Nabokovs Dark Cinema

Alfred Appel (jr.)

Nabokov's Dark Cinema:

Nabokov's Dark Cinema Alfred Appel, 1974 Nabokov's best critic here demonstrates how extraordinarily important the material of popular culture can be in the creation of works of high art *Lolita* takes a central place in this book Mr Appel discusses its roots in American popular culture Nabokov's part in the making of Kubrick's filmed version and the film itself All of Nabokov's works are treated and many other writers are discussed Nabokov's Dark Cinema Alfred Appel (jr.), 1974

Nabokov's Theatrical Imagination Siggy Frank, 2012-01-12 Drawing on a wealth of unpublished archival material this study offers a comprehensive assessment of the importance of theatrical performance in Vladimir Nabokov's thinking and writing Siggy Frank provides fresh insights into Nabokov's wider aesthetics and arrives at new readings of his narrative fiction As well as emphasising the importance of theatrical performance to our understanding of Nabokov's texts she demonstrates that the theme of theatricality runs through the central concerns of Nabokov's art and life the nature of fiction the relationship between the author and his fictional world textual origin and derivation authorial control and textual property literary appropriations and adaptations and finally the transformation of the writer himself from the Russian migr writer Sirin to the American novelist Nabokov Nabokov Noir Luke Parker, 2022-11-15 Nabokov Noir places Vladimir Nabokov's early literary career from the 1920s to the 1940s in the context of his fascination with silent and early sound cinema and the chiaroscuro darkness and artificial brightness of the Weimar era with its movie palaces cultural Americanism and surface culture Luke Parker argues that Nabokov's engagement with the cinema and the dynamics of mass culture more broadly is an art of exile understood both as literary poetics and practical strategy Obsessive and competitive fascinated and disturbed Nabokov's Russian language fiction and essays written in Berlin present a compelling rethinking of modernist era literature's relationship to an unabashedly mass cultural phenomenon Parker examines how Nabokov's involvement with the cinema as actor screenwriter moviegoer and above all chronicler of the cinematized culture of interwar Europe enabled him to flourish as a transnational writer Nabokov Parker shows worked tirelessly to court publishers and film producers for maximum exposure for his fiction across languages media and markets In revealing the story of Nabokov's cinema praxis his strategic instrumentalization of the movie industry Nabokov Noir reconstructs the deft response of a modern master to the artificial isolation and shrinking audiences of exile *Nabokov's Cinematic Afterlife* Ewa Mazierska, 2014-01-10 This book offers critical studies of films that adapted works by Vladimir Nabokov One of the most screened twentieth century authors with over ten books adapted for cinema his works are full of quirky and forbidden romance and his writing is renowned for its cinematic qualities e.g. frames stage directions and descriptions suggesting specific camera positions and movements Films discussed include *Lolita* both Kubrick's 1962 and Lyne's 1997 versions Richardson's *Laughter in the Dark* 1969 Skolimowski's *King Queen Knave* 1972 Fassbinder's *Despair* 1978 Foulon's *Mademoiselle O* 1994 Kuik's *An Affair of Honor* 1999 Gorris' *The Luzhin Defence* 2000 and Rohmer's *The Triple Agent* 2004 A final chapter discusses similarities between Nabokov and

Jean Luc Godard Twentieth-Century American Fiction on Screen R. Barton Palmer, 2007-02-22 The essays in this collection analyse major film adaptations of twentieth century American fiction from F Scott Fitzgerald's *The Last Tycoon* to Toni Morrison's *Beloved* During the century films based on American literature came to play a central role in the history of the American cinema Combining cinematic and literary approaches this volume explores the adaptation process from conception through production and reception The contributors explore the ways political and historical contexts have shaped the transfer from book to screen and the new perspectives that films bring to literary works In particular they examine how the twentieth century literary modes of realism modernism and postmodernism have influenced the forms of modern cinema Written in a lively and accessible style the book includes production stills and full filmographies Together with its companion volume on nineteenth century fiction the volume offers a comprehensive account of the rich tradition of American literature on screen

Nabokov's Fifth Arc J. E. Rivers, Charles Nicol, 2014-09-10 In his autobiography *Speak Memory* Vladimir Nabokov compared his life to a spiral in which twirl follows twirl and every synthesis is the thesis of the next series The first four arcs of the spiral of Nabokov's life his youth in Russia voluntary exile in Europe two decades spent in the United States and the final years of his life in Switzerland are now followed by a fifth arc his continuing life in literary history which this volume both explores and symbolizes This is the first collection of essays to examine all five arcs of Nabokov's creative life through close analyses of representative works The essays cast new light on works both famous and neglected and place these works against the backgrounds of Nabokov's career as a whole and modern literature in general Nabokov analyzes his own artistry in his *Postscript to the Russian Edition of Lolita* presented here in its first English translation and in his little known *Notes to Ada* by Vivian Darkbloom published now for the first time in America and keyed to the standard U S editions of the novel In addition to a defense of his father's work by Dmitri Nabokov and a portrait interview by Alfred Appel Jr the volume presents a vast spectrum of critical analyses covering all Nabokov's major novels and several important short stories The highly original structure of the book and the fresh and often startling revelations of the essays dramatize as never before the unity and richness of Nabokov's unique literary achievement

The Humour of Vladimir Nabokov Paul Benedict Grant, 2024-09-30 The first in depth study of Vladimir Nabokov's humour investigating its physical aspects such as farce slapstick sexual and scatological humour Offers the first in depth study of Nabokov's humour Presents a revisionist reading of Nabokov Examines the metaphysical aspects of Nabokov's humour Examines the sexual and scatological aspects of Nabokov's humour Applies humour theory e g those of Hobbes Bergson Freud to Nabokov's texts Compares Nabokov's humour to that of his Russian predecessors e g Pushkin Gogol Chekhov and to literary humourists such as Rabelais Swift Joyce Many critics classify Vladimir Nabokov as a highbrow humourist a refined wordsmith overly fond of playful puzzles and private in jokes whose art appeals primarily to an intellectually sophisticated readership This study presents a more balanced portrait placing equal emphasis on the broader earthier humour that is such a marked feature of Nabokov's writing which

draws on the human body and all things physical for its laughs sex and scatology farce and slapstick Moving between the metaphysical and the physical the cosmic and the comic mind and matter it presents Nabokov as a writer at home in both high and low forms of humour a comedian who is capable of producing as many belly laughs as brainteasers and of appealing to a much wider readership than is commonly supposed **Reflexivity in Film and Literature** Robert Stam,1992

Reflexivity refers to those moments in fiction and film when the work suddenly calls attention to itself as a fictional construct For example in literature a character might suddenly step out of the story and address the reader Lolita Richard

Corliss,2019-07-25 Stanley Kubrick s version of Vladimir Nabokov s novel was one of the most controversial films of the 1960s This analysis is written by Richard Corliss editor of Film Comment It features a brief production history and a detailed filmography **The Excitement of Verbal Adventure: A Study of Vladimir Nabokov's English Prose** J?rgen

Bodenstein,1977 **The Five Senses in Nabokov's Works** Marie Bouchet,Julie Loison-Charles,Isabelle Poulin,2020-06-19

This collection of essays focuses on a subject largely neglected in Nabokovian criticism the importance and significance of the five senses in Vladimir Nabokov s work poetics politics and aesthetics This text analyzes the crucial role of the author s synesthesia and multilingualism in relation to the five senses as well as the sensual and erotic dimensions of sensoriality in his works Each chapter provides a highly focused and sometimes provocative approach to the unique role that sensory perceptions play in the shaping and narrating of Nabokov s memories and in his creative process Nabokov Leona

Toker,2016-11-01 Vladimir Nabokov described the literature course he taught at Cornell as a kind of detective investigation of the mystery of literary structures Leona Toker here pursues a similar investigation of the enigmatic structures of Nabokov s own fiction According to Toker most previous critics stressed either Nabokov s concern with form or the humanistic side of his works but rarely if ever the two together In sensitive and revealing readings of ten novels Toker demonstrates that the need to reconcile the human element with aesthetic or metaphysical pursuits is a constant theme of Nabokov s and that the tension between technique and content is itself a key to his fiction Written with verve and precision Toker s book begins with Pnin and follows the circular pattern that is one of her subject s own favored devices **Nabokov, Perversely** Eric

Naiman,2011-01-15 In an original and provocative reading of Vladimir Nabokov s work and the pleasures and perils to which its readers are subjected Eric Naiman explores the significance and consequences of Nabokov s insistence on bringing the issue of art s essential perversity to the fore Nabokov s fiction is notorious for the interpretive panic it occasions in its readers the sense that no matter how hard he or she tries the reader has not gotten Nabokov right At the same time the fictions abound with characters who might be labeled perverts and questions of sexuality lurk everywhere Naiman argues that the sexual and the interpretive are so bound together in Nabokov s stories and novels that the reader confronts the fear that there is no stable line between good reading and overreading and that reading Nabokov well is beset by the exhilaration and performance anxiety more frequently associated with questions of sexuality than of literature Nabokov s fictions pervert

their readers obligingly training them to twist and turn the text in order to puzzle out its meanings so that they become not better people but closer readers assuming all the impudence and potential for shame that sexually oriented close looking entails In Nabokov Perversely Naiman traces the connections between sex and interpretation in *Lolita* which he reads as a perverse work of Shakespeare scholarship Pnin Bend Sinister and Ada He examines the roots of perverse reading in *The Defense* and charts the enhanced attention to the connection between sex and metafiction in works translated from the Russian He also takes on books by other authors such as *Reading Lolita in Tehran* that misguidedly incorporate Nabokov's writing within frameworks of moral usefulness In a final extraordinary chapter Naiman reads Dostoevsky's *The Double* with Nabokov trained eyes making clear the power a strong writer can exert on readers

Nabokov's Canon Marijeta Bozovic, 2016-05-31 Nabokov's translation of Pushkin's *Eugene Onegin* 1964 and its accompanying Commentary along with *Ada or Ardor* 1969 his densely allusive late English language novel have appeared nearly inscrutable to many interpreters of his work If not outright failures they are often considered relatively unsuccessful curiosities In Bozovic's insightful study these key texts reveal Nabokov's ambitions to reimagine a canon of nineteenth and twentieth century Western masterpieces with Russian literature as a central rather than marginal strain Nabokov's scholarly work translations and lectures on literature bear resemblance to New Critical canon reformations however Nabokov's canon is pointedly translingual and transnational and serves to legitimize his own literary practice The new angles and theoretical framework offered by Nabokov's *Canon* help us to understand why Nabokov's provocative monuments remain powerful source texts for several generations of diverse international writers as well as richly productive material for visual cinematic musical and other artistic adaptations

The Translator's Doubts Julia Trubikhina, 2019-08-28 Using Vladimir Nabokov as its case study this volume approaches translation as a crucial avenue into literary history and theory philosophy and interpretation The book attempts to bring together issues in translation and the shift in Nabokov studies from its earlier emphasis on the metaliterary to the more recent metaphysical approach Addressing specific texts both literary and cinematic the book investigates Nabokov's deeply ambivalent relationship to translation as a hermeneutic oscillation on his part between the relative stability of meaning which expresses itself philosophically as a faith in the beyond and deep metaphysical uncertainty While Nabokov's practice of translation changes profoundly over the course of his career his adherence to the Romantic notion of a true but ultimately elusive metaphysical language remained paradoxically constant

Figurations of Exile in Hitchcock and Nabokov Barbara Straumann, 2008-12-16 This book makes an important contribution to cultural analysis by opening up the work of two canonical authors to issues of exile and migration Barbara Straumann's close reading of selected films and literary texts focuses on *Speak Memory* *Lolita* *The Real Life of Sebastian Knight* *Suspicion* *North by Northwest* and *Shadow of a Doubt* and explores the connections between language imagination and exile Invoking psychoanalysis as the principal discourse of dislocation the book not only uses concepts such as screen memory family romance fantasy and the uncanny as hermeneutic

foils it also argues that in their own ways the arch parodists Hitchcock and Nabokov are remarkably in tune with the images and tropes developed by Freud

Nabokov and His Fiction Julian W. Connolly, 1999-08-05 Published in 1999 to mark the centenary of Vladimir Nabokov's birth this volume brings together the work of eleven of the world's foremost Nabokov scholars offering perspectives on the writer and his fiction Their essays cover a broad range of topics and approaches from close readings of major texts including *Invitation of a Small Guest* and *Pale Fire* to penetrating discussions of the significant relationship between Nabokov's personal beliefs and experiences and his art Several of the essays attempt to uncover the artistic principles that underlie the author's literary creations while others seek to place Nabokov's work in a variety of literary and cultural contexts Among these essays are a first glimpse at a little known work *The Tragedy of Mr Morn* as well as a perspective on Nabokov's most famous novel *Lolita* The volume as a whole offers valuable insight into Nabokov scholarship

Vladimir Nabokov D. Rampton, 2012-11-13 A clearly written insightful study of Nabokov the novelist providing an expert analysis of the 17 novels he wrote during a career spanning more than 50 years one of the most impressive challenging and controversial literary achievements of our time

Vladimir Nabokov's Lolita Ellen Pifer, 2003 This volume comprises an interview with Nabokov as well as nine critical essays that follow a progression focusing first on textual and thematic features of *Lolita* and then proceeding to broader issues and cultural implications including the novel's relations to other work of literature and art

Nabokovs Dark Cinema Introduction

In the digital age, access to information has become easier than ever before. The ability to download Nabokovs Dark Cinema has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Nabokovs Dark Cinema has opened up a world of possibilities. Downloading Nabokovs Dark Cinema provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Nabokovs Dark Cinema has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Nabokovs Dark Cinema. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Nabokovs Dark Cinema. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Nabokovs Dark Cinema, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Nabokovs Dark Cinema has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Nabokovs Dark Cinema Books

What is a Nabokovs Dark Cinema PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Nabokovs Dark Cinema PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Nabokovs Dark Cinema PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Nabokovs Dark Cinema PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Nabokovs Dark Cinema PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
