One Big Self C.D. Wright, 2013-06-15 Wright has found a way to wed fragments of an iconic America to a luminously strange idiom eerie as a tin whistle which she uses to evoke the haunted quality of our carnal existence The New Yorker Inspired by numerous visits inside Louisiana state prisons where MacArthur Fellow C D Wright served as a factotum for a portrait photographer One Big Self bears witness to incarcerated men and women and speaks to the psychic toll of protracted time passed in constricted space It is a riveting mosaic of distinct voices epistolary pieces elements from a moralistic board game road signage prison data inmate correspondence and counts of things from baby s teeth to chigger bites Count your folding money Count the times you said you wouldn t go back Count your debts Count the roaches when the light comes on Count your kids after the housefire One Big Self originally published as a large format limited edition that featured photographs and text was selected by The New York Times and The Village Voice as a notable book of the year This edition features the poem exclusively C D Wright is the author of ten books of poetry including several collaborations with photographer Deborah Luster She is a professor at Brown University *Cooling Time* C.D. Wright, 2012-12-11 C D Wright takes her title from a line of legal defense peculiar to Texas courts in which it is held that if a man kills before having had time to cool after receiving an injury or an insult he is not guilty of murder *Cooling Time* is a new type of book an unruly vigil that is an interconnected memoir poem essay about contemporary American poetry Ever focused on possibilities Wright demonstrates that the search for models becomes a search for alternatives and thereby defines the terms by which poets can chart their own course These are some of the things I have touched in my life that are forbidden paintings behind velvet ropes electric fencing a vault in an office gun in a drawer my brother s folding money the poet s anus the black holes in his

heart where his life went out of him Tell me what is the long stretch of road for if not to sort out the reasons why we are here and why we do what we do from why we are not in the other lane doing what others do Poetry is like food remarked one of my first teachers freeing me to dislike Rocky Mountain Oysters and Robert Lowell The menu is vast the list of things I don't want in my mouth relatively short C D Wright author of nine books of poetry teaches at Brown University She lives in Providence Rhode Island with poet Forrest Gander Deepstep Come Shining C.D. Wright, 2012-12-18 Rebellious and fiercely lyrical the poems of C D Wright incorporate elements of disjunction and odd juxtaposition in their exploration of unfolding context In my book she writes poetry is a necessity of life It is a function of poetry to locate those zones inside us that would be free and declare them so C D Wright was born and raised in the Ozark Mountains of Arkansas She has received numerous awards for her work including grants from the National Endowment for the Arts the Guggenheim Foundation the American Academy and Institute for Arts and Letters and the Lila Wallace Reader's Digest Foundation She teaches at Brown University in Rhode Island Expertly elliptical phrasings and an uncounterfeitable generous feel for real people bodies and places have lately made Wright one of America's oddest best and most appealing poets Her tenth book consists of a single long poem whose sentences segments and prose blocks weave loosely around and about and grow out of a road trip through the rural South Clipped twangs lyrical goblets of magnolia light and recurrent mysterious semi allegorical figures like the snakeman and the boneman share space with place names lexicographies exhortations and wacky graffiti God is Louise cherish Wright's latest once and for all thing opaque and revelatory ceaselessly burning Publishers Weekly For me C D Wright's poetry is river gold Love whatever flows Her language is on the page half pulled out of earth and rivers still holding onto the truth of the elements I love her voice and pitch and the long snaky arms of her language that is willing to hold everything human and angry and beautiful Michael Ondaatje C D Wright is entirely her own poet a true original The Gettysburg Review *Southern Writers* Joseph M. Flora, Amber Vogel, 2006-06-21 This new edition of *Southern Writers* assumes its distinguished predecessor's place as the essential reference on literary artists of the American South Broadly expanded and thoroughly revised it boasts 604 entries nearly double the earlier edition's written by 264 scholars For every figure major and minor from the venerable and canonical to the fresh and innovative a biographical sketch and chronological list of published works provide comprehensive concise up to date information Here in one convenient source are the South's novelists and short story writers poets and dramatists memoirists and essayists journalists scholars and biographers from the colonial period to the twenty first century What constitutes a southern writer is always a matter for debate Editors Joseph M Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region in either a personal or literary sense New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication as well as older talents previously unknown or unacknowledged For almost every writer found in the previous edition a new biography has been commissioned Drawn from the very best minds on southern literature
