A Fragile Stone Study Guide Michael Card, 2003-07-02 A companion to A Fragile Stone this study guide offers nine sessions for individuals or groups that highlight how the apostle Peter provides a model for our own transforming relationship with Jesus Written by Michael Card with Dale and Sandy Larsen **Scribbling in the Sand Study Guide** Michael Card, 2002-06-07 To this day we have not the slightest idea what it was Jesus twice scribbled in the sand By and large the commentaries have asked the wrong question through the ages They labor over the content over what he might have written They ask what without ever realizing the real question is why It was not the content that mattered but why he did it Unexpected Irritating Creative Singer songwriter and diligent student of Scripture Michael Card is well known for the depth of his lyrics and the artistry of his music But far more significant than the songs he has penned is the source of his inspiration the creativity embodied in Jesus Christ the incarnate Word of God In his book Scribbling in the Sand Card explores the biblical foundations of true Christian creativity Whether we think of ourselves as creative or not all of us are created in the image of our Creator God and thus creativity is a vital expression of our discipleship This companion study guide provides eight sessions to help individuals and groups interact with the themes of Michael Card's book With discussion questions inductive Bible studies and creative exercises each session provides opportunities for reflection discovery and application The user friendly format makes this guide ideal for small groups Sunday school classes or anyone who wants to enter into a life of Christian creativity *Scribbling in the Sand* Michael Card, 2002 **A Fragile Stone** Michael Card, 2006-12-22 A Fragile Stone explores the dynamic life of the apostle Peter revisiting well known passages and revealing unexpected insights Author Michael Card sketches out Peter's life showing how the impetuous fisherman of the Gospels was transformed into the pivotal leader of the early church **Mentor for Life** Natasha Sistrunk Robinson, 2016-03-01 Today's Christian women do not simply want nice fellowships and cookie cutter answers about how to deal with life Though churches are filled with good ministry programming activities outreach events and an endless selection of options many churches neglect their fundamental mission to make disciples Christian women want to mentor and to be mentored though they may not fully understand what that means the significance of this desire or how to get there The church must rise to answer these questions meet life's challenges and develop creative ways of equipping modern women to mentor well In Mentor for Life Natasha Sistrunk Robinson lays a solid foundation for mentoring that is based on God's kingdom vision challenges women to consider the cost of discipleship and the high calling they have received in Christ It shows how to develop mentoring relationships that function communally in existing small groups that are diverse and inclusive It also presents a mentoring framework of knowing and loving God understanding our identity in Christ and loving our neighbor which encourages theological reflection and cultivates a basic Christian worldview Filled with examples from Robinson's experience in the military and business world this resource gives readers the wisdom they need to disciple others and as a foundation for
