Lordship Salvation The Only Kind There Is:

Lordship Salvation Curtis I. Crenshaw, 1994-01-01 John H Gerstner wrote the Foreword to this pungent book on the Lordship salvation issue It covers the assumptions in the issue regeneration repentance faith justification sanctification assurance the place of the church and other matters The Appendixes add such matters as abiding in John antinomianism in dispensationalism multiple quotes of the New Testament on the issue and the early fathers **Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven *Lordship Salvation* Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy There is no more important issue than how to become a Christian Lordship Salvation is a view that has confused many people about the nature of the gospel itself Based on a Ph D dissertation this is an academic and biblical response to the Lordship view The crucial issues of faith repentance lordship and discipleship Over 65 important passages explained A helpful Scripture index Can be used as a textbook Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God s sure salvation Read it use it as a Bible study reference or teach from it it is a valuable resource in a critical and controversial issue Charles C Bing obtained his Ph D from Dallas Theological Seminary As founder and president of GraceLife Ministries he is active as an author conference speaker and adjunct professor

Biblical Counsel , 1993 **Salvation Puzzle: Solved** Maxim Castelino, 2024-03-29 One of the foundational doctrines in Christianity is Salvation and yet there are multiple explanations on this subject making it hard for a Christian to come to any conclusion This book attempts to bring clarity on this subject by means of rebuttal and assertions It also brings clarity on some of the church practices Having such clarity is essential especially when the stakes of not having a clarity are higher

Lordship Salvation Dr Curtis Hutson,2000-08 **Enemies of Soul Winning** Jack Hyles,2022-12-01 This book exposes adversaries disguised as friends The subtle enemies that affect the soul winning efforts of the local church have long gone unnoticed and unchallenged **The Gospel According to Jesus** John F. MacArthur,2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book s timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ **King James Only Revised Dispensationalism** David E. Walker,2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2 15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book **Opposite Poles** Frederick W. Wright,2003-07

Systematic Theology Wayne A. Grudem,2009-05-18 The Christian church has a long tradition of systematic theology that is of studying biblical teaching on centrally important doctrines such as the Word of God redemption and Jesus Christ Wayne Grudem s bestselling Systematic Theology has several distinctive features A strong emphasis on the scriptural basis for each doctrine Clear writing with technical terms kept to a minimum A contemporary approach treating subjects of special interest

to the church today A friendly tone appealing to the emotions and the spirit as well as the intellect Frequent application to life Resources for worship within each chapter Bibliographies in each chapter that cross reference subjects to a wide range of other systematic theologies *52 Lies Heard in Church Every Sunday* Steve McVey,2011-02-01 Could many churchgoing Christians be getting a diluted Christianity one that diminishes the loving giving personal God who provides the believer everything in life Author Steve McVey passionately but unwittingly taught from the pulpit the very lies he now exposes Forthrightly but humbly he shows how pastors and churches can end up distorting scriptural truths because of their preconceptions Opening up the Scriptures freshly Steve examines typical problems such as Leaving out half of the truth Becoming a Christian means having your sins forgiven We also are made alive Using shorthand that promotes an unbiblical view Our sins are under the blood of Jesus Far better they ve been taken away Confusing our role with God s Salvation is giving your life to Christ More important He gives His life to us Readers will see that God s undiluted truth is always best and brings a fulfilling close relationship with Him **A Theological Study of The Book of Romans** Arch Bishop D.A. Miller, D.D. Ph.D.,2012-02-11 Paul addressed the Book of Romans to both Jews and Gentiles even though Rome was primarily a Gentile city Therefore it is reasonable to conclude that most believers in the churches at Rome were Gentiles The reason that this was important is that the Judaizers continued to infiltrate the local churches and Paul was determined to stop their false message of adding law keeping to grace from taking root and to demonstrate that the Gospel is for all Jews and Gentiles

Still Sovereign Thomas R. Schreiner,Bruce A. Ware,2000-03-01 The relationship between divine sovereignty and the human will is a topic of perennial theological dispute and one that is gaining increased attention among contemporary evangelicals In *Still Sovereign* thirteen scholars write to defend the classical view of God s sovereignty According to the editors Ours is a culture in which the tendency is to exalt what is human and diminish what is divine Even in evangelical circles we find increasingly attractive a view of God in which God is one of us as it were a partner in the unfolding drama of life In contrast the vision of God affirmed in these pages is of one who reigns supreme over all whose purposes are accomplished without fail and who directs the course of human affairs including the central drama of saving a people for the honor of his name all with perfect holiness and matchless grace The fourteen chapters of *Still Sovereign* originally part of the two volume *The Grace of God the Bondage of the Will* are divided into three parts Part 1 offers fresh exegesis of the biblical texts that bear most directly on the doctrines of election foreknowledge and perseverance of the saints Part 2 explores theological and philosophical issues related to effectual calling prevenient grace assurance of salvation and the nature of God s love The final section applies the doctrines of election and divine sovereignty to Christian living prayers evangelism and preaching *The SCM Press A-Z of Evangelical Theology* Roger E. Olson,2005 *The SCM Press A Z of Evangelical Theology* is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive

Schreiner,Ardel B. Caneday,2001-04-11 In this exploration of the biblical theology of perseverance and assurance Thomas R Schreiner and Ardel B Caneday weigh all of the relevant New Testament texts and provide a foundational study that offers a clear Reformed perspective on salvation *Systematic Theology, Second Edition* Wayne A.
