## Scotlands Castles And Great Houses:

*Scotland's Castles and Great Houses* Magnus Magnusson,1981 Text and photographs trace the history of 14 Scottish castles and describe architectural features and furnishings [Great Houses of Scotland](#) Hugh Montgomery-Massingberd,Christopher Simon Sykes,1997 26 houses photographed in colour and accompanied by informative text about their history **Scotland's Castles** Janet Brennan-Inglis,2014-07-07 Scotland s Castles is a beautifully illustrated celebration and account of the renaissance of Scottish castles that has taken place since 1950 Over 100 ruined and derelict buildings from tiny towers to rambling baronial mansions have been restored as homes hotels and holiday lets These restorations have mainly been carried out by new owners without any connections to the land or the family history of the buildings which they bought as ruins Their struggles and triumphs including interviews and first person accounts form the core of the book set in the context of the enormous social political and economic changes of the late twentieth century

*Castles and Tower Houses of the Scottish Clans 1450-1650* Stuart Reid,2012-09-20 With the exception of the key royal sites such as Stirling and Edinburgh few Scottish castles were located at strategic points or were intended to house garrisons required to defend or subjugate towns Instead they were primarily fortified dwelling houses erected in an environment of weak Royal authority and endemic feuding between rival clans and groups in both Highland and Lowland areas Although some enceinte castles were developed during the 16th and 17th centuries most defensive construction focused on the tower house a distinctive vernacular style of Scottish fortification This book examines the design development and purpose of these quintessentially Scottish buildings and also covers larger sites such as Urquhart and Blackness [Gruesome Great Houses](#) Terry Deary,2017-10-05 Discover all the foul facts about fifty gruesome great houses in this brand new Horrible Histories book *Scottish Castles* Adrian Pettifer,2024-10 Gazetteer of over 500 hundred surviving Scottish Castles Discover the castles of Scotland from early motte and bailey earthworks and impressive walled enclosures to the many tower houses that dot the landscape Castles were built in increasing numbers from the 14th to the 17th century as residences for the Scottish nobility Some are still proudly occupied others are well maintained ruins many others slowly decay in fields and farmyards Here Adrian Pettifer provides a brief account of every Scottish castle to survive in a reasonable state of preservation including such iconic sites as Edinburgh Glamis and Cawdor Each of the more than five hundred main entries provides a brief history and description of a castle followed by advice on accessibility sources for further reading and cross references to related sites An introduction supplies the historical background while a glossary covers all aspects of Scottish castles in some detail Ordnance Survey references are given in the index *A History and Guide to Scottish Castles* Jenna Maxwell,2023-01-24 At one time Scotland was home to more than 4 000 castles It s an extraordinary number for such a small country and today around 3 000 still stand Some are world famous others have inspired great works of literature while others have lit up the silver screen There are grand ticketed visitor attractions but there are others which are unassuming

structures so tucked away that only the locals seem to know about them From the triangular shaped Caerlaverock Castle in Dumfries and Galloway to the imposing New Slains Castle in Aberdeenshire and from the magnificent fortress that dominates the Edinburgh skyline to the haunting battlements that stand on the banks of Loch Ness each tower tells a story every turret holds a secret and together they span centuries of fascinating Scottish history A History and Guide to Scottish Castles explores the history architecture and legends of some of these fascinating fortresses and looks at why they are so appealing to visitors today Sharing amazing facts and her own unique experiences author Jenna Maxwell takes readers on an unforgettable tour of some of Scotland s most amazing castles which if you haven t visited them already you ll soon want to Jenna has documented her journey on her Instagram page [queenofthecastles](#) *The Castles, Palaces and Prisons of Mary of Scotland* Charles Mackie,1849 **The Great North of Scotland Railway.
