Scottish Catholic Secular Clergy 1879 1989:

Scottish Catholic Secular Clergy, 1879-1989 Christine Johnson,1991 In 1878 the Hierarchy was restored to the Roman Catholic Church in Scotland Dioceses were created and archbishops and bishops replaced the old vicars apostolic This book provides a biographic dictionary of the secular priests who have served in these dioceses It takes each diocese in turn and includes both priests ordained for that diocese after 1878 and those lent to it *Land, Faith and the Crofting Community* Allan W. MacColl,2006-04-20 This book probes the deep rooted links between the land the people and the religious culture of the Scottish Highlands and Islands in the nineteenth century The responses of the clergy to the social crisis which enveloped the region have often been characterised as a mixture of callous indifference cowering deference or fatalistic passivity Allan MacColl s pioneering research challenges such stereotypical representations of Highland ministers head on *Land Faith and the Crofting Community* is the first full scale examination of Christian social teaching in the nineteenth century Gaidhealtachd and addresses a major gap in the historical understanding of Gaelic society Seeking to lay bare the existing myths by a wide ranging analysis of all the denominational theological and social factors at play this study boldly overturns the received scholarly and popular interpretations A ground breaking work it explores a substantial but under utilised field of evidence and questions whether or not Highland Christians both clergy and laity were committed to land reform as an engine of social improvement and conciliation The Christian contribution to the development of a distinctively Highland identity which found expression during the Crofters War of the 1880s is delineated while wider links between theology and social philosophy are examined from beyond the perspective of the Highlands *Northern Scotland* ,1993 **Children of the Fasti** Brian J ORR,2013 A review of the Fasti Ecclesiae Scoticae the succession of ministers of the Church of Scotland and the contribution they and their children made to Scotland Britain and the British Empire 1560 1929 The outcome is a big what if they had not been around to pull the chestnuts out of the fire **Dictionary of Scottish Church History & Theology** Nigel M. de S. Cameron,1993 **The Grand Designer** Rosemary Hannah,2012-07-30 When the third Marquess of Bute 1847 1900 met the renowned Gothic designer William Burges it marked the start of a lifetime s collaboration with architects and artists producing work ranging from the High Victorian Gothic exuberance of Cardiff Castle and Castell Coch to the ostentation of Mount Stuart on the Isle of Bute and the sumptuous restoration of the Renaissance Falkland Palace This fascinating biography tells the story of a rich eccentric whose learning insight and kindness produced extraordinary results in architecture and life a man who combined being amongst the richest men of the age with artistic patronage of an almost incomprehensible scale *English and Welsh Priests, 1801-1914* ,1993 **Scottish Life and Society: Religion** ,2000 *Records* Scottish Church History Society,1994 *Scottish Economic & Social History* ,1994 *Scotland* Dennis Smith,Paul Barnaby,Ulrike Morét,1998 Scotland is probably the only sovereign nation to have chosen in a more or less free vote to surrender its independence in order to merge with a larger more powerful neighbour For most of the period since the

Union of 1707 the Scots were enthusiastic partners with England in creating and administering the British Empire Inevitably therefore the end of empire caused an identity crisis in Scotland For more than a Century pressure for political home rule produced no tangible results Aberdeen University Review ,1993 **The British National Bibliography** Arthur James Wells,1992 **Cumulative Bibliography of Victorian Studies** ,1970 The Innes Review ,1999 RIC. ,1992 **Annual Bibliography of British and Irish History** ,1992 *Scotia* ,1992 The Cross on the Sword Tom Johnstone,James Hagerty,1996 This work charts the contribution made by Catholic chaplains to the life of the British armed forces during conflicts of the last 200 years The book covers experiences of chaplains in each of the three forces and includes stories of their different adventures *Writings on Irish History* ,1991
