Commit to Feel Good! Josie Coco,2012-06-20 Right from the get go I was never going to believe that we were not meant to be happy At just 15 years of age the thought of spending the rest of my life in misery because we werent put on this earth to be happy was a thought too frightening to conceive As I projected this sentiment forward and imagined the long years ahead then and there I made the commitment that I was going to find the pathway to happiness that I would live a joyful life By the time I had reached my middle years this commitment had become an obsession During this lifetime I would find the keys to happiness Whatever it took joy was my goal and I wouldnt rest until I found it With glimpses of happiness along the way I was motivated and driven Love yourself first What does that mean How do you do that There were lots of great suggestions but very few helpful guidelines Entrenched in a middle income mindset I held many limiting beliefs that kept me squarely where I was But for an enquiring mind and a fearless heart that had almost lost its desire to fight on I may have drowned in the mire of unworthiness Little by little the pieces of the puzzle came together My journey took me to explore both inside and out what others had to offer and the filters through which I was living my life A woman on a mission I
