Lost Continent Frazetta Art:

Edgar Rice Burroughs Robert B. Zeuschner,2024-10-14 In creating some of the most enduring characters in 20th century literature Burroughs 1875 1950 left a complex bibliographic record of editions and a long chain of fascinated collectors The present reference work details all United States versions of all his works published through 1995 Each listing begins with a description of the first magazine appearance of the story with full publication data the first hardcover is then examined in detail with publisher date a complete description of the book s cover and jacket print run price number of pages and characteristics that separate it from following editions Similar information is then provided from all subsequent editions

Edward P. Rich,2004-01-01 **Edgar Rice Burroughs** Jimmie C. Goodwin,2020-02-28 The definitive guide to two of the most prolific paperback publishers of the stories of Edgar Rice Burroughs The book includes all known printings and variations of both the United States and Canadian editions Images throughout show ad pages and other pertinent information The book gives detailed information on variations of the books about such things as publishers address ad pages edge variations size variations and others Contesting Earth's History in Transatlantic Literary Culture, 1860-1935 Richard Fallon,2025-02-14 By the mid nineteenth century geologists and palaeontologists had reconstructed an authoritative narrative of Earth s deep history from the planet s molten origins to the rise of humanity Many figures in transatlantic science across subsequent decades however had problems with this narrative it was too secular inhuman and evolutionary or controlled too exclusively by elite scientists Speaking from palaeoscience s unevenly professionalized and controversy racked borders Christian fundamentalists charismatic psychics and respected scholars alike voiced their objections Until now no study has brought their work together for detailed comparative analysis Spanning from the 1860s to the interwar decades Contesting Earth s History examines the fascinating stories of five significant examples of fringe or borderline palaeoscience old and young earth creationism hollow earth theory clairvoyant time travel and sunken continent catastrophism Innovatively combining methods from literary studies with the history of science this book attends not just to the conceptual content of these strange sciences but also to their proponents communication of truth claims through diverse genres ranging from the scientific textbook and the technical monograph to the lost world romance and the epic poem By paying close attention to the hitherto overlooked textual forms and literary strategies of these works of pseudoscience this volume throws into relief the variant conceptions of audience evidence and method that jostled and competed in wider scientific culture during this period It also demonstrates that for all their diversity authors of borderline palaeoscience shared the desire to shift the balance of power creating textual spaces where exclusive hierarchies of scientific expertise could be levelled away These conjurers of lost worlds often captivated wide audiences and many of their bizarre astonishing and iconoclastic ideas remain with us to this day Some even inspired early science fiction by the likes of H P Lovecraft and Edgar Rice Burroughs Hijacking geologists and palaeontologists longstanding effort at making the prehistoric past visible authors on the borderlines of palaeoscience

asserted their right to scientific authority and encouraged readers to gaze into time's abyss with bold new eyes The Pazyryk Agenda Edward P. Rich, 2004-01-09 This is a policewoman's career on the streets of Chicago and one of its western suburbs about five years from now A police procedural it is based on actual current regulations In the world where Helen Bell worked each day any officer's opinions and decisions are shaped by larger inner values no police department can instill Each cop sees a slightly different version of every situation and each career has different turning points Turning points can be fortunate or fatal for a career An incident involving a shooting can be legally very complex The shooter is not always responsible for his actions In training a recruit a subject is shot and gravely injured As the training officer did she order the recruit to fire Or did the recruit in his fear and inexperience act on his own The responsibility of the training officer would have to be court tested In their careers things police know or hear the believed good will of their superiors is the factual information they rely on Otherwise people and events outside their socially limited world can decide their actions It was at this point and with these emotions that Helen Bell became exposed to The Pazyryk Agenda National Union Catalog, 1956 Includes entries for maps and atlases *Comics: Between the Panels* Steve Duin, Mike Richardson, 1998-10-13 An alphabetically arranged encyclopedia of comics **Price Guide and Introduction to Movie Posters and Movie Memorabilia** James Stratton Dietz, 1985-06 *The Encyclopedia of Fantasy* John Clute, John Grant, 1999-03-15 Like its companion volume *The Encyclopedia of Science Fiction* this massive reference of 4 000 entries covers all aspects of fantasy from literature to art *The National Union Catalogs, 1963- , 1964* **The Comic Art Collection Catalog** Michigan State University.
