**European Judicial Systems, Edition 2012**

**(2010 Data)** European Commission for the Efficiency of Justice, Council of Europe, 2012-01-01 The new Edition of the report of the European Commission for the Efficiency of Justice CEPEJ which evaluates the functioning of the judicial systems in 46 Council of Europe s member states remains in line with the process carried out since 2002 Relying on a methodology which has already proven itself in order to collect and process a wide number of quantitative and qualitative judicial data this unique study has been conceived above all as a tool for public policy aimed at improving the efficiency and the quality of justice To have the knowledge in order to be able to understand analyse and reform such is the objective of the CEPEJ which has prepared this report intended for policy makers legal practitioners researchers as well as for those who are interested in the functioning of justice in Europe *Criminal Justice Systems in Europe* Gordon C. Barclay, 1990 *European judicial systems - CEPEJ Evaluation Report - 2024 Part 1* Council of Europe, 2024-09-01 A must have for policy makers justice practitioners researchers and all those who are interested in the functioning of justice in Europe and beyond to have access to the information needed to be able to understand analyse and reform The latest edition of the report of the European Commission for the efficiency of justice CEPEJ which evaluates the functioning of the judicial systems of 44 participating Council of Europe member States as well as two observer States to the CEPEJ Israel and Morocco continues the process carried out since 2002 focusing the content of the report on the analysis of European trends In addition the CEPEJ has also elaborated for each participating state a profile which presents in a synthetic way the main data and indicators developed by the CEPEJ as well as an analysis of the main aspects of each judicial system Relying on a methodology which is already a reference for collecting and processing large number of judicial data this unique study has been conceived above all as a tool for public policy aimed at improving the efficiency and quality of justice **Profiles of Criminal Justice Systems in Europe and North America** Kristiina Kangaspunta, 1995 **Globalisation, Criminal Law and Criminal Justice** Valsamis Mitsilegas, Peter Alldridge, Leonidas Cheliotis, 2015-01-22 The book consists of the keynote papers delivered at the 2012 WG Hart Workshop on Globalisation Criminal Law and Criminal Justice organised by the Queen Mary Criminal Justice Centre The volume addresses from a cross disciplinary perspective the multifarious relationship between globalisation on the one hand and criminal law and justice on the other hand At a time when economic political and cultural systems across different jurisdictions are increasingly becoming or are perceived to be parts of a coherent global whole it appears that the study of crime and criminal justice policies and practices can no longer be restricted within the boundaries of individual nation states or even particular transnational regions But in which specific fields to what extent and in what ways does globalisation influence crime and criminal justice in disparate jurisdictions Which are the factors that facilitate or prevent such influence at a domestic and or regional level And how does or should scholarly inquiry explore these themes These are all key questions which are addressed by the contributors to the volume In addition to contributions focusing on theoretical and comparative dimensions of globalisation in criminal law and justice the volume includes sections focusing on the role of

evidence in the development of criminal justice policy the development of European criminal law and its relationship with national and transnational legal orders and the influence of globalisation on the interplay between criminal and administrative law

**International Handbook of Criminology** Shlomo Giora Shoham,Paul Knepper,Martin Kett,2010-02-23 The second handbook in the Shoham trilogy which includes the esteemed International Handbook of Penology and Criminal Justice and the upcoming International Handbook of Victimology this volume is a comprehensive treatment of criminology theory This text contains contributions from 25 of the top international scholars in the field across a wide range of disciplines Topics include social deviance research methods biological and physiological explanations personality types and family socialization processes The book also explores ecological and economic factors differential association and situational crime prevention cultural conflicts and immigration as well as stigmas group delinquency and juvenile delinquency

**Prisoner Resettlement in Europe** Frieder Dünkel,Ineke Pruin,Anette Storgaard,Jonas Weber,2018-10-11 Questions regarding how to improve the transitional phase from prison to life in society after release have gained major importance in the last decade in criminal policy All over the world release preparation and resettlement practice are discussed with the aim to reduce negative effects of imprisonment and re offending rates Small and large reforms aiming at the improvement of release processes and reintegration strategies have taken place in many European states This book describes the current European landscape of prisoner resettlement and brings together the results and ideas of leading European academic experts with the ambition of furthering national European and international reform debates This book presents national reports about resettlement processes and structures in 20 European countries written by national scholars these reports reveal important actors in resettlement processes as well as political decisions about the role of the communities in taking the prisoners back or the use of early release as a strategy to motivate the released prisoner to enter into a future without crime Thematic chapters then concentrate on several aspects of prisoner resettlement that are of importance across borders ethical legal and practical challenges are discussed with a view on European developments and theoretical frameworks of prisoner resettlement are used to develop comprehensive perspectives for future reform debates The book serves as a fundamental source for researchers politicians and practitioners in the field of prison and probation reform and practice It is also useful in the field of social work in so far that the analyses confirm that prisoner resettlement is not just a problem of criminal but also of social justice Sustainable reforms need the will of and good cooperation between all responsible actors and organizations from the justice social health and welfare sectors as well as from society as a whole in the consent for taking released prisoners back

*Criminal and Quasi-criminal Enforcement Mechanisms in Europe* Vanessa Franssen,Christopher Harding,2022-02-24 This book looks at the interplay between criminal and other branches of public law pursuing similar objectives referred to as quasi criminal law The need for clarifying the concepts and the interlink between criminal and quasi criminal enforcement is a topic attracting a lot of discussion and debate both in academia and

practice across Europe and beyond This volume adds to this debate by bringing to light the substantive and procedural problems stemming from the current parallel or dual use of the different enforcement systems The collection draws on expertise from academia practice and policy its high quality analysis will appeal to scholars practitioners and policymakers alike

Cambridge Yearbook of European Legal Studies, Vol 14 2011-2012 Catherine Barnard,Markus Gehring,Iyiola Solanke,2012-12-20 The Cambridge Yearbook of European Legal Studies provides a forum for the scrutiny of significant issues in EU Law the law of the European Convention on Human Rights and Comparative Law with a European dimension and particularly those issues which have come to the fore during the year preceding publication The contributions appearing in the collection are commissioned by the Centre for European Legal Studies CELS Cambridge a research centre in the Law Faculty of the University of Cambridge specialising in European legal issues The papers presented are at the cutting edge of the fields which they address and reflect the views of recognised experts drawn from the University world legal practice and the institutions of both the EU and its Member States Inclusion of the comparative dimension brings a fresh perspective to the study of European law and highlights the effects of globalisation of the law more generally and the resulting cross fertilisation of norms and ideas that has occurred among previously sovereign and separate legal orders The Cambridge Yearbook of European Legal Studies is an invaluable resource for those wishing to keep pace with legal developments in the fast moving world of European integration
