**The Book of Womanhood** Amy F Davis

Abdallah,2016-06-30 There are many questions that surround Christian womanhood What does it mean When does it happen at a certain age status or maturity How do we know we re no longer girls And when we ve figured that out how will others know how to recognise us as a woman rather than a girl After all Christian women don t usually get a rite of passage in which they are named a woman Seeing this need Amy Davis Abdallah has created such a rite and this book accompanies it there is no need to go through her rite of passage however to name yourself a woman The Book of Womanhood creates a path

through the confusion that surrounds the identity of women by its flexible framework developing the reader's understanding of a woman's relationship with God, herself, others, and creation. Amy writes simply as one perhaps further along in her journey of womanhood than most, and she doesn't write alone; she includes the stories of Biblical women, of friends young and old, and even more. The diverse voices come together as a cloud of witnesses encouraging us in our individual journeys. The Book of Womanhood is about recognition, reaching out not only to women but also to men who seek to understand and empower their wives, daughters, and friends to be the women God has formed them to be. Read for empowerment, read for transformation. Read and become the woman of God you were created to be.
