Great Joy Under Heaven Nathan Morehart, 2024-12-01 A history of wildlife in China tracing the changes the country's fauna and flora have endured from the rise of the earliest civilizations to the present China is home to one of Earth's largest and most diverse mix of plant and animals Many are among the rarest creatures alive some now surviving only in captivity An unfortunate few went extinct early this century How did this come to pass *Great Joy Under Heaven* tells the history of dozens of species spread across the breadth of China from the taiga of Manchuria to the burning deserts of the far west from the bamboo forests of Sichuan to the tropical island of Hainan and from the Roof of the World down the Long River to the sea Spanning the ancient expulsion of rhinos and elephants from the Chinese heartland to the disappearance and return of the elaphure and takhi this volume recounts the drastic effects of humanity on the wildlife of China over the past 4 000 years and the ongoing struggles to save and restore some of what has been lost

Camel Robert Irwin, 2010-05-15 A distinct symbol of the desert and the Middle East the camel was once unkindly described as half snake half folding bedstead But in the eyes of many the camel is a creature of great beauty This is most evident in the Arab world where the camel has played a central role in the historical development of Arabic society where an elaborate vocabulary and extensive literature have been devoted to it In *Camel* Robert Irwin explores why the camel has fascinated so many cultures including those cultivated in locales where camels are not indigenous Here he traces the history of the camel from its origins millions of years ago to the present day discussing such matters of contemporary concern as the plight of camel herders in Sudan's war-torn Darfur region the alarming increase in the population of feral camels in Australia and the endangered status of the wild Bactrian in Mongolia and China Throughout history the camel has been appreciated worldwide for its practicality resilience and legendary abilities of survival As a result it has been featured in the works of Leonardo da Vinci Poussin Tiepolo Flaubert Kipling and Rose Macaulay among others From East to West Irwin's *Camel* is the first survey of its kind to examine the animal's role in society and history throughout the world Not just for camel aficionados this highly illustrated book containing over 100 informative and unusual images is sure to entertain and inform anyone interested in this fascinating and exotic animal

Explorers Journal Ernest Ingersoll, 1999

A Short History of the Silk Road Jonathan Clements, 2014-01-14 The Silk Road is not a place but a journey a route from the edges of the Mediterranean to the central plains of China through high mountains and inhospitable deserts For thousands of years its history has been a traveller's history of brief encounters in desert towns snowbound passes and nameless forts It was the conduit that first brought Buddhism Christianity and Islam into China and the site of much of the Great Game between 19th century empires Today its central section encompasses several former Soviet republics and the Chinese Autonomous Region of Xinjiang The ancient trade route controversially crosses the sites of several forgotten kingdoms buried in sand and only now revealing their secrets An Armchair Traveller's History of the Silk Road not only offers

the reader a chronological outline of the region's development but also provides an invaluable introduction to its languages literature and arts It takes a comprehensive and illuminating look at the rich history of this dynamic and littleknown region and provides an easy to use reference source Clements pays particular attention to the fascinating historical sites which feature on any visitor's itinerary and special emphasis is also given to the writings and reactions of travellers through the centuries *The Literary Review* ,1998 Natural History ,2000 *BBC Wildlife* ,1998 **Eurasian Crossroads** James Millward,2021-12-07 Since antiquity the vast Central Eurasian region of Xinjiang or Eastern Turkestan has stood at the crossroads of China India the Middle East and Europe playing a pivotal role in the social cultural and political histories of Asia and the world Today it comprises one sixth of the territory of the People's Republic of China and borders India Pakistan Afghanistan Tajikistan Kyrgyzstan Kazakhstan Russia and Mongolia Eurasian Crossroads is an engaging and comprehensive account of Xinjiang's history and people from earliest times to the present day Drawing on primary sources in several Asian and European languages James A Millward surveys Xinjiang's rich environmental and cultural heritage as well as its historical and contemporary geopolitical significance Xinjiang was once the hub of the Silk Road and the conduit through which Buddhism Christianity and Islam entered China It was also a fulcrum where Sinic steppe nomadic Tibetan and Islamic imperial realms engaged and struggled In the twentieth and twenty first centuries the Han dominated Chinese Communist Party has failed to include Xinjiang's diverse indigenous Central Asian peoples Its nationalistic visions have spurred domestic troubles that now affect the PRC's foreign affairs and global ambitions This revised and updated edition features new empirically grounded and balanced analysis of the latest developments in the region focusing on the circumstances of the Uyghurs Kazakhs and other Xinjiang peoples in the face of policies implemented by the Chinese Communist Party

Eurasian Crossroads James A. Millward,2007 Presents a comprehensive study of the central Asian region of Xinjiang's history and people from antiquity to the present Discusses Xinjiang's rich environmental cultural and ethno political heritage

Modern Explorers Robin Hanbury-Tenison,Robert Twigger,2021-11-09 Stories of the thrills and hardships faced by modern expeditions that continue to enhance our understanding of the world around us now in a compact edition This book profiles forty modern explorers who have disproved the idea that there is nowhere left to discover Some are experienced and celebrated worldwide while others are just starting to make their mark The Modern Explorers delves into challenging and extraordinary expeditions to the remotest parts of the world by explorers from the United States Australia China France and beyond Nine thematic sections cover all terrains Polar Desert Rainforest Mountain Ocean River Under Sea Under Land and Lost Worlds Written mainly by the explorers themselves these accounts provide unique insight into what it is like to join an expedition from being dragged through the top of the rainforest canopy in an inflatable raft suspended from a balloon to pedaling a boat across the Pacific to standing on the edge of an erupting volcano
