the Melting Pot Cuisine Uma Aggarwal,2016-11-10 America is called a melting pot of all cultures As the immigration of
 different cultures continue to flood this land of opportunity a revolution is taking place in the fusion of their cultures and
 cuisines This transformation has been very prominent in the last 50 years and it is clearly visible in the emerging American
 cuisine Practically this cuisine has fused to become a spectacular global cuisine In my book I am not only giving the recipes
 that we love so dearly but also tried to emphasize the history and origin of these recipes and describe the use of healthful
 ingredients and spices to prolong your life We have to watch what we eat I am trying to bring this point to the attention of
 the reader that according to ancient Indian treatises and modern scientific research it is established that the use of spices is
 not only for taste but it is for their hidden meaning They have anti carcinogenic properties and their use is very important to
 maintain a good healthy lifestyle Americans are heavily ridden with obesity heart diseases diabetes breast cancer and many
 other diseases Being an American East Indian pioneer with my east Indian wisdom of Ayurvedas my idea is to make these
 exotic recipes as healthy as possible by using these spices I have also tried to capture and write the history and origin of
 these recipes My basic point of view is that to make the food delicious use fresh ingredients herbs and spices and do not try
 to over load them with various cheeses creams sugars and lards to make them delicious You are what you eat Most of these
 foreign recipes have historical dimensions and origin They have now shaped themselves gradually to suit the American pallet
 and have become an integral part of American cuisine We can make them equally delicious by wisely using healthful
 ingredients In order to make these books interesting and enjoyable they are written with easy step by step instructions I am
 hopeful that these books Americas Favorite Recipes Part I Part II and Part III will soon become your favorite coffee table
