Self, Others and the State Arlie Loughnan, 2019-12-12 Criminal responsibility is now central to criminal law but it is in need of re-examination In the context of Australian criminal laws *Self Others and the State* reassesses the general assumptions made about the rise to prominence of criminal responsibility in the period since around the turn of the twentieth century It reconsiders the role of criminal responsibility in criminal law arguing that criminal responsibility is significant because it organises key sets of relations between self others and the state as relations of responsibility Detailed studies of decisive

Condemned Graham Seal, 2021-01-01 A powerful account of how coerced migration built the British Empire In the early seventeenth century Britain took ruthless steps to deal with its unwanted citizens forcibly removing men women and children from their homelands and sending them to far flung corners of the empire to be sold off to colonial masters This oppressive regime grew into a brutal system of human bondage which would continue into the twentieth century Drawing on firsthand accounts letters and official documents Graham Seal uncovers the traumatic struggles of those shipped around the empire He shows how the earliest large scale kidnapping and transportation of children to the American colonies were quickly bolstered with shipments of the poor criminal and rebellious

to different continents including Australia From Asia to Africa this global trade in forced labor allowed Britain to build its colonies while turning a considerable profit Incisive and moving this account brings to light the true extent of a cruel strand in the history of the British Empire

Governing Child Abuse Voices and Victimisation Jodi Death, 2017-10-25 Child sexual abuse by clergy within the Roman Catholic Church has emerged as a social and political discourse over the last three decades The analysis here specifically focuses on the establishment conduct and outcomes of the extensive public inquiries of Australia although inquiries in other jurisdictions are also discussed Unlike criminal or civil processes although they may be inquisitory in nature public inquiries emerge from a specifically political context and are a tool of governance embedded in a larger context of governmentality Understanding the broader political and cultural contexts of public inquiries is important then in understanding their value and effectiveness as justice processes especially for victims of CSA by clergy What is interesting about public inquiry is that it situates victims of CSA by clergy outside of criminal and civil justice processes and recognises a different politicised relationship between victims as citizens the state and Catholic institutions where abuse has occurred At the cutting edge of disciplinary and methodological understandings of the interconnections between the church state and families his book explores the dynamics of the emergence and politicisation of victims of CSA by clergy their expressions of resistance and the legitimisation of their voice in public and political spheres

Musgrove, Deidre Michell, 2018-08-10 This book draws on archival oral history and public policy sources to tell a history of foster care in Australia from the nineteenth century to the present day It is primarily a social history which places the voices of people directly touched by foster care at the centre of the story but also within the wider social and political debates which have shaped foster care across more than a century The book confronts foster care's difficult past death and abuse of foster children family separation and a general public apathy towards these issues but it also acknowledges the resilience of people who have survived a childhood in foster care and the challenges faced by those who have worked hard to provide good foster homes and to make child welfare systems better These are themes which the book examines from an Australian perspective but which often resonate with foster care globally The Pulpit Orator Johann Evangelist Zollner, 1884 **Toni Morrison**
