Single Women Alive Well

A. Taylor

Single Women Alive Well:

Single Women in Popular Culture A. Taylor, 2011-11-25 *Single Women in Popular Culture* demonstrates how single women continue to be figures of profound cultural anxiety Examining a wide range of popular media forms this is a timely insightful and politically engaged book exploring the ways in which postfeminism limits the representation of single women in popular culture

Tough Crowd Shawna Sparrow, 2013-01-09 Author Shawna Sparrow has spent the last 16 years teaching teenagers about chastity saving sex for marriage In her book *Tough Crowd My Adventures as a Chastity Educator* she shares her experiences in the classroom as well as her insights into social issues related to sexuality Covering topics such as the media technology and comprehensive sex education Shawna examines how our culture shapes the sexual behavior and morals of our youth Her countless interactions with students reveal that chastity is indeed possible in our modern world This book is a must read for parents educators youth pastors and anyone with a heart for young people Find out how chastity education can change the world

To Grandmother's House We Go And Stay Carole B. Cox, 2000 It is through the expertise of an impressive team of psychologists social workers nurses as well as lawyers and sociologists that Cox is able to explore the grandparent grandchild relationship and its intricacies Lack of preparation social isolation psychological and emotional stress and financial strain all contribute to the myriad of issues involved in this new wrinkle in the American family

BOOK JACKET

Never Married Amy M. Froide, 2005-02-24 *Never Married* Singlewomen in Early Modern England investigates a paradox in the history of early modern England although one third of adult women were never married these women have remained largely absent from historical scholarship Amy Froide reintroduces us to the category of difference called marital status and to the significant ways it shaped the life experiences of early modern women By de centring marriage as the norm in social economic and cultural terms her book critically refines our current understanding of people's lives in the past and adds to a recent line of scholarship that questions just how common traditional families really were This book is both a social economic study of singlewomen and a cultural study of the meanings of singleness in early modern England It focuses on never married women in England's provincial towns and on singlewomen from a broad social spectrum Covering the entire early modern era it reveals that this was a time of transition in the history of never married women During the sixteenth century life long singlewomen were largely absent from popular culture but by the eighteenth century they had become a central concern of English society As the first book of original research to focus on singlewomen on the period it also illuminates other areas of early modern history Froide reveals the importance of kinship in the past to women without husbands and children as well as to widows widowers single men and orphans Examining the contributions of working and propertied singlewomen she is able to illustrate the importance of gender and marital status to urban economies and to notions of urban citizenship in the early modern era Tracing the origins of the spinster and old maid stereotypes she reveals how singlewomen were marginalized as first the victims and then the villains of Protestant English society

Women and Authority in Early Modern Spain Allyson M. Poska, 2005-12-08 While scholars have marvelled at how accused witches mystical nuns and aristocratic women understood and used their wealth power and authority to manipulate both men and institutions most early modern women were not privileged by money or supernatural contacts They led the routine and often difficult lives of peasant women and wives of soldiers and tradesmen However a lack of connections to the typical sources of authority did not mean that the majority of early modern women were completely disempowered **Women and Authority in Early Modern Spain** explores how peasant women in Galicia in north western Spain came to have significant social and economic authority in a region characterized by extremely high rates of male migration Using a wide array of archival documentation including Inquisition records wills dowry contracts folklore and court cases Poska examines how peasant women asserted and perceived their authority within the family and the community and how the large numbers of female headed households in the region functioned in the absence of men From sexual norms to property acquisition Galician peasant women consistently defied traditional expectations of women s behaviour [Iranian Romance in the Digital Age](#)

Janet Afary, Jesilyn Faust, 2021-01-28 Following the 1979 Islamic Revolution there was a dramatic reversal of women s rights and the state revived many premodern social conventions through modern means and institutions Customs such as the enforced veiling of women easy divorce for men child marriage and polygamy were robustly reintroduced and those who did not conform to societal strictures were severely punished At the same time new social and economic programs benefited the urban and rural poor especially women which had a direct impact on gender relations and the institution of marriage Edited by Janet Afary and Jesilyn Faust this interdisciplinary volume responds to the growing interest and need for literature on gender marriage and family relations in the Islamic context The book examines how the institution of marriage transformed in Iran paying close attention to the country s culture and politics Part One examines changes in urban marriages to new forms of cohabitation In Part Two contributors such as Soraya Tremayne explore the way technology and social media has impacted and altered the institution of family Part Three turns its eye to look at marital changes in the rural and tribal sectors of society through the works of anthropologists including Erika Friedl and Mary Hegland Based on the work of both new and established scholars the book provides an up to date study of an important and intensely politicized subject **The Oxford Encyclopedia of Women in World History** Bonnie G. Smith, 2008 The Encyclopedia of Women in World History captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and region They have found and demonstrated that there is virtually no historical social or demographic change in which women

have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike

The Life of Rachel Speght Helen M. Stringer, 2025-03-28 In 1617 Rachel Speght caused a sensation when at the age of nineteen she published a polemic in defence of women under her own name Daring to identify herself as a forward woman she repudiated the prevailing misogyny of her day However the power of her words died with her and for over 350 years she was lost from view Since the rediscovery of her works in the 1980s Speght has become a familiar name in Renaissance literature Nevertheless almost fifty years after her re emergence the woman behind the works remains little known This book explores Speght s life from her formation in the turbulent world of Jacobean London to her last years as a displaced person within a Suffolk community torn apart by religious strife Considering her as a writer and polemicist but also as a public housewife the book reveals a courageous thinker and protagonist One of the defining authors of what Christina Luckyj has described as the radical politics of the female voice in early Stuart England and one of the few clergy wives to speak out in defence of her faith amid the chaos of the Civil War Rachel Speght emerges as one of the most compelling female personalities of her age

Shaping North America James E. Seelye Jr., Shawn Selby, 2018-08-03 This fascinating multivolume set provides a unique resource for learning about early American history including thematic essays topical entries and an invaluable collection of primary source documents In 1783 just months after the United States achieved independence from Great Britain General George Washington was compelled to convince his officers not to undertake a military coup of the Congress of Confederation Had the planned mutinous coup of the Newburgh Conspiracy gone forward the American experiment may have ended before it even began The pre colonial and colonial periods of early American history are filled with accounts of key events that established the course of our nation s development This expansive three volume set provides entries on a wide variety of topics and themes in early American history to elucidate how the United States came to be Written in straightforward language the encyclopedic entries on social political cultural and military subjects from the pre Columbian period through the creation of the Constitution roughly 1400 1790 will be useful for anyone wishing to deeply investigate the who what where when and why of early America Additionally the breadth of primary documents including personal diaries letters poems images treaties and other legal documents provides readers with firsthand sources written by the men and women

who shaped American history both the famous and the less well known Each of the three volumes also presents thematic essays on highlighted topics to fully place the individual entries within their proper historical context and heighten readers comprehension Experiences of Poverty in Late Medieval and Early Modern England and France Anne M.

Scott,2016-04-15 Exploring a range of poverty experiences socioeconomic moral and spiritual this collection presents new research by a distinguished group of scholars working in the medieval and early modern periods Collectively they explore both the assumptions and strategies of those in authority dealing with poverty and the ways in which the poor themselves tried to contribute to exploit avoid or challenge the systems for dealing with their situation The studies demonstrate that poverty was by no means a simple phenomenon It varied according to gender age and geographical location and the way it was depicted in speech writing and visual images could as much affect how the poor experienced their poverty as how others saw and judged them Using new sources and adopting new approaches to known sources the authors share insights into the management and the self management of the poor and search out aspects of the experience of poverty worthy of note from which can be traced lasting influences on the continuing understanding and experience of poverty in pre modern Europe

Migrant Women's Voices Linda McDowell,2016-02-25 Between 1945 and the new century millions of women including mothers and migrants joined the labour force These changes are brought to life through the stories of migrant women working in factories and hospitals banks care homes shops and universities over a period of 60 years Migrant Women s Voices is an autobiography of the post war period as Britain became a multi cultural society and waged work the norm for most women McDowell illustrates the shift in migration patterns as post imperial migrants to the UK replaced the immediate post war pattern of migrants from war torn Europe and who were then themselves joined by migrants from an increasingly diverse range of countries as the 20th century drew to a close **Family Economics and Nutrition Review** ,1995

Singlewomen in the European Past, 1250-1800 Judith M. Bennett,Amy M. Froide,2013-02-01 When we think about the European past we tend to imagine villages towns and cities populated by conventional families married couples and their children Although most people did marry and pass many of their adult years in the company of a spouse this vision of a preindustrial Europe shaped by heterosexual marriage deceptively hides the well established fact that in some times and places as many as twenty five percent of women and men remained single throughout their lives Despite the significant number of never married lay women in medieval and early modern Europe the study of their role and position in that society has been largely neglected *Singlewomen in the European Past* opens up this group for further investigation It is not only the first book to highlight the important minority of women who never married but also the first to address the critical matter of differences among women from the perspective of marital status Essays by leading scholars among them Maryanne Kowaleski Margaret Hunt Ruth Mazo Karras Susan Mosher Stuard Roberta Krueger and Merry Wiesner deal with topics including the sexual and emotional relationships of singlewomen the economic issues and employment opportunities facing

them the differences between the lives of widows and singlewomen the conflation of singlewomen and prostitutes and the problem of female slavery The chapters both illustrate the roles open to the singlewoman in the thirteenth through eighteenth centuries and raise new perspectives about the experiences of singlewomen in earlier times **Teachers**

Sweet Spots Teresa A. Toulouse,Barbara C.

Ewell,2018-05-17 Contributions by Carrie Bernhard Scott Bernhard Marilyn R Brown Richard Campanella John P Clark Joel Dinerstein Pableaux Johnson John P Klingman Angel Adams Parham Bruce Boyd Raeburn Ruth Salvaggio Christopher Schaberg Teresa A Toulouse and Beth Willinger Much has been written about New Orleans s distinctive architecture and urban fabric as well as the city s art literature and music There is however little discussion connecting these features Sweet Spots a title drawn from jazz musicians name for the space in between performers and dancers where music best resonates provides multiple connections between the city s spaces its complex culture and its future Drawing on the late Tulane architect Malcolm Heard s ideas about interstitial spaces this collection examines how a variety of literal and represented in between spaces in New Orleans have addressed race class gender community and environment As scholars of architecture art African American studies English history jazz philosophy and sociology the authors incorporate materials from architectural history and practice literary texts paintings drawings music dance and even statistical analyses Interstitial space refers not only to functional elements inside and outside of many New Orleans houses high ceilings hidden staircases galleries and courtyards but also to compelling spatial relations between the city s houses streets and neighborhoods Rich with visual materials Sweet Spots reveals the ways that diverse New Orleans spaces take on meanings and accrete stories that promote certain consequences both for those who live in them and for those who read such stories The volume evokes preserves criticizes and amends understanding of a powerful and often missed feature of New Orleans s elusive reality

Perfectly Japanese Merry White,2002-09-02 Are Japanese families in crisis In this study Merry Isaacs White looks back at two key moments of family making in the past hundred years the Meiji era and postwar period to see how models for the Japanese family have been constructed **Making Trouble** Lynne Segal,2017-07-25 What happens when angry young rebels become wary older women raging in a leaner meaner time a time which exalts only the new when the ruling orthodoxy daily disparages everything associated with the old Delving into her own life and those who left their mark on it Lynne Segal journeys through time to consider her generation of female dreamers the experiences that formed them what they have left to the world and how they are remembered in a period when pessimism pervades public life Searching for answers she studies her family history sexual awakening and ethnicity as well as the peculiarities of the time and place that shaped her political journey with all its urgency significance pleasures and absurdities **A Mobile Century?** Colin G. Pooley,Jean Turnbull,Mags Adams,2017-03-02 For most people in the developed world the ability to travel freely on a daily basis is almost taken for granted Although there is a large volume of literature on contemporary mobility and associated transport problems

there are no comprehensive studies of the ways in which these trends have changed over time This book provides a detailed empirical analysis of mobility change in Britain over the twentieth century Beginning with an explanatory theoretical overview setting the UK case studies within an international context the book then analyses changes in the journey to school the journey to work and travelling for pleasure It also looks at the ways in which changes in mobility have interacted with changes in the family life cycle and assesses the impact of new transport technologies on everyday mobility It concludes by examining the implications of past mobility change for contemporary transport policy

Inclusive Transport Hans Jeekel, 2018-10-29 Inclusive Transport Fighting Involuntary Transport Disadvantages offers readers profound and multifaceted insights into transportation and social equity guiding transportation and urban studies researchers planners and policy makers in evaluating potential solutions to this complex issue It considers discrimination and its societal consequences providing a needed perspective on who is left out of transportation planning and why The book is systematically divided into 2 parts Part A is problem oriented and explores the main problems to the transportation disadvantaged accessibility and affordability It looks at the consequences of non accessibility the problems non car owners face and the interplay between housing and transportation Part B is policy oriented and analyses how current policies tend to forget transport disadvantages It looks at pragmatic solutions for transport disadvantaged and ends with a design for inclusive transport being a more radical approach combining sustainability challenges people s behaviours and emotions creating more just and equitable mobility Synthesizes academic research and narratives on transport disadvantage and the transport disadvantaged linking the research with current mobility policies and practices Connects the fight on transport disadvantages with sustainable and smart mobility strategies and looks into car sharing ride sharing and individualising public transport while de individualizing car use Has an extensive usage of data figures and examples from around the world and inspiring mobility plans and policies

Single Women Alive Well Introduction

In the digital age, access to information has become easier than ever before. The ability to download Single Women Alive Well has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Single Women Alive Well has opened up a world of possibilities. Downloading Single Women Alive Well provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Single Women Alive Well has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Single Women Alive Well. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Single Women Alive Well. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Single Women Alive Well, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Single Women Alive Well has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Single Women Alive Well Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Single Women Alive Well is one of the best book in our library for free trial. We provide copy of Single Women Alive Well in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Single Women Alive Well. Where to download Single Women Alive Well online for free? Are you looking for Single Women Alive Well PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Single Women Alive Well. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this.
