ENGLISH DESCRIPTION The emblematic work of one of Mexico s canonical writers accompanied by a critical analysis Ixtepec is a small village that has survived the battering of the violent presence of revolutionary troops pitted against each other in a ceaseless fratricidal fight Its residents disillusioned because the revolution brought them neither justice nor progress lead dull nostalgic lives that are fractured again in the face of a new armed conflict the Cristero War which promises further misfortune The authorities have charged Francisco Rosas with maintaining order and carrying out the wishes of the central government especially those relating to ending religious worship The lives of General Rosas his closest collaborators and his lovers along with the lives of the prostitutes clergy street dogs madmen and

most well known members of Ixtepec's powerful families become intertwined and led to a tragic destiny where there is no room for dreams or love. This work, considered by many to be in the vein of magic realism, supports the strength of its storytelling with poetic devices which merely enhance the plot. Told through various voices, this novel shows us a complex web of narrative planes that are interwoven through the stony, somber voices of Ixtepec's residents, exposing their darkest, most intimate desires.

Angeles Mastretta Jane Elizabeth Lavery, 2005. The first major study on the works of the Mexican novelist Angeles Mastretta, demonstrating the rich complexity and range of the author's fiction and essays. The Mexican novelist Angeles Mastretta, born 1949, has only recently received serious critical attention, largely because her work has been seen as popular and therefore inappropriate for academic study. This first major work to be published on Mastretta seeks to demonstrate the rich complexity and range of the author's fiction and essays. In the tradition of Post Boom Latin American women's writing, Mastretta's texts are motivated by a desire to speak primarily of the silenced experiences and voices of women. Two of her novels, *Referential* and *Testimonial* in style, can be placed within the Mexican Revolutionary Novel tradition and explore the Revolutionary period and its consequences in the light of female experiences and perspectives. The hitherto unexplored themes of female sexuality and bodily erotics in Mastretta's texts are also considered in this volume. Her feminist works avoid facile simplifications; heterogeneous and dialogical, they interweave the historical and the fictional, the everyday and the fantastic. The originality of Mastretta's writing lies in its elusive postmodern ambiguities; shimmering surfaces are often interrupted by unexpected depths and proliferating meanings, cannot be fully circumscribed by critical analysis. Jane Elizabeth Lavery, lectures in Latin American Studies at the University of Kent. *Etude de "Los recuerdos del porvenir" d'Elena Garro* Francesca Varnerot, 2001. *The Twentieth-Century Spanish American Novel* Raymond Leslie Williams, 2009-07-21. A Choice Magazine Outstanding Academic Book. Spanish American novels of the Boom period (1962-1967) attracted a world readership to Latin American literature, but Latin American writers had already been engaging in the modernist experiments of their North American and European counterparts since the turn of the twentieth century. Indeed, the desire to be modern is a constant preoccupation in twentieth-century Spanish American literature, and thus a very useful lens through which to view the century's novels. In this pathfinding study, Raymond L. Williams offers the first complete analytical and critical overview of the Spanish American novel throughout the entire twentieth century. Using the desire to be modern as his organizing principle, he divides the century's novels into five periods and discusses the differing forms that the modern took in each era. For each period, Williams begins with a broad overview of many novels, literary contexts, and some cultural debates, followed by new readings of both canonical and significant non-canonical novels. A special feature of this book is its emphasis on women writers and other previously ignored and/or marginalized authors, including experimental and gay writers. Williams also clarifies the legacy of the Boom, the Postboom, and the Postmodern as he introduces new writers and new novelistic trends of the 1990s.
