

Scottsboro Case

Larry Dane Brimner

Scottsboro Case:

The Scottsboro Case Sabrina Crewe, Michael V. Uschan, 2004-12-15 Describes how nine young men arrested in Alabama struggled to prove their innocence after being convicted of rape and held in prison for many years **Scottsboro and Its Legacy** James R. Acker, 2007-11-30 Nine black teenagers were accused of raping two white women on a train in 1931 in northern Alabama They were arrested tried convicted and sentenced to death in the town of Scottsboro in little more than two weeks The Scottsboro Boys case rapidly captured public attention and became a lightning rod for fundamental issues of social justice including racial discrimination class oppression and legal fairness Involving years of appeals the Scottsboro trials resulted in two landmark U S Supreme Court rulings and were a vortex for the sometimes competing interests of the American Communist Party the NAACP and the young men themselves The cases resulted in a damning portrayal of southern justice and corresponding social mores in several national and international media outlets and in a spirited defense of the judicial system and prevailing cultural norms in other news reports particularly in the South Here Acker details the alleged crimes their legal aftermath and their immediate and enduring social significance as evidenced in media portrayals and other forms of popular culture Using extensive media reports including contemporaneous newspaper accounts and interpretations of the proceedings as well as the sallies of champions of various organizations and social causes the author illustrates the role of the media in the cases and the effect the cases had on society at the time In addition to tracing the history of the cases and their media portrayal the book explores the legacy of the Scottsboro trials and appeals It examines several issues relevant to the cases that even today have enduring significance to law and popular perceptions of justice including capital punishment racial discrimination innocence the composition and functioning of trial juries the quality of legal counsel for indigents evidentiary issues in rape cases and media interactions with the courts More than a true crime tale this book takes readers through the crime but also illustrates its enduring legacy Remembering Scottsboro James A. Miller, 2009 How one of the greatest miscarriages of justice in the United States continues to haunt the nation's racial psyche In 1931 nine black youths were charged with raping two white women in Scottsboro Alabama Despite meager and contradictory evidence all nine were found guilty and eight of the defendants were sentenced to death making Scottsboro one of the worst travesties of justice to take place in the post Reconstruction South Remembering Scottsboro explores how this case has embedded itself into the fabric of American memory and become a lens for perceptions of race class sexual politics and justice James Miller draws upon the archives of the Communist International and NAACP contemporary journalistic accounts as well as poetry drama fiction and film to document the impact of Scottsboro on American culture The book reveals how the Communist Party NAACP and media shaped early images of Scottsboro looks at how the case influenced authors including Langston Hughes Richard Wright and Harper Lee shows how politicians and Hollywood filmmakers invoked the case in the ensuing decades and examines the defiant sensitive and savvy correspondence of Haywood Patterson one of the accused who fled the Alabama

justice system Miller considers how Scottsboro persists as a point of reference in contemporary American life and suggests that the Civil Rights movement begins much earlier than the Montgomery Bus Boycott of 1955 Remembering Scottsboro demonstrates how one compelling provocative and tragic case still haunts the American racial imagination

Stories of Scottsboro James Goodman, 2013-10-30 From the Pulitzer Prize nominated author of *But Where Is the Lamb* comes a grippingly narrated work of history and edge of the seat reportage Chicago Tribune that tells the story of a case that marked a watershed in American racial justice To white Southerners it was a heinous and unspeakable crime that flouted a taboo as old as slavery To the Communist Party which mounted the defense the Scottsboro case was an ideal opportunity to unite issues of race and class To jury after jury the idea that nine black men had raped two white women on a train traveling through northern Alabama in 1931 was so self evident that they found the Scottsboro boys guilty even after the U S Supreme Court had twice struck down the verdict and one of the victims had recanted This innovative work tells several stories For out of dozens of period sources *Stories of Scottsboro* re creates not only what happened at Scottsboro but the dissonant chords it struck in the hearts and minds of an entire nation

An Appeal for Justice John F. Wukovits, 2011-11-14 In 1931 nine African American teens were accused of raping two white women on a train traveling between Chattanooga and Memphis During the first trial in Scottsboro all of the defendants were tried convicted and sentenced to death despite medical evidence supporting their innocence Subsequent appeals of this verdict turned the Scottsboro case into a high profile example of the injustices that the African American community experienced at the hands of the American judicial system This informative edition takes a critical look at the story of the Scottsboro Boys and the controversial train ride that sparked outrage across the nation

The Scottsboro Boys in Their Own Words Kwando M. Kinshasa, 2014-01-28 This is a collection of letters written by the nine African American defendants in the infamous March 1931 Scottsboro Alabama rape case Though most of the defendants were barely literate and all were teenagers when incarcerated over the course of almost two decades in prison they learned the rudiments of effective letter writing and in doing so forcefully expressed a wide range of perspectives on the falsity of the charges against them as their incarceration became a cause celebre both in the United States and internationally Central to this book is the chronologically structured presentation of letters 1931 1950 including some correspondence from attorneys and members of Scottsboro support committees The original grammar syntax and vernacular of the defendants are maintained in a desire to preserve the authenticity of these letters

Scottsboro, Alabama Lin Shi Khan, Ralph Austin Perez, Tony Perez, 2002 Presents 118 linoleum prints that tell the story of the controversial 1931 Scottsboro case in which nine young black men were convicted of rape and then eight of them sentenced to death

The Last of the Scottsboro Boys Clarence Norris, Sybil D. Washington, 1979 Autobiography of the only survivor of the Scottsboro Boys whose trials made headlines for years and resulted in one of the worst miscarriages of justice in American history

Scottsboro Boys David Cates, 2012-01-01 This title examines an important historic event the trials of the nine

Scottsboro Boys that took place in Alabama Easy to read compelling text explores the history of America at the time of the trials the accounts of the nine men on trial regarding their train ride from Tennessee to Alabama their sentences and the effects of this event on society Readers will learn about the Great Depression the Jim Crow south lynching the Ku Klux Klan and the black codes that were all part of the atmosphere at this time Features include a table of contents glossary selected bibliography Web links source notes and an index plus a timeline and essential facts Aligned to Common Core Standards and correlated to state standards Essential Library is an imprint of Abdo Publishing a division of ABDO

Accused! Larry Dane Brimmer, 2020-05-26 This chilling and harrowing account tells the story of the Scottsboro Boys nine African American teenagers who when riding the rails during the Great Depression found their lives destroyed after two white women falsely accused them of rape Award winning author Larry Dane Brimmer explains how it took more than eighty years for their wrongful convictions to be overturned In 1931 nine teenagers were arrested as they traveled on a train through Scottsboro Alabama The youngest was thirteen and all had been hoping to find something better at the end of their journey But they never arrived Instead two white women falsely accused them of rape The effects were catastrophic for the young men who came to be known as the Scottsboro Boys Being accused of raping a white woman in the Jim Crow south almost certainly meant death either by a lynch mob or the electric chair The Scottsboro boys found themselves facing one prejudiced trial after another in one of the worst miscarriages of justice in U S history They also faced a racist legal system all white juries and the death penalty Noted Sibert Medalist Larry Dane Brimmer uncovers how the Scottsboro Boys spent years in Alabama s prison system enduring inhumane conditions and torture The extensive back matter includes an author s note bibliography index and further resources and source notes

Scottsboro Unmasked Peggy Allen Towns, 2018-02-20 What is the picture of inequality Is it race gender ethnicity age or place Time and time again our American history gives us the answer to that age old question In 1933 attorney Samuel Leibowitz argued that it was disparity in the jury pool and the innocence of nine Sadly the horrible malignancy of racism continues to exist and is the primary root of many prejudices and inequalities in our country today This powerful historical narrative paints an amazing picture of the color line and the incredible bravery of people who took a stand for justice The author resurrects the voices and the infamous case of the Scottsboro Nine Their unmasked stories unfold against the backdrop of an economically depressed town energized with an inferno of bigotry and violence This groundbreaking research presents the courage of fearless men who rattled Americas conscience by challenging decades of discrimination and injustices within Alabamas legal system On the other hand the book reveals the sentiment of those who embraced the Old Souths ideology of inequality and exclusiveness which put at risk the lives of nine innocent victims young men who changed Americas judicial system Fiat justitia ruat coelum this is Latin for Let justice be done though the heavens may fall These are words that my grandfather Judge James E Horton learned at his mothers knee It seems he followed those wise words as he set aside the verdict and death sentence and ordered a new trial for Haywood Patterson

Though his decision cost him the next election there were never any regrets John Temple Graves a Birmingham columnist wrote of him He does the right thing as he sees it with no particular sense of the scene about him but with an enormous sense of right doing ancestors gone and example bound descendants to come His social conscience is vertical rather than horizontal We are the beneficiaries of his vertical conscience and I hope we will all strive to live by his example Kathy Horton Garrett Judge Hortons granddaughter *The Trial of the Scottsboro Boys* David Aretha,2007 In 1931 while America was in the grips of the Great Depression nine young black men fought with a group of white men while hoboing on a train near Scottsboro Alabama When police arrived to arrest them at the train s next stop the nine knew they were in trouble but they had no idea just how much Unbeknownst to them two women who were also aboard the train told the police that the nine black men had assaulted and raped them Evidence suggested that there was little truth to this accusation but local police and citizenry enraged at the idea of black men violating white women immediately rounded up and arrested the nine black men dubbing them the Scottsboro Boys The Boys were quickly found guilty and sentenced to die in subsequent trials but the lack of convincing evidence and the blatant injustice of the rushed trials outraged people nationwide Soon the Scottsboro Boys were being fought for by the NAACP socialists and even President Franklin Roosevelt They were all up against a powerful enemy the deeply corrupt and racist justice system of Jim Crow era Alabama The trials and struggles for justice would carry on for years and change the face of justice and civil rights in America Book jacket **The Scottsboro Boys** Duchess Harris,Tom Head,2018-12-15 In 1931 nine black teenagers were arrested in Alabama The young men were accused of crimes they did not commit including rape This unjust arrest led to years of imprisonment and trials for the young men who were known as the Scottsboro Boys The Scottsboro Boys examines their legacy and how their trials shaped the criminal justice system Aligned to Common Core Standards and correlated to state standards Core Library is an imprint of Abdo Publishing a division of ABDO Scottsboro Dan T. Carter,2007-09 Scottsboro tells the riveting story of one of this country s most famous and controversial court cases and a tragic and revealing chapter in the history of the American South In 1931 two white girls claimed they were savagely raped by nine young black men aboard a freight train moving across northeastern Alabama The young men ranging in age from twelve to nineteen were quickly tried and eight were sentenced to death The age of the defendants the stunning rapidity of their trials and the harsh sentences they received sparked waves of protest and attracted national attention during the 1930s Originally published in 1970 Scottsboro triggered a new interest in the case sparking two film documentaries several Hollywood docudramas two autobiographies and numerous popular and scholarly articles on the case In his new introduction Dan T Carter looks back more than thirty five years after he first wrote about the case asking what we have learned that is new about it and what relevance the story of Scottsboro still has in the twenty first century **The Scottsboro Boys Trial** Lita Sorensen,2004 Looks at the case of nine black teenagers who were tried and convicted of raping two young white women in Alabama in 1931 a crime that never occurred and an accusation which

engendered a controversy that swept the country *The Scottsboro Boys* James Haskins,1994 This landmark case which took place in the South is discussed in detail because justice was dispensed in a terrible manner *Scottsboro Boy* Haywood Patterson,Earl Conrad,1950 The story of Haywood Patterson one of the central figures in the Scottsboro case

Scottsboro: A Novel Ellen Feldman,2009-05-20 Intertwining historical actors and fictional characters Scottsboro is a powerful novel about race class sex and a lie that refuses to die A "Scottsboro" Case in Mississippi Richard C. Cortner,1986 This absorbing book is a systematic analysis of the litigation in *Brown v Mississippi* in which the Supreme Court made a pathbreaking decision in 1936 showing the unconstitutionality of coerced confessions The case exonerated Ed Brown Henry Shields and Arthur Yank Ellington three black sharecroppers who had confessed under torture to the murder of a white planter This case similar to the notorious Scottsboro case in Alabama paved the way for the controversial MIRANDA decision thirty years later This book presents a dramatic story of both tragedy and triumph one in which human nature is revealed at its best and at its worst with courage decency and self sacrifice contrasting sharply with bigotry brutality and indifference Ultimately however A Scottsboro Case in Mississippi is an account of how the Supreme Court came to make a precedent setting decision enhancing the protection of liberty under the Constitution *The Man from Scottsboro* Kwando Mbiassi Kinshasa,2002-12-16 In March 1931 Clarence Norris a self described hobo and eight other black men were arrested in Paint Rock Alabama and charged with raping two white girls who were also hoboes on the train he was riding The one day trial of the nine men better known as the Scottsboro Boys resulted in conviction and the death sentence despite a paucity of evidence Though later pardoned Norris spent 13 years in jail He died in 1989 Clarence Norris s description of his arrest trial and sentencing is both tragic and inspirational His letters to his family attorneys and supporters show his spirit as he struggled against a biased judicial system A lengthy 1980 interview with Norris is supplemented by contemporary newspaper accounts of the trial articles by Supreme Court Justice Felix Frankfurter and Alabama Appeals Court Judge James E Horton and legal opinions of the defendants attorney Samuel S Leibowitz

Enjoying the Tune of Expression: An Emotional Symphony within **Scottsboro Case**

In a world consumed by displays and the ceaseless chatter of instant connection, the melodic splendor and mental symphony produced by the prepared term frequently disappear in to the background, eclipsed by the constant noise and interruptions that permeate our lives. However, situated within the pages of **Scottsboro Case** a wonderful literary value filled with fresh feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, that charming masterpiece conducts visitors on a psychological journey, well unraveling the concealed melodies and profound impact resonating within each carefully crafted phrase. Within the depths of the emotional review, we will explore the book is central harmonies, analyze its enthralling writing model, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
