

A coastal landscape featuring a wide, sandy beach in the foreground, transitioning into a darker, pebbly shore. The ocean is visible in the distance under a cloudy sky. A text box is overlaid on the upper portion of the image.

Horizon Songs Grace Duffield Goodwin, 1912 **The Long Horizon** Iain R. Thomson, 2013-08-08 The Long Horizon is an extraordinary book Much more than simply the chronicle of a life spent farming in the Scottish Highlands it is also a wonderful collection of stories both factual and fictional which reflect the changes that have revolutionised Highland life and dramatically affected the natural environment over the centuries Using the colourful background to the Fraser clan chiefs as a central theme from the cunning Red Fox through to the sudden death of the Master of Lovat which set in train the sale of the Fraser empire around Beaufort Castle Iain Thomson weaves an entertaining narrative that shows how historical events have such a profound effect on what happens today Throughout the book shines the writer's deep love of the countryside and a respect for the generations before him who have carved their living from the harsh environment of the Highlands It is a marvellous celebration both of the farming way of life and one of the most beautiful parts of Scotland **The Faith of the**

Jesus the Messiah Donald Guthrie, 1982-01-19 Jesus the Messiah is a basic non technical introduction to the life of Christ carefully tracing His life and works as evidence of the truth of His claims and of the firm convictions of the early Christians an inspirational study of Christ's life The author prefaces his work by admitting that Many deny the possibility of writing a life of Jesus and it must be conceded that no life in the biographical sense can be written It is impossible to produce a psychological study of Jesus His developing awareness of messianic mission cannot be traced This book presents an account of Jesus from the perspective of faith It sees in His deeds and words evidence of the truth of His claims and of the firm convictions of the early Christians No one who reflects on His life and mission can fail to be affected by it and in this sense the present study is in the nature of a personal testimony *The Shepherd*, 1835

The Shepherd-flock Motif in the Miletus Discourse (Acts 20:17-38) Against Its Historical Background Bernard Aubert, 2009 The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background provides a comprehensive survey of the use of the shepherd flock motif in the ancient world for the readers of the New Testament This review of Ancient Near Eastern Jewish Greco Roman and Christian sources is guided by a motific approach that integrates the concept of metaphor Semantics and the comparative method A chief concern of this study is to apply this knowledge to the study of Luke Acts especially the Miletus Discourse Acts 20 17 38 The shepherd flock motif appears to be central in this speech and helps to integrate other motifs and themes in this discourse such as the kingship motif The Shepherd Flock Motif in the Miletus Discourse Acts 20 17 38 Against Its Historical Background is indispensable to the study of motifs in the New Testament and contributes meaningfully to the scholarly research on Luke Acts

work in the United States for anyone interested in knowing more about the Catechesis Book jacket **Holland Horizon**, 2000 **The Flourishing Pastor** Tom Nelson, 2021-12-14 With the risk of burnout at an all time high pastors need a new framework for ministry that will help them move from survival to flourishing Drawing on the image of the shepherd leader Tom Nelson offers pastors wisdom and timely vision for leadership that integrates in depth biblical teaching and whole life discipleship providing a roadmap for ministry resilience and longevity **The Lord Is My Shepherd (Touchstone Texts)** Richard S. Briggs, 2021-10-26 There are few biblical texts more familiar to Christians than Psalm 23 The Lord is my shepherd I shall not want It is one of the Bible's most popular passages retaining a special place in ministry and giving hope to the burdened Internationally recognized Old Testament scholar Richard Briggs helps readers understand the power and vision of Psalm 23 He offers a close word by word and phrase by phrase reading of this classic and beloved text showing how it can speak afresh to the life of the church today Briggs explores the reception of Psalm 23 down through the ages covers background issues and examines the ways the psalm addresses practical issues such as stress death enemies and hope The book helps reconnect the Christian church to the Old Testament making it perfect for sermon preparation and small group study The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible for the church The series editor is Stephen B Chapman Duke Divinity School **Hyperobjects** Timothy Morton, 2013-10-01 Having set global warming in irreversible motion we are facing the possibility of ecological catastrophe But the environmental emergency is also a crisis for our philosophical habits of thought confronting us with a problem that seems to defy not only our control but also our understanding Global warming is perhaps the most dramatic example of what Timothy Morton calls hyperobjects entities of such vast temporal and spatial dimensions that they defeat traditional ideas about what a thing is in the first place In this book Morton explains what hyperobjects are and their impact on how we think how we coexist with one another and with nonhumans and how we experience our politics ethics and art Moving fluidly between philosophy science literature visual and conceptual art and popular culture the book argues that hyperobjects show that the end of the world has already occurred in the sense that concepts such as world nature and even environment are no longer a meaningful horizon against which human events take place Instead of inhabiting a world we find ourselves inside a number of hyperobjects such as climate nuclear weapons evolution or relativity Such objects put unbearable strains on our normal ways of reasoning Insisting that we have to reinvent how we think to even begin to comprehend the world we now live in *Hyperobjects* takes the first steps outlining a genuinely postmodern ecological approach to thought and action *Ecclesial Futures: Volume 1, Issue 2* Nigel Rooms, Steve Taylor, 2020-12-24 *Ecclesial Futures* publishes original research and theological reflection on the development and transformation of local Christian communities and the systems that support them as they join in the mission of God in the world We understand local Christian communities broadly to include traditional parish churches and independent local churches religious communities and congregations new church plants so called fresh expressions of church

emergent churches and new monastic communities We are an international and ecumenical journal with an interdisciplinary understanding of our approach to theological research and reflection the core disciplines being theology missiology and ecclesiology Other social science and theological disciplines may be helpful in supporting the holistic nature of any research e g anthropology and ethnography sociology statistical research biblical studies leadership studies and adult learning The journal fills an important reflective space between the academy and on the ground practice within the field of mission studies ecclesiology and the so called missional church This opportunity for engagement has emerged in the last twenty or so years from a turn to the local and the local church and in the western world at least from the demise of Christendom and a rapidly changing world which also affects the church globally The audience for the journal is truly global wherever the local church and the systems that support them exists We expect to generate interest from readers in church judicatory bodies theological seminaries university theology departments and in local churches from all God s people and the leaders amongst them
