about hope and healing through the journey **Mommy's Diary** Ben Pathen,2019-11-06 Rachael is a mother But not just any mother She is the parent to a happy bubbly adult baby boy called Phillip Getting to where she and her baby are now was quite a journey and through Rachel s diary we can see what transpired the successes and failures and the eventual wonder of a satisfying mother and adult baby relationship It is a fabulous example of what it is like when a loving woman meets a very infantile adult and together they become become mother and baby Many will wish they too were Phillip as he descends to a life of diapers cribs bottles toys and nurseries And perhaps a few other readers will be women wondering if maybe an adult baby is what they want as well Which one are you **Stories for Boys: A Memoir** Gregory Martin,2012-08-20 In this memoir of fathers and sons Gregory Martin struggles to reconcile the father he thought he knew with a man who has just survived a suicide attempt a man who had been having anonymous affairs with men throughout his thirty nine years of marriage and who now must begin his life as a gay man At a tipping point in our national conversation about gender and sexuality rights and acceptance Stories for Boys is about a father and a son finding a way to build a new relationship with one another after years of suppression and denial are given air and light Martin s memoir is quirky and compelling with its amateur photos and grab bag social science and literary analyses Gregory Martin explores the impact his father s lifelong secrets have upon his life now as a husband and father of two young boys with humor and bracing candor Stories for Boys is resonant with conflicting emotions and the complexities of family sympathy and asks the questions How well do we know the people that we think we know the best And how much do we have to know in order to keep loving them *Walking with the Muses* Pat Cleveland,Lorraine Glennon,2017-08 New York and Paris in the sixties and seventies were glamorous and gritty at the same time cities where people like Warhol Avedon Halston and Lagerfeld as well their muses pursued their wildest ambitions Though born an outsider Patricia Cleveland through a combination of luck incandescent beauty hard work and enviable style soon found herself in the center of all that was creative bohemian and elegant As a walking girl a runway fashion model whose inimitable style still turns heads on the runways of New York Paris Milan and Tokyo Cleveland was in high demand Ranging from the streets of New York to the jet set beaches of Mexico from the designer ateliers of Paris to the offices of Diana Vreeland here is Cleveland s larger than life story One minute she s in a Harlem tenement making her own clothes and dreaming of something bigger the next she s about to walk Halston s show alongside fellow model Anjelica Huston One minute she s partying with Mick Jagger and Jack Nicholson the next she s sharing the dance floor beside a man with stark white hair an artist she would later realize was Andy Warhol One moment she s idolizing the silver screen sensation Warren Beatty then years later she s deciding whether to resist his considerable amorous charms In New York she struggles to secure her first cover of a major magazine In Europe she s the toast of the town And through the whirlwind of it all she is forever in pursuit of love truth and beauty A page turning memoir of a life well lived *Walking with the Muses* is a book you won t soon forget Jacket **Death by Bikini** Linda Gerber,2008-05-15 A fun sexy murder mystery romance for all
