Los Angeles Riots A Sociopsychological:

The Los Angeles Riots Mark Baldassare, David O Sears, Edgar W Butler, Peter A Morrison, 2019-06-12 The Los Angeles riots in the Spring of 1992 were among the most violent and destructive events in twentieth century urban America This collection of original essays by leading urban experts offers the first comprehensive analysis of the unrest that took place after a jury acquitted the police officers who were accused of using excessive force in t **Race, Space, and Riots in Chicago, New York, and Los Angeles** Janet L. Abu-Lughod, 2007-09-10 Race Space and Riots in Chicago New York and Los Angeles weaves together historical narratives of major riots with the changing contexts in which they have occurred to show how urban space politics and economic conditions not simply an abstract race conflict all structure the form and virulence of urban rebellions Comparing six major race riots that occurred in the three largest American metropolitan centers Abu Lughod draws upon archival research primary and secondary sources and field work to reconstruct events especially for the 1964 Harlem riot and Chicago s 1968 riots where no single study currently exists **The Los Angeles Riots** Nathan Edward Cohen, 1970 *The Los Angeles Riots. A Socio-psychological Study.* Edited by Nathan Cohen Nathan E. COHEN, 1970 **Race and the War on Poverty** Robert Bauman, 2022-08-16 President Lyndon B Johnson s War on Poverty did more than offer aid to needy Americans in some cities it also sparked both racial conflict and cooperation Race and the War on Poverty examines the African American and Mexican American community organizations in Los Angeles that emerged to implement War on Poverty programs It explores how organizers applied democratic vision and political savvy to community action and how the ongoing African American Chicano and feminist movements in turn shaped the contours of the War on Poverty s goals programs and cultural identity Robert Bauman describes how the Watts riots of 1965 accelerated the creation of a black community controlled agency the Watts Labor Community Action Committee The example of the WLCAC combined with a burgeoning Chicano movement inspired Mexican Americans to create The East Los Angeles Community Union TELACU and the Chicana Service Action Center Bauman explores the connections that wove together the War on Poverty the Watts revolt and local movements in ways that empowered the participants economically culturally and politically Although heated battles over race and other cultural issues sometimes derailed the programs these organizations produced lasting positive effects for the communities they touched Despite Nixon era budget cuts and the nation s turn toward conservatism the War on Poverty continues to be fought today as these agencies embrace the changing politics economics and demographics of Los Angeles Race and the War on Poverty shows how the struggle to end poverty evolved in ways that would have surprised its planners supporters and detractors and that what began as a grand vision at the national level continues to thrive on the streets of the community *A Companion to Los Angeles* William Deverell, Greg Hise, 2014-01-28 This Companion contains 25 original essays by writers and scholars who present an expert assessment of the best and most important work to date on the complex history of Los Angeles The first Companion providing a historical survey of Los

Angeles incorporating critical multi disciplinary themes and innovative scholarship Features essays from a range of disciplines including history political science cultural studies and geography Photo essays and contemporary voice sections combine with traditional historiographic essays to provide a multi dimensional view of this vibrant and diverse city Essays cover the key topics in the field within a thematic structure including demography social unrest politics popular culture architecture and urban studies **An Inventory of Surveys of the Public on Crime, Justice and Related Topics** ,1972

The Los Angeles Riots Nathan Edward Cohen,1970 *Literature and Race in Los Angeles* Julian Murphet,2001-03-19

Los Angeles is both the most fragmented and the most minoritized metropolis in America and its most luridly abstract and aestheticized city With more than eighty five languages being spoken in its classrooms and one homogeneous visual language emanating from its entertainment industry LA radically challenges the prospects of that archaic representational medium literature In its investigation of the work of Bret Easton Ellis James Ellroy Anna Deveare Smith and others *Literature and Race in Los Angeles* articulates their aesthetic preoccupations with the structures of social space in the city Harnessing some of the theoretical insights of Henri Lefebvre and the LA school of geographers Murphet demonstrates the versatility of literary production in LA and speculates about the fortunes of literature in a predominantly visual culture **Civil Rights**

Digest ,1970 **The Limits of Community Policing** Luis Daniel Gascón,Aaron Roussell,2019-07-23 A critical look at the realities of community policing in South Los Angeles *The Limits of Community Policing* addresses conflicts between police and communities Luis Daniel Gasc n and Aaron Roussell depart from traditional conceptions arguing that community policing popularized for decades as a racial panacea is not the solution it seems to be Tracing this policy back to its origins they focus on the Los Angeles Police Department which first introduced community policing after the high profile Rodney King riots Drawing on over sixty interviews with officers residents and stakeholders in South LA s Lakeside precinct they show how police tactics amplified rather than resolved racial tensions complicating partnership efforts crime response and prevention and accountability Gasc n and Roussell shine a new light on the residents of this neighborhood to address the enduring and frequently explosive conflicts between police and communities At a time when these issues have taken center stage this volume offers a critical understanding of how community policing really works *Racism and Resistance* Franziska

Meister,2017-04-15 Even a cursory look at U S society today reveals that protests against racial discrimination are by no means a thing of the past What can we learn from past movements in order to understand the workings of racism and resistance In this book Franziska Meister revisits the Black Panther Party and offers a new perspective on the Party as a whole and its struggle for racial social justice She shows how the Panthers were engaged in exposing structural racism in the U S and depicts them as uniquely resourceful imaginative and subversive in the ways they challenged White Supremacy while at the same time revolutionizing both the self conception and the public image of black people Meister thus highlights an often marginalized aspect of the Panthers how they sought to reach a world beyond race by going through race A message

well worth considering in an age of color blindness **Shakespeare in a Divided America** James Shapiro, 2020-03-10 One of the New York Times Ten Best Books of the Year A National Book Critics Circle Award Finalist A New York Times Notable Book A timely exploration of what Shakespeare's plays reveal about our divided land In this sprightly and enthralling book Shapiro amply demonstrates that for Americans the politics of Shakespeare are not confined to the public realm but have enormous relevance in the sphere of private life The Guardian London The plays of William Shakespeare are rare common ground in the United States For well over two centuries Americans of all stripes presidents and activists soldiers and writers conservatives and liberals alike have turned to Shakespeare's works to explore the nation's fault lines In a narrative arching from Revolutionary times to the present day leading scholar James Shapiro traces the unparalleled role of Shakespeare's four hundred year old tragedies and comedies in illuminating the many concerns on which American identity has turned From Abraham Lincoln's and his assassin John Wilkes Booth's competing Shakespeare obsessions to the 2017 controversy over the staging of Julius Caesar in Central Park in which a Trump like leader is assassinated Shakespeare in a Divided America reveals how no writer has been more embraced more weaponized or has shed more light on the hot button issues in our history **Alienation Studies** Paul Seeman, Teresa Seeman, 2024-07-13 This book compiles cross cultural studies on alienation undertaken by the late Dr Melvin Seeman including relevant historical and theoretical contexts and analyses related to the ongoing development of the alienation model and its counterparts in the behavioral sciences Chapters track the development of this model across a half century of interdisciplinary research encompassing various research partnerships over the years **Race, Media, and the Crisis of Civil Society** Ronald N. Jacobs, 2000-08-03 Charts the history development and influence of the African American Press **Imagining the African American West** Blake Allmendinger, 2005-01-01 The literature of the African American West is the last racial discourse of the region that remains unexplored Blake Allmendinger addresses this void in literary and cultural studies with Imagining the African American West the first comprehensive study of African American literature on the early frontier and in the modern urban American West Allmendinger charts the terrain of African American literature in the West through his exploration of novels histories autobiographies science fiction mysteries formula westerns melodramas experimental theater and political essays as well as rap music and film He examines the histories of James P Beckwourth and Oscar Micheaux slavery the Civil War and the significance of the American frontier to blacks and the Harlem Renaissance the literature of urban unrest rap music black noir and African American writers including Toni Morrison and Walter Mosley His study utilizes not only the works of well known African American writers but also some obscure and neglected works out of print books and unpublished manuscripts in library archives Much of the scholarly neglect of the Black West can be blamed on how the American West has been imagined constructed and framed in scholarship to date In his study Allmendinger provides the appropriate theoretical cultural and historical contexts for understanding the literature and suggests new directions for the future of black western
