are some who will do anything to see Sebastian fall from grace including his ruthless cousin Konrad whose hatred and jealousy threaten to destroy everything Sebastian holds dear And as Sebastian increasingly finds himself at odds with the king's brutal methods of domination and vengeance his ingrained sense of honor and integrity lead him to the edge of treason perilously pitting himself against the most powerful man of his age This fast paced adventure story brings Charlemagne's realm to life as the vicious Christian pagan wars of the eighth century decide the fate of Europe Filled with action intrigue and romance Sebastian's Way is a riveting and colorful recreation of the world of Europe's greatest medieval monarch
