

1 INT. DAY: DON'S OFFICE (SUMMER 1945)

1

The PARAMOUNT Logo is presented austerely over a black background. There is a moment's hesitation, and then the simple words in white lettering:

THE GODFATHER

While this remains, we hear: "I believe in America." Suddenly we are watching in CLOSE VIEW, AMERIGO BONASERA, a man of sixty, dressed in a black suit, on the verge of great emotion.

BONASERA

America has made my fortune.

As he speaks, THE VIEW imperceptibly begins to loosen.

BONASERA

I raised my daughter in the American fashion; I gave her freedom, but taught her never to dishonor her family. She found a boy friend, not an Italian. She went to the movies with him, stayed out late. Two months ago he took her for a drive, with another boy friend. They made her drink whiskey and then they tried to take advantage of her. She resisted; she kept her honor. So they beat her like an animal. When I went to the hospital her nose was broken, her jaw was shattered and held together by wire, and she could not even weep because of the pain.

William Faulkner worked on approximately fifty screenplays for studios including MGM 20th Century Fox and Warner Bros and was credited on such classic films as The Big Sleep and To Have and Have Not The scripts that Faulkner wrote for film and later on television constitute an extensive and until now thoroughly underexplored archival source Stefan Solomon not only analyzes the majority of these scripts but compares them to the novels and short stories Faulkner was writing at the same time Solomon s aim is to reconcile two aspects of a career that were not as distinct as they first might seem Faulkner as a screenwriter and Faulkner as a high modernist Nobel Prize winning author Faulkner s Hollywood sojourns took place during a period roughly bounded by the publication of Light in August 1932 and A Fable 1954 and that also saw the publication of Absalom Absalom Go Down Moses and Intruder in the Dust As Solomon shows Faulkner attuning himself to the idiosyncrasies of the screenwriting process a craft he never favored or admired he offers insights into Faulkner s compositional practice thematic preoccupations and understanding of both classic cinema and the emerging medium of television In the midst of this complex exchange of media and genres much of Faulkner s fiction of the 1930s and 1940s was directly influenced by his protracted engagement with the film industry Solomon helps us to see a corpus integrating two vastly different modes of writing and a restless author sensitive to the different demands of each Faulkner was never simply the southern novelist or the West Coast hack writer but always both at once Solomon s study shows that Faulkner s

screenplays are crucial in any consideration of his far more esteemed fiction and that the two forms of writing are more porous and intertwined than the author himself would have us believe Here is a major American writer seen in a remarkably new way **Hollywood Screenwriting Directory Fall/Winter Volume 3** Jesse Douma,2013-10-01 Screenwriting market intel you won t find anywhere else Mailing out submissions based on some contact information you found on the Internet isn t going to get your script sold What s truly valuable to an aspiring screenwriter is the kind of specific details you can only get through years of Industry experience That s why The Writers Store compiled the Hollywood Screenwriting Directory the product of more than three decades working directly with the people behind the world s favorite films This targeted reference book features Verified contact information for Hollywood buyers including phone numbers and street and email addresses Crucial details like whether they accept unsolicited material and how they prefer to receive submissions A guide to proper script format and advice on packaging your submission Step by step instructions for writing professional query letters treatments and tag lines Plus you ll find samples throughout illustrated with tips and pointers to help you create a quality submission With the Hollywood Screenwriting Directory by your side you ll have a reliable resource that significantly ups your chances of script selling success **Screenwriting Tricks for Authors (and Screenwriters!)** Alexandra Sokoloff,2015-08-07 Are you finally committed to writing that novel or screenplay but have no idea how to get started Or are you a published author but know you need some plotting help to move your books and career up to that next level In this workbook award winning author screenwriter Alexandra Sokoloff will show you how to jump start your plot and bring your characters and scenes vibrantly alive on the page by watching your favorite movies and learning from the storytelling tricks of great filmmakers Page 4 of cover *Breakfast with Sharks* Michael Lent,2004-05-25 What They Didn t Teach You in Your Screenwriting Course Screenwriters listen up Breakfast with Sharks is not a book about the craft of screenwriting This is a book about the business of managing your screenwriting career from advice on choosing an agent to tips on juggling three deal making breakfasts a day Prescriptive and useful Breakfast with Sharks is a real guide to navigating the murky waters of the Hollywood system Unlike most of the screenwriting books available here s one that tells you what to do after you ve finished your surefire hit screenplay Written from the perspective of Michael Lent an in the trenches working screenwriter in Hollywood this is a real world look into the script to screen business as it is practiced today Breakfast with Sharks is filled with useful advice on everything from the ins and outs of moving to Los Angeles to understanding terms like spec option and assignment Here you ll learn what to expect from agents and managers and who does what in the studio hierarchy And most important Breakfast with Sharks will help you nail your pitch so the studio exec can t say no Rounded out with a Q A section and resource lists of script competitions film festivals trade associations industry publications and more Breakfast with Sharks is chock full of take this and use it right now information for screenwriters at any stage of their careers **Writing for the Green Light** Scott Kirkpatrick,2015-03-02 Tailor your screenplay to sell Find out what Hollywood script readers
