Lost For Words The Use And Abuse Of The English Language:

Words ; Their Use and Abuse William Mathews,1888 *Garner's Modern English Usage* Bryan A. Garner,2022

Garner's Modern English Usage is one of the most influential style guides ever written for the English language. With more than a thousand new entries, 200 replacement entries, and thoroughly updated usage data, this fifth edition is fully abreast of the times and further establishes the author as the authority on effective writing. *Describing Prescriptivism* Ingrid Tieken-Boon van Ostade,2019-10-08. *Describing Prescriptivism* provides a topical and thought provoking analysis of linguistic prescriptivism in British and American English from a historical as well as present day perspective. Focusing on usage guides and usage problems, the book takes a three fold approach to present an in depth analysis of the topic featuring a detailed study of the advice provided in usage guides over the years, an authoritative comparison of this advice with actual usage as recorded in British and American corpora including the HUGE Hyper Usage Guide of English database developed specifically to enable this line of study, as well as more mainstream corpora such as COCA, COHA, and the BNC, a close analysis of the attitudes to particular usage problems among the general public based on surveys distributed online through the Bridging the Unbridgeable research project's blog. With extensive case studies to illustrate and support claims throughout, this comprehensive study is key reading for students and researchers of prescriptivism, the history of English, and sociolinguistics. Found at <https://bridgingtheunbridgeable.com>. **Lost for Words** Lynda Mugglestone, Professor of the History of English, Lynda Mugglestone,2005-01-01.
