by critics and readers in favour of comparable work by men Questioning the assumption that few poems by working class women had survived Florence Boos set out to discover supposedly lost works in libraries private collections and archives Her years of research resulted in this anthology Working Class Women Poets in Victorian Britain features poetry from a variety of women including an itinerant weaver a rural midwife a factory worker protesting industrialization and a blind Scottish poet who wrote in both the Scots dialect and English In addition to biographical information and contemporary reviews of the poets work the anthology also includes several photographs of the poets their environment and the journals in which their poems appeared Ballads of

Romance and Chivalry Frank Sidgwick, 2019-12-05 In *Ballads of Romance and Chivalry* Frank Sidgwick weaves an intricate tapestry of poetic forms evoking the heroic ideals and romantic quests that define the medieval chivalric tradition. This collection marries lyrical finesse with narrative depth, capturing the essence of valor, love, and loss. Sidgwick's deft alignment with the folk ballad style lends a timeless quality to his work, navigating both the whimsical and the profound, masterfully reflecting the literary heritage of Romanticism and the Victorian fascination with medieval themes. The poems resonate with universal themes while embracing archaisms that immerse the reader in a vivid historical context. Frank Sidgwick, a notable scholar and poet of the late 19th and early 20th centuries, cultivated his literary career amidst the burgeoning revival of interest in medieval literature. His scholarly background, particularly in the study of ballads and folk songs, informs the rich authenticity of this work. Sidgwick's erudition and passion for the lyrical tradition illuminate the depth of his understanding of the timeless human experiences portrayed within these ballads. *Ballads of Romance and Chivalry* is an indispensable read for anyone interested in medieval literature, poetic forms, or the expression of chivalric ideals. Sidgwick's work promises to charm and inspire, inviting readers to embark on their own romantic journeys through the enchanting landscapes of the past.
