Perspectives on the Future of Housing Jim Vine,2009 **British Bed and Breakfast** Alastair Sawday,2004 This best selling book continues to be a winner With more than 600 delightful places to stay from farmhouses to castles there will always be something for everyone **B&b Stops in England, Scotland & Wales** Hunter Publishing,2003 Often family homes with in room fireplaces and charming four poster beds And they are all available at amazingly low rates Here s a guide to thousands of them with contact info and photos **Commercial Homes in Tourism** Paul Lynch,Alison J. McIntosh,2009-06-02 This volume is the first to examine the commercial home from an international perspective paying attention to the frequently occurring but often neglected forms of commercial accommodation including farmstays historic houses and self catering accommodation Conceptually it helps to explain a range of behaviours and practices for example the importance of setting and the nature of the host guest exchange The idea of home provides a conceptual bridge to related themes for example identity gender emotional management and cultural mobilities whose investigation in a commercial home context offers fascinating insights into hospitality tourism and society This book is structured around three themes The first is dimensions of the commercial home and includes discussion of issues pertaining to forms and characteristics and female entrepreneurship The second theme considers the commercial home as an investigative lens to examine wider issues of society hospitality and tourism such as the commercial home as a tool for rural economic development The third theme extending the commercial home paradigm looks at new areas of development including the Malaysian Muslim home as a site

for economic and political action and the use of the home in marketing regional localities Commercial Homes in Tourism is the first book to give recognition to this distinct economically important and expanding form of tourism business by bringing together recent international research on this common form of commercial tourism accommodation Given the global nature of the commercial home phenomenon and owing to the originality of its theoretical contributions and practical insights this book will be of interest across a broad range of subjects and disciplines interested in the examination of the home phenomenon including students academics and business practitioners

Constitutional Culture, Independence, and Rights Javier Garcia Oliva, Helen Hall, 2023-05-26 In Constitutional Culture Independence and Rights Javier Garcia Oliva and Helen Hall coin the term constitutional culture to encapsulate the collective rules and expectations that govern the collective life within a jurisdiction Significantly these shared norms have both legal and social elements including matters as diverse as standards of parenting the modus operandi of police officers and taboos around sexuality Using Quebec Scotland and Catalonia as case studies the book delves into what these constitutional battles mean for the rights identity and needs of everyday people and it powerfully demonstrates why the hypothetical future independence of these regions would have far reaching practical consequences beyond the realm of political structures and academic theory The book does not present a magic bullet to resolve debates around independence this is not its purpose and the text in fact demonstrates why there is no objectively optimal approach in any or all contexts Instead it seeks to shed light on aspects of these situations often overlooked in discussions around the fate of nations and it addresses what the consequences of constitutional paradigm shifts might be for individuals Constitutional culture is a complex web of interconnected understandings and behaviours and the vibrations from shaking or cutting a fundamental strand will be felt throughout the structure

Community Owned Businesses Norman Walzer, 2021-07-19 This book analyses community owned businesses in countries around the world to show successful approaches and important strategies to improve access to essential services in vastly different economic contexts Through eleven chapters authors from various countries use case studies and analyse findings in ways which can be applied to new development initiatives including rural grocery store retention in Kansas socially responsible community cooperatives in Italy preserving pubs and shops in England and Wales serving residents with special needs in Canada and financing basic goods and services for aging populations in Taiwan plus other examples The chapters explore practices and approaches used in various locations to address concerns about loss of access to essential services making clear that this approach to financing is useful in different scenarios The chapters provide key insights suggesting that these approaches will be even more prevalent in the future and will be of interest to students scholars and community development practitioners around the world
