Spain, as it is G. A. Hoskins,1852 *The Independent* ,1890 **Inconvenient People** Sarah Wise,2014-07-15 The phenomenon of false allegations of mental illness is as old as our first interactions as human beings Every one of us has described some other person as crazy or insane and most all of us have had periods moments at least of madness But it took the confluence of the law and medical science mad doctors alienists priests and barristers to raise the matter to a level of science capable of being used by conniving relatives designing families and scheming neighbors to destroy people who found themselves in the way people whose removal could provide their survivors with money or property or other less frivolous benefits Girl Interrupted in only a recent example And reversing this sort of diagnosis and incarceration became increasingly more difficult as even the most temperate attempt to leave these homes or hospitals was deemed crazy Kept in a madhouse one became a little mad as Jack Nicholson and Ken Kesey explain in *One Flew Over the Cuckoos Nest* In this sadly terrifying emotionally moving and occasionally hilarious book twelve cases of contested lunacy are offered as examples of the shifting arguments regarding what constituted sanity and insanity They offer unique insight into the fears of sexuality inherited madness greed and fraud until public feeling shifted and turned against the rising alienists who would challenge liberty and freedom of people who were perhaps simply difficult but were turned into victims of this unscrupulous trade This fascinating book is filled with stories almost impossible to believe but wildly engaging a book one will not soon forget *Evil Thoughts: Wicked Deeds* Kris Mohandie Ph.D. ABPP,Brian Skoloff,2019-11-05 Some of the scariest and most interesting criminals are broken down and analyzed by Dr Kris Mohandie an expert police and forensic psychologist who has met and evaluated some of the most dangerous people who have walked among us This book has numerous first hand accounts of his work and interviews for cases like the Angel of Death serial killer racist serial assassin Joseph Paul Franklin and even the O J Simpson case Detailed case information including excerpts of interviews he s conducted with these offenders provides a platform to

learn shocking new information about hostage takers serial killers mass murderers violent true believers terrorists and some of the worst predators on the planet *Chanelle Hayes - Baring My Heart* Chanelle Hayes,2015-07-02 Appearing Big Brother in 2007 Victoria Beckham lookalike Chanelle Hayes quickly became a national talking point thanks to her tears tantrums and explosive relationship with fellow housemate Ziggy Lichman But despite being one of the most successful BB housemates of all time with a flourishing modelling career and even a foray into the pop world there is so much more to Yorkshire born and bred Chanelle than showbiz ups and downs The young mum s life has been etched with tragedy right from the moment she was born in prison in 1987 Just a few months old she was orphaned when her drug addicted mother was brutally murdered With the real reason for her mother s death shrouded in secrecy Chanelle s teenage years were marked by an agonising quest for the truth which saw her go to extreme and devastating lengths for answers including attempted suicide Her rocky past has also been plagued by eating disorders while Chanelle s romantic history has been defined by heartache and despair Brutally honest and astonishingly sad Chanelle s story does not make for easy reading and she is the first to admit that she is no angel In spite of all her troubles Chanelle has emerged a stronger happier woman who has finally tackled her demons and can now embrace a brighter future with confidence The Rural Visiter [sic] ,1811
