Scotland Revisited

N Noddings

Scotland Revisited:

Scotland's Populations from the 1850s to Today Michael Anderson, 2018-03-01 Scotland's Populations is a coherent and comprehensive description and analysis of the most recent 170 years of Scottish population history. With its coverage of both national and local themes set in the context of changes in Scottish economy and society, this study is an essential and definitive source for anyone teaching or writing on modern Scottish history, sociology or geography. Michael Anderson explores subjects such as population growth and decline, rural settlement and depopulation, and migration and emigration. It sets current and recent population changes in their long-term context, exploring how the legacies of past demographic change have combined with a history of weak industrial investment, employment insecurity, deprivation, and poor living conditions to produce the population profiles and changes of Scotland today. While focussing on Scottish data, Anderson engages in a rigorous treatment of comparisons of Scotland with its neighbours in the British Isles and elsewhere in Europe, which ensures that this is more than a one-country study.

Scotland Revisited Janice Anderson, 2001 Armchair travelers and globetrotters alike will appreciate these lavishly illustrated informative volumes which will rekindle old memories and inspire new flights of fancy. Combining the story of Scotland's turbulent past and its many celebrated heroes with information on the nation as it is today, the author gives the reader a tour of this fabled land, traveling from region to region and enjoying their sights and history.

Eighteenth Century Scotland Tom M. Devine, John R. Young, 2022-01-06 This impressive collection of essays is based on a two-year seminar series of the Research Centre in Scottish History at the University of Strathclyde. New and original research as well as historiographical overviews and commentaries illuminate the study of this formative century in the creation of modern Scotland. Contributors are leading figures in their fields, and the Scottish experience is examined within an international dimension. Topics include Scottish modernisation before the Industrial Revolution, the Union of 1707, Scotland and British expansion, Scottish Jacobitism, the Catholic underground, Scottish national identity, the Scottish Enlightenment, urbanisation, demographic change, Scottish Gaeldom, Highland estate management and tenant emigration, and Scottish radicalism.

Contributors: Thomas M. Devine, John R. Young, Michael Fry, Allan I. MacInnes, James F. McMillan, Alexander Murdoch, Richard J. Finlay, Jane Rendall, Bernard Aspinwall, Ian D. Whyte, Robert E. Tyson, T. C. Smout, Andrew Mackillop, Christopher A. Whatley, Elaine W. McFarland.

Witchcraft in Early Modern Scotland Lawrence Normand, Gareth Roberts, 2022-03-23 This volume provides a valuable introduction to the key concepts of witchcraft and demonology through a detailed study of one of the best-known and most notorious episodes of Scottish history: the North Berwick witch hunt in which King James was involved as alleged victim, interrogator, judge, and demonologist. It provides hitherto unpublished and inaccessible material from the legal documentation of the trials in a way that makes the material fully comprehensible, as well as full texts of the pamphlet *News from Scotland* and James' *Demonology*, all in a readable, modernised scholarly form. Full introductory sections and supporting notes provide information about the contexts needed to understand the texts.

politics social history and culture religious changes law and the workings of the court and the history of witchcraft prosecutions in Scotland before 1590 The book also brings to bear on this material current scholarship on the history of European witchcraft Current List of Medical Literature ,1951-07 Includes section Recent book acquisitions varies Recent United States publications formerly published separately by the U S Army Medical Library *The Oxford Handbook of Modern Scottish History* T. M. Devine,Jenny Wormald,2012-01-26 A landmark study which reconsiders in fresh and illuminating ways the classic themes of the nation s history since the sixteenth century as well as a number of new topics which are only now receiving detailed attention Places the Scottish experience firmly in an international historical experience

Women and Gender in Medieval Europe Margaret C. Schaus,2006-09-20 From women s medicine and the writings of Christine de Pizan to the lives of market and tradeswomen and the idealization of virginity gender and social status dictated all aspects of women s lives during the middle ages A cross disciplinary resource Women and Gender in Medieval Europe examines the daily reality of medieval women from all walks of life in Europe between 450 CE and 1500 CE i e from the fall of the Roman Empire to the discovery of the Americas Moving beyond biographies of famous noble women of the middle ages the scope of this important reference work is vast and provides a comprehensive understanding of medieval women s lives and experiences Masculinity in the middle ages is also addressed to provide important context for understanding women s roles Entries that range from 250 words to 4 500 words in length thoroughly explore topics in the following areas Art and Architecture Countries Realms and Regions Daily Life Documentary Sources Economics Education and Learning Gender and Sexuality Historiography Law Literature Medicine and Science Music and Dance Persons Philosophy Politics Political Figures Religion and Theology Religious Figures Social Organization and Status Written by renowned international scholars Women and Gender in Medieval Europe is the latest in the Routledge Encyclopedias of the Middle Ages Easily accessible in an A to Z format students researchers and scholars will find this outstanding reference work to be an invaluable resource on women in Medieval Europe *Rewriting the Past in Scottish Literature, 1350-1550* Kate Ash-Irisarri,2025-04 Considers how Anglo Scottish conflict was memorialised reimagined and embedded by later writers The Anglo Scottish Wars of Independence are often treated in historical and poetical works produced in Scotland between the fourteenth and sixteenth century from chronicles and hagiographical romances to advisory and commemorative poems Through an examination of such texts this book explores how late medieval writers drew on the memory of the wars to articulate a collective identity and how literary and historical frameworks were deeply influenced by shifting Anglo Scottish relations It covers a range of topics how borders textual geographic and cultural became a focus for articulations of national memory the utilisation of origin myths and royal genealogy anxieties around failures of memory or deliberate acts of forgetting and the impact of the Battle of Flodden 1513 on writing about Scottish nationhood Dealing in particular with Bower s Scotichronicon

Hary s Wallace The Complaynt of Scotland and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history and Lyndsay s Dreme this study argues that these writers drew on understandings of the arts of memory to shape selective and collective recollections of the past as a response to contemporary concerns providing an emotive memorialisation of Scotland s history

Prophet Margins Edward L. Ridsen, Karen Rathmell Moranski, Stephen Yandell, 2004 While poets have traditionally inhabited cultural margins prophets have brought poetic language to the center of cultural debate not foretelling the future so much as diagnosing the present This exciting collection of nine essays examines the range of social and political implications that inflects poetic discourse from the Old English and Latin texts of the Anglo Saxon world to the Scotland and England of the Renaissance Whether saints lives Germanic heroic epics chronicles or satiric poems the works discussed in this book retain their verbal power if not their political influence into our own time

The Impact of Latin Culture on Medieval and Early Modern Scottish Writing Ian Johnson, Alessandra Petrina, 2018-04-30 In the late medieval and early modern periods Scottish latinity had its distinctive stamp most intriguingly so in its effects upon the literary vernacular and on themes of national identity This volume shows how when viewed through the prism of latinity Scottish textuality was distinctive and fecund The flowering of Scottish writing owed itself to a subtle combination of literary praxis the ideal of eloquentia and ideological deftness which enabled writers to service a burgeoning national literary tradition

Communities in European History Juan Pan-Montojo, Frederik Pedersen, 2007 *Agriculture, Economy and Society in Early Modern Scotland* Robert Allan Houston, 2024 Showcases the latest research on Scotland s rural economy and society Early modern Scotland was predominantly rural Agriculture was the main occupation of most people at the time so what happened in the countryside was crucial economically socially and culturally The essays collected here focus on the years between around 1500 and 1750 This period although before the main era of agricultural improvement in the late eighteenth and early nineteenth centuries was nevertheless far from static in terms of agrarian development Specific topics addressed include everyday farming practices investment landlords tenants and estate management and the cultural context within which agriculture was imagined The disastrous famine of 1622 23 is analysed in detail The volume is completed by a comprehensive survey of recent historiography setting agricultural history in its broader context

The Westminster, 1907 *Network North* Steve Murdoch, 2006 Discussing a series of economic confessional political and espionage networks this volume

provides an illuminating study of network history in Northern Europe in the early modern period The empirically researched chapters advance existing social network theory into accessible historical discussion *Essays* William Ernest

Henley,Robert Louis Stevenson,1908 **Essays: I. Fielding. Smollett. Hazlitt. Burns. II. Byron's world. "Pippin".**

Othello. "T.E.B." Old England. Balzac. Hugo William Ernest Henley,1908 *The Works of W. E. Henley ...* William
