Sex and Harm in the Age of Consent Joseph J. Fischel, 2016-05-15 Sex and Harm in the Age of Consent cautions against the adoption of consent as our primary determinant of sexual freedom For Joseph J Fischel consent is not necessarily always ethically sound It is he argues a moralized fiction and it churns out figures for its normativity the predatory sex offender and the innocent child Examining the representation of consent in U S law and media culture Fischel contends that the figures of the sex offender and the child are consent's alibi its negative space enabling fictions that allow consent to do the work cut out for it under late modern sexual politics Engaging legal queer feminist and political theory case law and statutory law and media representations Fischel proposes that we change our adjudicative terms from innocence consent and predation to vulnerability sexual autonomy and peremption which he defines as the uncontrolled disqualification of possibility Such a shift in theory law and life would be less damaging for young people more responsive to sexual violence and better for sex

Swedish Cinema and the Sexual Revolution Elisabet Björklund, Maria Larsson, 2016-07-13 Swedish cinema became recognized for daring

representations of sexuality with such films as *One Summer of Happiness* 1951 *The Silence* 1963 *I Am Curious Yellow* 1967 and a wave of sex films in the late 1960s and 1970s The association between Swedish film and sexuality shows up frequently in popular culture From *Taxi Driver* 1976 to *Mad Men* 2007 2015 dirty Swedish movie references abound Yet the connection has attracted little critical attention In this collection of new essays Swedish and American scholars go beyond popular misconceptions to explore the origins influences and reception of sexuality in Swedish cinema during the sexual revolution on both sides of the Atlantic A broad range of topics are covered from analyses of key films to a behind the scenes study of the Swedish Film Institute which played a significant role in opposing Swedish film censorship [Making Sex Public and Other Cinematic Fantasies](#) Damon R. Young, 2018-10-04 Beginning in the late 1950s representations of and narratives about sex proliferated on French and U S movie screens Cinema began to display forms of sexuality that were no longer strictly associated with domesticity nor limited to heterosexual relations between loving couples Women s bodies and queer sexualities became intensely charged figures of political contestation aspiration and allegory central to new ways of imagining sexuality and to new liberal understandings of individual freedom and social responsibility In *Making Sex Public* Damon R Young tracks the emergence of two conflicting narratives on the one hand a new model of sex as harmoniously integrated into civic existence on the other an idea of women s and queer sexuality as corrosive to the very fabric of social life Taking a transatlantic perspective from the late 50s through the present from *And God Created Woman* and *Barbarella* to *Cruising* and *Shortbus* Young argues that cinema participated in the transformation of the sexual subject while showing how women and queers were both agents and objects of that transformation [Sex, Society, and the Making of Pornography](#) Jeffrey Escoffier, 2021-02-12 Hardcore pornographic films combine fantasy and real sex to create a unique genre of entertainment Pornographic films are also historical documents that give us access to the sexual behavior and eroticism of different historical periods This book shows how the making of pornographic films is a social process that draws on the fantasies sexual scripts and sexual identities of performers writers directors and editors to produce sexually exciting videos and movies Yet hardcore pornographic films have also created a body of knowledge that constitutes in this digital age an enormous archive of sexual fantasies that serve as both a form of sex education and self help guides *Sex Society and the Making of Pornography* focuses on sex and what can be learned about it from pornographic representations [Thinking Sex with the Early Moderns](#) Valerie Traub, 2016 What do we know about early modern sex and how do we know it How when and why does sex become history In *Thinking Sex with the Early Moderns* Valerie Traub addresses these questions and in doing so reorients the ways in which historians and literary critics feminists and queer theorists approach sexuality and its history Her answers offer interdisciplinary strategies for confronting the difficulties of making sexual knowledge Based on the premise that producing sexual knowledge is difficult because sex itself is often inscrutable *Thinking Sex with the Early Moderns* leverages the notions of opacity and impasse to explore barriers to knowledge about sex in the past Traub argues

that the obstacles in making sexual history can illuminate the difficulty of knowing sexuality She also argues that these impediments themselves can be adopted as a guiding principle of historiography sex may be good to think with not because it permits us access but because it doesn't
