MALACHI S COVE N the northern coast of Cornwall between Tintagel and Bossiney down to the very margin of the sea there lived not long since an old man who got his living by saving seaweed from the waves and selling it for manure The cliffs there are bold and fine and the sea beats in upon them from the north with a grand violence I doubt whether it be not the finest morsel of cliff scenery in England though it is beaten by many portions of the west coast of Ireland and perhaps also by spots in Wales and Scotland Cliffs should be nearly precipitous they should be broken in their outlines and should barely admit here and there of an insecure passage from the summit of the sand at their feet The sea should come if not up to them at least very near to them and then above all things the water below them should be blue and not of that dead leaden colour which is so familiar to us in England At Tintagel all these requisites are there except that bright blue colour which is so lovely But the cliffs themselves are bold and well broken and the margin of sand at high water is very narrow so narrow that at spring tides there is barely a footing there Close upon this margin was the cottage or hovel of Malachi Trenglos the old man of whom I have spoken But Malachi or old Glos as he was commonly called by the people around him had not built his house absolutely upon the sand There was a fissure in the rock so great that at the top it formed a narrow ravine and so complete from the summit to the base that it afforded an opening for a steep and rugged track from the top of the rock to the bottom This fissure was so wide at the bottom that it had afforded space for Trenglos to fix his habitation on a foundation of rock

*Lotta Schmidt and Other Stories, by Anthony Trollope (Short Stories)* Anthony Trollope, 2016-06-23 The tales in this collection as with those of Tales of All Countries encompass a variety of themes and are set in a number of different lands Lotta Schmidt herself is an attractive young woman of Vienna whose heart is melted by the sensitive zither playing of her admirer Herr Crippel The two generals in the story of that name are soldiers on opposing sides in the American Civil War Father Giles of Ballymoy is an hospitable Irish priest whose strange ways are at first misinterpreted by an English visitor and Miss Ophelia Gledd has two suitors one American and one English both of whom are representatives of all their fellow countrymen Anthony Trollope 24 April 1815 6 December 1882 was one of the most successful prolific and respected English novelists of the Victorian era Among his best loved works is a series of novels collectively known as the Chronicles of Barsetshire which revolves around the imaginary county of Barsetshire He also wrote perceptive novels on political social and gender issues and on other topical matters Thomas Anthony Trollope Anthony s father was a barrister Though a clever and well educated man and a Fellow of New College Oxford he failed at the bar due to his bad temper In addition his ventures into farming proved unprofitable and he lost an expected inheritance when an elderly childless uncle remarried and had children As a son of landed gentry he wanted his sons to be raised as gentlemen and to attend Oxford or Cambridge Anthony Trollope suffered much misery in his boyhood owing to the disparity between the privileged background of his parents and their comparatively small means Born in London Anthony attended Harrow School as a free day pupil for three years from the age of seven because his father s farm b acquired for that reason lay in that neighbourhood After a spell at a private school at Sunbury he followed his father and two older brothers to Winchester College where he remained for three years He returned to Harrow as a day boy to reduce the cost of his education Trollope

had some very miserable experiences at these two public schools They ranked as two of the most elite schools in England but Trollope had no money and no friends and was bullied a great deal At the age of twelve he fantasized about suicide However he also daydreamed constructing elaborate imaginary worlds In 1827 his mother Frances Trollope moved to America with Trollope s three younger siblings to Nashoba Commune After that failed she opened a bazaar in Cincinnati which proved unsuccessful Thomas Trollope joined them for a short time before returning to the farm at Harrow but Anthony stayed in England throughout His mother returned in 1831 and rapidly made a name for herself as a writer soon earning a good income His father s affairs however went from bad to worse He gave up his legal practice entirely and failed to make enough income from farming to pay rents to his landlord Lord Northwick In 1834 he fled to Belgium to avoid arrest for debt The whole family moved to a house near Bruges where they lived entirely on Frances s earnings In Belgium Anthony was offered a commission in an Austrian cavalry regiment To accept it he needed to learn French and German he had a year in which to acquire these languages To learn them without expense to himself and his family he took a position as an usher in a school in Brussels which position made him the tutor of thirty boys After six weeks of this however he received an offer of a clerkship in the General Post Office obtained through a family friend He returned to London in the autumn of 1834 to take up this post
