Scots Literary Tradition

Jean Delisle, Judith Woodsworth

Scots Literary Tradition:

The Individual and the Twentieth-century Scottish Literary Tradition Duncan Glen, 1971 **The Scots Literary Tradition** John Speirs, 1962 **The New Cambridge Bibliography of English Literature: Volume 1, 600-1660** George Watson, Ian Roy Willison, 1974-08-29

More than fifty specialists have contributed to this new edition of volume 1 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

"Plastic Scots" and the Scottish Literary Tradition Douglas Young, 1949 *The Scots' Literary Tradition* John Speirs, 2007-03

PREFACE

THE Author of this very practical treatise on Scotch Loch Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general.

This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the care of the publishers will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written and well said and written too on the art of fishing but loch fishing has been rather looked upon as a second rate performance and to dispel this idea is one of the objects for which this present treatise has been written.

Far be it from us to say anything against fishing lawfully practised in any form but many pent up in our large towns will bear us out when we say that on the whole a days loch fishing is the most convenient. One great matter is that the loch fisher is dependent on nothing but enough wind to curl the water and on a large loch it is very seldom that a dead calm prevails all day and can make his arrangements for a day weeks beforehand whereas the stream fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river it is quite another matter to arrange for a days river fishing if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day and the water in order but experience has taught most of us that the good days are in the minority and that as is the case with our rapid running streams such as many of our northern streams are the water is either too large or too small unless as previously remarked you live near at hand and can catch it at its best.

A common belief in regard to loch fishing is that the tyro and the experienced angler have nearly the same chance in fishing the one from the stern and the other from the bow of the same

boat Of all the absurd beliefs as to loch fishing this is one of the most absurd Try it Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy or even a cast similar to those which a crack may be using and if he catches one for every three the other has he may consider himself very lucky Of course there are lochs where the fish are not abundant and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught and where each has a fair chance Again it is said that the boatman has as much to do with catching trout in a loch as the angler Well we dont deny that In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream fishing Intending Scotland Cairns Craig,2020-03-31 A major reconsideration of our understanding of the development of Scottish culture from the Enlightenment to the present day Beyond Scotland ,2021-09-20 Scottish creative writing in the twentieth century was notable for its willingness to explore and absorb the literatures of other times and other nations From the engagement with Russian literature of Hugh MacDiarmid and Edwin Morgan through to the interplay with continental literary theory Scottish writers have proved active participants in a diverse international literary practice Scottish criticism has arguably often been slow in appreciating the full extent of this exchange Preoccupied with marking out its territory with identifying an independent and distinctive tradition Scottish criticism has occasionally blinded itself to the diversity and range of its writers In stressing the importance of cultural independence it has tended to overlook the many virtues of interdependence The essays in this book aim to offer a corrective view They celebrate the achievement of Scottish writing in the twentieth century by offering a wider basis for appreciation than a narrow idea of Scottishness Each essay explores an aspect of Scottish writing in an individual foreign perspective together they provide an enriching account of a national literary practice that has deep and often surprisingly complex roots in international culture

Focus on Scotland Manfred Görlach,1985-01-01 This collection comprises 15 essays ranging from the social history of and attitudes towards Scots to the representation of Scottishness in literary language and to modern sociolinguistic work The uniqueness of the historical and present day linguistic situation in Scotland makes the volume of particular concern not only to Scotophiles but also to linguists interested in bidialectalism language planning literary dialect urban surveys and language and education The authors include linguistist Scotland England the United States Scandinavia and Germany Literature and Union Gerard Carruthers,Colin Kidd,2018-01-05 Literature and Union opens up a new front in interdisciplinary literary studies There has been a great deal of academic work both in the Scottish context and more broadly on the relationship between literature and nationhood yet almost none on the relationship between literature and unions This volume introduces the insights of the new British history into mainstream Scottish literary scholarship The contributors who are from all shades of the political spectrum will interrogate from various angles the assumption of a binary opposition between organic Scottish values and those supposedly imposed by an overbearing imperial England Viewing Scottish literature as a clash between Scottish and English identities loses sight of the internal Scottish political and religious divisions which far more than issues

of nationhood and union were the primary sources of conflict in Scottish culture for most of the period of Union until at least the early twentieth century The aim of the volume is to reconstruct the story of Scottish literature along lines which are more historically persuasive than those of the prevailing grand narratives in the field The chapters fall into three groups 1 those which highlight canonical moments in Scottish literary Unionism John Bull Rule Britannia Humphry Clinker Ivanhoe and England their England 2 those which investigate key themes and problems including the Unions of 1603 and 1707 Scottish Augustanism the Burns Cult Whig Presbyterian and sentimental Jacobite literatures and 3 comparative pieces on European and Anglo Irish phenomena

A Companion to Scottish Literature Gerard Carruthers, 2023-12-08 A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present Bringing together contributions by many of the world's leading experts in the field this comprehensive resource provides the historical background of Scottish literature highlights new critical approaches and explores wider cultural and institutional contexts Dealing with texts in the languages of Scots English and Gaelic the Companion offers modern perspectives on the historical milieu thematic contexts and canonical writers of Scottish literature Original essays apply the most up to date critical and scholarly analyses to a uniquely wide range of topics such as Gaelic literature national and diasporic writing children's literature Scottish drama and theatre gender and sexuality and women's writing Critical readings examine William Dunbar Robert Burns Walter Scott Robert Louis Stevenson Muriel Spark and Carol Ann Duffy amongst others With full references and guidance for further reading as well as numerous links to online resources A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature as well as academic and non academic readers with an interest in the subject

Scottish Gothic Carol Margaret Davison, 2017-03-08 Written from various critical standpoints by internationally renowned scholars Scottish Gothic An Edinburgh Companion interrogates the ways in which the concepts of the Gothic and Scotland have intersected and been manipulated from the mid eighteenth century to the present day This interdisciplinary collection is the first ever published study to investigate the multifarious strands of Gothic in Scottish fiction poetry theatre and film Its contributors all specialists in their fields combine an attention to socio historical and cultural contexts with a rigorous close reading of works both classic and lesser known produced between the eighteenth and twenty first centuries

Edinburgh History of the Book in Scotland, Volume 3: Ambition and Industry 1800-1880 Bill Bell, 2007-11-23 Throughout the nineteenth century Scotland was transformed from an agricultural nation on the periphery of Europe to become an industrial force with international significance A landmark in its field this volume explores the changes in the Scottish book trade as it moved from a small scale manufacturing process to a mass production industry This book brings together the work of over thirty leading experts to explore a broad range of topics that include production technology bookselling and distribution the literary market reading and libraries and Scotland's international relations

Contemporary Scottish Literature Matt McGuire, 2008-11-24 This Guide examines the critical

construction of the genre of contemporary Scottish literature and assesses the critical responses to a wide range of contemporary Scottish fiction poetry and drama The Guide is structured thematically with each chapter addressing a specific area of debate within the field of contemporary Scottish Studies

The Oxford Critical and Cultural History of Modernist Magazines Peter Brooker, Andrew Thacker, 2009-03-26 The first full study of the role of little magazines and their contribution to the making of artistic modernism A major scholarly achievement of immense value to teachers researchers and students interested in the material culture of the first half of the 20th century and the relation of the arts to social modernity

Translators through History Jean Delisle, Judith Woodsworth, 2012-07-05 Acclaimed when it first appeared as a seminal work a groundbreaking book that was both informative and highly readable Translators through History is being released in a new edition substantially revised and expanded by Judith Woodsworth Translators have played a key role in intellectual exchange through the ages and across borders This account of how they have contributed to the development of languages the emergence of literatures the dissemination of knowledge and the spread of values tells the story of world culture itself Content has been updated new elements introduced and recent directions in translation scholarship incorporated providing fresh insights and a more nuanced view of past events The bibliography contains over 100 new titles and illustrations have been refreshed and enhanced An invaluable tool for students scholars and professionals in the field of translation the latest version of Translators through History remains a vital resource for researchers in other disciplines and a fascinating read for the wider public

A Critical History of English Literature, Vol. 2 David Daiches, 1979

The Princeton Handbook of World Poetries Roland Greene, Stephen Cushman, 2016-11-15 An authoritative and comprehensive guide to poetry throughout the world The Princeton Handbook of World Poetries drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics provides a comprehensive and authoritative survey of the history and practice of poetry in more than 100 major regional national and diasporic literatures and language traditions around the globe With more than 165 entries the book combines broad overviews and focused accounts to give extensive coverage of poetic traditions throughout the world For students teachers researchers poets and other readers it supplies a one of a kind resource offering in depth treatment of Indo European poetries all the major Celtic Slavic Germanic and Romance languages and others ancient Middle Eastern poetries Hebrew Persian Sumerian and Assyro Babylonian subcontinental Indian poetries Bengali Hindi Marathi Punjabi Sanskrit Tamil Urdu and more Asian and Pacific poetries Chinese Japanese Korean Vietnamese Mongolian Nepalese Thai and Tibetan Spanish American poetries those of Mexico Peru Argentina Chile and many other Latin American countries indigenous American poetries Guaran Inuit and Navajo and African poetries those of Ethiopia Somalia South Africa and other countries and including African languages English French and Portuguese Complete with an introduction by the editors this is an essential volume for anyone interested in understanding poetry in an international context Drawn from the latest edition of the acclaimed Princeton Encyclopedia of

Poetry and Poetics Provides more than 165 authoritative entries on poetry in more than 100 regional national and diasporic literatures and language traditions throughout the world Features extensive coverage of non Western poetic traditions Includes an introduction bibliographies cross references and a general index *Modern Irish and Scottish Poetry* Peter Mackay, Edna Longley, Fran Brearton, 2011-04-14 The comparative study of the literatures of Ireland and Scotland has emerged as a distinct and buoyant field in recent years This collection of new essays offers the first sustained comparison of modern Irish and Scottish poetry featuring close readings of texts within broad historical and political contextualisation Playing on influences crossovers connections disconnections and differences the affinities and opposites traced in this book cross both Irish and Scottish poetry in many directions Contributors include major scholars of the new archipelagic approach as well as leading Irish and Scottish poets providing important insights into current creative practice Poets discussed include W B Yeats Hugh MacDiarmid Sorley MacLean Louis MacNeice Edwin Morgan Douglas Dunn Seamus Heaney Ian Hamilton Finlay Michael Longley Medbh McGuckian Nuala ni Dhomhnaill Don Paterson and Kathleen Jamie This book is a major contribution to our understanding of poetry from these islands in the twentieth and twenty first centuries Questioning Scotland E. Bell, 2004-09-20 Questioning Scotland considers the ways in which Scottish Literature has often been discussed in parochial essentialist terms It suggests that Scottish literary studies must now expand its conceptual boundaries in order to account for changes taking place at wider European and global levels It is literary based but also scrutinizes the methodological construction process of national traditions Drawing on wider theories of postmodernism post nationalism and globalism it will help map the changing nature of national studies and Scottish studies in particular **Edinburgh History of Scottish Literature: Modern Transformations: New Identities (from 1918)** Ian Brown, 2006-11-13 In almost a century since the First World War ended Scotland has been transformed in many rich ways Its literature has been an essential part of that transformation The third volume of the History explores the vibrancy of modern Scottish literature in all its forms and languages Giving full credit to writing in Gaelic and by the Scottish diaspora it brings together the best contemporary critical insights from three continents It provides an accessible and refreshing picture of both the varieties of Scottish literatures and the kaleidoscopic versions of Scotland that mark literary developments since 1918
