North American West,
1790–1917*

Ferenc Morton Szasz

Scots In The North American West 1790 1917

James Hunter

Scots In The North American West 1790 1917:

Scots in the North American West, 1790-1917 Ferenc Morton Szasz, 2000 Scots trappers dominated the fur trade often proving more loyal to clan than to trading company or nation Relying on centuries of experience raising livestock for British markets Scottish investors and managers became highly visible in the post Civil War western cattle industry with thriving outfits such as the Swan Land and Cattle Company in Wyoming They introduced new breeds to western ranching such as the Aberdeen Angus that remain popular today Similarly Scots herders dominated the western sheep industry running herds of over 100 000 animals Andrew Little s sheep ranch in Idaho was so famous that a letter addressed simply Andy Little USA found its intended recipient White People, Indians, and Highlanders Colin G. Calloway, 2008-07-03 A comparative approach to the American Indians and Scottish Highlanders this book examines the experiences of clans and tribal societies which underwent parallel experiences on the peripheries of Britain s empire in Britain the United States and Canada The American West and the World Janne Lahti, 2018-09-21 The American West and the World provides a synthetic introduction to the transnational history of the American West Drawing from the insights of recent scholarship Janne Lahti recenters the history of the U S West in the global contexts of empires and settler colonialism discussing exploration expansion migration violence intimacies and ideas Lahti examines established subfields of Western scholarship such as borderlands studies and transnational histories of empire as well as relatively unexplored connections between the West and geographically nonadjacent spaces Lucid and incisive The American West and the World firmly situates the historical West in its proper global context *To the Ends of the Earth* T. M. Devine, 2011-10-25 The Scots are one of the world s greatest nations of emigrants For centuries untold numbers of men women and children have sought their fortunes in every conceivable walk of life and in every imaginable climate All over the British Empire the United States and elsewhere the Scottish contribution to the development of the modern world has been a formidable one from finance to industry philosophy to politics To the Ends of the Earth puts this extraordinary epic center stage taking many famous stories from the Highland Clearances and emigration to the Scottish Enlightenment and empire and removing layers of myth and sentiment to reveal the no less startling truth Whether in the creation of great cities or prairie farms the Scottish element always left a distinctive trace and Devine pays particular attention to the exceptional Scottish role as traders missionaries and soldiers This major new book is also a study of the impact of the global world on Scotland itself and the degree to which the Scottish economy was for many years an imperial economy with intimate important links through shipping engineering jute and banking to the most remote of settlements Filled with fascinating stories and an acute awareness of the poverty and social inequality that provoked so much emigration To the Ends of the Earth will make its readers think about the world in a quite different way ,

Encyclopedia of Local History Carol Kammen, Amy H. Wilson, 2012-10-12 The Encyclopedia of Local History addresses nearly every aspect of local history including everyday issues theoretical approaches and trends in the field The second

edition highlights local history practice in each U S state and Canadian province *Scottish Exodus* James Hunter,2011-03-25 Millions of Scots have left their homeland during the last 400 years Until now they have been written about in general terms Scottish Exodus breaks new ground by taking particular emigrants drawn from the once powerful Clan MacLeod and discovering what happened to them and their families These people became among other things French aristocrats Polish resistance fighters Texan ranchers New Zealand shepherds Australian goldminers Aboriginal and African American activists Canadian mounted policemen and Confederate rebels One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo This gripping account of Scotland s worldwide diaspora is based on unpublished documents letters and family histories It is also based on the author s travels in the company of today s MacLeods some of them still in Scotland others further afield Scottish Exodus is a tale of disastrous voyages famine and dispossession the hazards of pioneering on faraway frontiers But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings began **Britons to America** Mario Varricchio,2025-04-29 This book breaks new ground in the study of British emigration to the United States from the 1860s to the 1930s through the analysis of interviews with English Scottish and Welsh emigrants collected during the Great Depression era by the Federal Writers Project and mainly from the 1990s by the Ellis Island Museum fieldworkers These sources shed light on a period of massive emigration from Great Britain the first three decades of the twentieth century and the Great Depression age which has largely been neglected by researchers The volume traces the experiences of the men and women who left for America by dwelling upon the pre emigration emigration proper and post emigration phases and identifies common aspects in Britons migratory experience along with differences due to age gender and nationality The author puts to the test the widespread notions of British immigrants economic success and cultural invisibility in America and reveals evidence which clearly challenges the image of Britons as successful immigrants who blended into American society relatively quickly and easily The book will appeal to scholars researchers students and general readers in the fields of British history American history oral history and migration **Adventurers And Exiles** Marjory Harper,2010-07-23 The Scots have always been a restless people says leading Scottish historian Marjory Harper but in the nineteenth century their restlessness exploded into a sustained surge of emigration that carried Scotland almost to the top of a European league table of emigrant exporting countries This is the first book to provide a comprehensive account of that Great Exodus In many ways it challenges the popular belief that the Scottish Diaspora were reluctant exiles There were indeed those who went unwillingly through clearance kidnapping or banishment Orphans and frequently against their parents wishes children of destitute parents were exported into domestic service by well meaning institutions But there were also adventurers many with fortunes to invest who went full of hope and many who left as a response to famine or destitution did so willingly in the belief that they would improve their lot There

were temporary emigrants too off for a season s railroad building or a stretch in the East India Company ow were these people recruited Where did they embark from what was the voyage out like Where did they go And what happened when they got there From the Highlands Lowlands and islands to Canada Australia New Zealand the Caribbean Ceylon and India Harper brings alive the experience of the Scottish emigrant rawing and quoting from a vast range of contemporary letters diaries newspapers and magazines some examples are attached this rich immensely detailed and hugely rewarding book tells the stories of emigrants from diverse backgrounds as well as looking at the wider context of restless mobility that has taken Scots to England and Europe from the middle ages on *Scots in the USA* Jenni Calder,2014-02-15 The map of the United States is peppered with Scottish place names and America s telephone directories are filled with surnames illustrating Scottish ancestry Increasingly Americans of Scottish extraction are visiting Scotland in search of their family history All over Scotland and the United States there are clues to the Scottish American relationship the legacy of centuries of trade and communication as well as that of departure and heritage The experiences of Scottish settlers in the United States varied enormously as did their attitudes to the lifestyles that they left behind and those that they began anew once they arrived in North America Scots in the USA discusses why they left Scotland where they went once they reached the United States and what they did when they got there a valuable readable and illuminating addition to a burgeoning literature should be required reading on the flight to New York by all those on the Tartan Week trail Alan Taylor Sunday Herald **Western Lives** Richard W. Etulain,University of New Mexico. Center for the Southwest,2004 The life stories of many individuals are woven together to tell the history of the American West from the earliest days of westward expansion to the twentieth century *Frontier Scots* Jenni Calder,2020-05-15 Today there are up to 25 million Americans who claim to have Scottish heritage Many of these people are the descendants of Scots who journeyed to America in the 19th Century and became true pioneers in the West These men and women were real cowboys and homesteaders they were sheriffs and outlaws they mined gold and built railroads and they were among the first to conquer the frontier making lives for themselves in the wild west Most importantly they became the Scots who helped to shape the United States of America From the commended to the condemned the Scots who braved America s frontier territories have made a lasting impact on what is now the world s most powerful country This is an accurate and fascinating depiction of these people and their stories giving real insight into the lives of the frontier Scots **Scottish Diaspora** Tanja Bueltmann,2013-11-20 This introductory history of the Scottish diaspora c 1700 to 1945 explores migration Scots experiences where they landed and the reverse impact of this migration on Scotland It examines the geographies of the diaspora and key theories concepts and t **Region, Nature, Frontiers** Donna L. Potts,Amy D. Unsworth,2009-05-27 The book is a collection of sixteen essays on issues of regional and national identities and perceptions in literature ranging from South Africa to the United States Discussions include the American frontier the relationship between non fiction and place linguistic and postcolonial boundaries **Scotland No More?** Marjory

Harper, 2013-12-20 Shortlisted for Scottish History Book of the Year at the Saltire Society Literary Awards 2013 Scotland No More taps into the need we all share to know who we are and where we come from Scots have always been on the move and from all quarters we are bombarded with evidence of interest in their historical comings and goings Earlier eras have been well covered but until now the story of Scotland's twentieth century diaspora has remained largely untold Scotland No More considers the causes and consequences of the phenomenon scrutinising the exodus and giving free rein to the voices of those at the heart of the story the emigrants themselves *Scottish Romanticism and Collective Memory in the British Atlantic* McNeil Kenneth McNeil, 2020-09-04 Charts Scottish Romanticism's significant contribution to the making of collective memory in the transatlantic world Offers an in depth examination of Scottish Romantic literary ideas on memory and their influence among various cultures in the British Atlantic broken down into distinct writing modes memorials travel memoir slave narrative colonial policy paper emigrant fiction and contexts pre and post Revolution America French Canadian cultural nationalism the slavery debate immigration and colonial settlement Looks at familiar Scottish writers Walter Scott John Galt in new ways while introducing less familiar ones Anne Grant Thomas Pringle Brings Scottish Romantic literary studies into new engagements with other fields such as transatlantic and memory studies Opens up new dialogues between Scottish literature and culture and other literatures and cultures for example French Canadian Black Diaspora Indigenous Scots who were at the vanguard of British colonial expansion in North America in the Romantic period believed that their own nation had undergone an unprecedented transformation in only a short span of time Scottish writers became preoccupied with collective memory its powerful role in shaping group identity as well as its delicate fragility McNeil reveals why we must add collective memory to the list of significant contributions Scots made to a culture of modernity *Ferenc Morton Szasz: A Celebration and Selected Writings* Mark T. Banker, 2018-09-17 Ferenc Morton Szasz was a lifelong student who became a professor of history at the University of New Mexico As a one year appointment at the Albuquerque campus evolved into a forty year career Szasz glimpsed the predictable unpredictability that he would eventually discern as one of history's most enduring and elusive traits The connections and consequences along the way forged a truly exceptional life and career A master of the United States history survey Szasz enthralled and inspired tens of thousands of students with energy enthusiasm provocative insights and good will Ambitious undergraduates regularly vied with graduate students for coveted seats in his upper level courses where he offered insights into World War II American religious history and popular culture Szasz's interests he insisted were the ideas of the people and how they shift over time In an era when historical scholarship became increasingly specialized he pursued an eclectic array of research interests and challenged his doctoral students to do the same The ten selections of Szasz's writings that are the primary content of this volume balance insights into history's great moments with attention to events and details often overlooked by more conventional historians Szasz's crisp accessible prose reveals both the unique and universal in the human experience and offers heartfelt glimpses into humanity's

paradoxical promises and perils Back cover Frontier Cattle Ranching in the Land and Times of Charlie Russell Warren M. Elofson, 2004-04-28 In *Frontier Cattle Ranching in the Land and Times of Charlie Russell* Warren Elofson debunks the myth of the American wild west and the Canadian mild west by demonstrating that cattlemen on both sides of the forty ninth parallel shared a common experience Focusing on Montana Southern Alberta Southern Saskatchewan and the well known figure of Charlie Russell an artist and storyteller from that era who spent time on both sides of the border Elofson examines the lives of cowboys and ranch owners looking closely at the prevalence of drunkenness prostitution gunplay rustling and vigilante justice in both Canada and the United States

Scottish Ethnicity and the Making of New Zealand Society, 1850-1930 Tanja Buelmann, 2011-07-07 The Scots accounted for around a quarter of all UK born immigrants to New Zealand between 1861 and 1945 but have only been accorded scant attention in New Zealand histories specialist immigration histories and Scottish Diaspora Studies This is peculiar because the flow of Scots to New Zealand although relatively unimportant to Scotland constituted a sizable element to the country's much smaller population Seen as adaptable integrating relatively more quickly than other ethnic migrant groups in New Zealand the Scots presence was obscured by a fixation on the romanticised shortbread tin facade of Scottish identity overseas Uncovering Scottish ethnicity from the verges of nostalgia this study documents the notable imprint Scots left on New Zealand It examines Scottish immigrant community life culture and identity between 1850 and 1930

American Exceptionalism Sylvia Söderlind, James Taylor Carson, 2011-12-16 An incisive and wide ranging look at a powerful force and myth in American culture and history *American Exceptionalism* reveals the centuries old persistence of the notion that the United States is an exceptional nation in being both an example to the world and exempt from the rules of international law Scholars from North America and Europe trace versions of the rhetoric of exceptionalism through a multitude of historical cultural and political phenomena from John Winthrop's vision of the city on a hill and the Salem witch trials in the seventeenth century to The Blair Witch Project and Oprah Winfrey's Child Predator Watch List in the twenty first century The first set of essays focus on constitutive historical moments in the development of the myth from early exploration narratives through political debates in the early republic to twentieth century immigration debates The latter essays address the role of exceptionalism in the war on terror and such cornerstones of modern popular culture such as the horror stories of H P Lovecraft the songs of Steve Earle and the Oprah Winfrey show Sylvia Söderlind is Associate Professor of English Language and Literature at Queen's University Kingston Ontario Canada She is the author of *Margin Alias Language and Colonization in Canadian and Québécois Fiction* Toronto University of Toronto Press 1991 and articles on American Canadian and Québécois fiction ghostmodernism and translation and the politics of metaphor published in among others *Canadian Review of Comparative Literature* *Ariel* *Essays in Canadian Writing* *Voix et images* *RS SI New Feminism Review* *Japan ARTES* Sweden James Taylor Carson is Professor of History and Associate Dean in the Faculty of Arts and Science at Queen's University Kingston Ontario Canada His scholarship focuses on

the ethnohistory of native peoples in the American South and he has published two books on the subject *Searching for the Bright Path: The Mississippi Choctaws from Prehistory to Removal* (Lincoln: University of Nebraska Press, 1999) and *Making an Atlantic World: Circles, Paths, and Stories from the Colonial South* (Knoxville: University of Tennessee Press, 2007).
