*The Child's Song* Donald Capps, 1995-01-01 Theological ideas and biblical injunctions have frequently been employed to legitimate the physical abuse of children Some theological ideas are inherently abusive because they create fear in a child's mind causing a child to feel alone odd and of little worth Donald Capps exposes the abuses that theology and the Bible have inflicted on vast numbers of children In particular he is concerned with the hidden abuses of children by well intentioned adults and the role that religion plays in the legitimization of these abuses

**A Bright Red Scream** Marilee Strong, 1999-10-01 I highly recommend *A Bright Red Scream* because it's beautifully written and so candid Amy Adams star of HBO's *Sharp Objects* in *Entertainment Weekly* Self mutilation is a behavior so shocking that it is almost never discussed Yet estimates are that upwards of eight million Americans are chronic self injurers They are people who use knives razor blades or broken glass to cut themselves Their numbers include the actor Johnny Depp *Girl Interrupted* author Susanna Kaysen and the late Princess Diana Mistakenly viewed as suicide attempts or senseless masochism even by many health professionals cutting is actually a complex means of coping with emotional pain Marilee Strong explores this hidden epidemic through case studies startling new research from psychologists trauma experts and neuroscientists and the heartbreaking insights of cutters themselves who range from troubled teenagers to middle age professionals to grandparents Strong explains what factors lead to self mutilation why cutting helps people manage overwhelming fear and anxiety and how cutters can heal both their internal and external wounds and break the self destructive cycle *A Bright Red Scream* is a groundbreaking essential resource for victims of self mutilation their families teachers doctors and therapists

*Reflective Interpersonal Therapy for Children and Parents* Hermione

Roff,2008-04-30 Disruptive and aggressive behaviour in children causes significant distress to everyone involved Tradition interventions tend to focus on changing the disruptive behaviour itself but research shows that it is important to also focus on the underlying anxiety anger and vulnerability that may have contributed to the child s conduct In this innovative book Hermione Roff introduces Reflective Interpersonal Therapy for Children and Parents RICAP a new intervention that looks at the processes underpinning disruptive and aggressive behaviour problems RICAP was developed specifically to meet the needs of children and their families and offers a new way to think about and tackle conduct disorders The intervention explores the relationship between anxiety and anger the dynamics of threat and fear and the behavioural interactions within a prime relationship Taking a practitioner oriented approach Roff introduces the theory underpinning RICAP the evidence base for the approach and how it can be put to work in clinical practice

**Chasing the Scream** Johann Hari,2015-01-20 January 2015 will mark a century of the war on drugs in the United States one hundred years since the first arrests under the Harrison Act Facing down this anniversary Johann Hari was witnessing a close relative and an ex boyfriend bottoming out on cocaine and heroin But what was the big picture in the war on drugs Why does it continue when most people now think it has failed The reporter set out on a two year 20 000 mile journey through the theater of this war to find out how it began how it has affected people around the world and how we can move beyond it Chasing the Scream is fueled by dramatic personal stories of the people he meets along the way A transsexual crack dealer in Brooklyn who wanted to know who killed her mother and a mother in Mexico who spent years tracking her daughter s murderer across the desert A child smuggled out of the Jewish ghetto during the Holocaust who helped unlock the scientific secrets of addiction A doctor who pushed the decriminalization in Portugal of all drugs from cannabis to crack The title itself comes from a formative story of Harry Anslinger first commissioner of the Federal Bureau of Narcotics sent as a boy to the pharmacy for a neighbor screaming in withdrawal an experience which led him to fear drugs without regard to context Always we come back to the front lines in the U S where we instigated the war and exported it around the globe but where change is also coming Powerful propulsive and persuasive Chasing the Scream is the page turning story of a century long mistake which shows us the way to a more humane future
