Regional Great Powers In International Politics:

Regional Great Powers in International Politics Iver B. Neumann, 1992-01-01 This book illuminates the complex interplay between specifically regional concerns and the wider international context which together define the regional hierarchy of states On top of that hierarchy is the regional great power Building on seven case studies of Brazil India Indonesia Israel Poland South Africa and Vietnam the authors demonstrate how this status cannot be attained simply by building up a huge military or economic power base The attitudes and ambitions of the aspiring state its regional neighbours and the great powers with global interests and reach must all be taken into consideration The sheer number of factors which sustain regional great powerhood makes that status a precarious one Although the end of the cold war may open up new regional space for regional great powers to exploit and so make them more important in providing for regional order the autonomy of regions may still easily be overestimated

Regional Great Powers in International Politics Iver B. Neumann, 1992 This book illuminates the complex interplay between specifically regional concerns and the wider international context which together define the regional hierarchy of states On top of that hierarchy is the regional great power Building on seven case studies of Brazil India Indonesia Israel Poland South Africa and Vietnam the authors demonstrate how this status cannot be attained simply by building up a huge military or economic power base The attitudes and ambitions of the aspiring state its regional neighbours and the great powers with global interests and reach must all be taken into consideration The sheer number of factors which sustain regional great powerhood makes that status a precarious one Although the end of the cold war may open up new regional space for regional great powers to exploit and so make them more important in providing for regional order the autonomy of regions may still easily be overestimated

Regional Great Powers in International Politics Iver B. Neumann, 1992-06-18 Illuminates the interplay between regional concerns and the international context which together define the hierarchy of states Building on case studies this book demonstrates that this status cannot be attained solely by building a military or economic power base

International Politics G Berridge, 2014-01-21 A new Edition of this well established introduction to international politics As with the previous two editions the book's emphasis is on states the conflicts that divide them the instruments they employ to pursue their ideals and secure their interests and the systems of precepts and practices through which conflicts are worked out

The United States and the Great Powers Barry Buzan, 2004-10-15 Arguing that we live in a world where great powers such as China and the EU are not helpless in the face of the United States this text contends that the other major nations of the world must work alongside the US in order to counter balance America's current dominance of the international political scene

Order of East Asia Honghua Men, 2020-06-05 This book describes the past present and future of East Asian order and analyzes how China Japan the US and ASEAN play important roles in the transformation of East Asian order and discusses the new logic of regional order formation in the era of globalization and regional integration The book analyzes China's relationship with East

Asian order great powers and regional institutions involved especially bilateral relations between China and Japan China and the U S China and ASEAN and explores how China could improve its regional strategy Addressing a hot topic in world politics from the angle of regional order and using methods such as historical analysis comparative analysis quantitative analysis and case study this readable book enables readers to develop an understanding of the history and status quo of East Asia and China s role in the region

Foreign Policy Responses to the Rise of Brazil G. Gardini,M. Tavares de Almeida,2017-03-22 Brazil has risen Its economic might and international activism are remarkable but the limitations to its capacity and will to turn potential power into concrete international influence are equally significant This book assesses the real impact of the rise of Brazil on other Latin American countries and how these countries have responded

Trends and Transformations in World Politics Rahman Dag,Özgür Tüfekçi,2022-05-05 We are witnessing turbulent times which inspire both anxiety and hope Many global trends are sweeping across a transforming world To make these movements and changes more understandable Trends and Transformations in World Politics introduces the reader to the study of world politics in a period of rapid readjustment This book also focuses on world historical transformations as a general phenomenon showing how the twenty first century change in world politics fits into broader patterns of macro historical change To do that the perspective of major international relations theories is utilized and a discussion of transformation is grounded within a conceptual framework This book will strengthen the reader s understanding of the trends and transformations in world politics

Middle Powers and Regional Influence Joshua B. Spero,2018-11-16 In the growing literature on middle powers this book contributes by expanding case study analysis and extending international relations theory in its application to foreign policy decisions Thus this book builds on prominent middle power literature and aims to advance our theoretical understanding for why crucial foreign policies were made by the pivotal middle powers this book examines Poland South Korea and Bolivia For this book s three case studies and their first term leadership s critical junctures from first term post communist Poland post authoritarian post ruling party South Korea and post colonial Bolivia we have the antecedents for contemporary middle powers essential for realizing the regional evolution for cooperative change with greater powers systemically we may then grasp today why those historical foreign policies albeit not so long ago give us crucial antecedents for adapting and trying yet again to resolve seemingly perennial power dilemmas regionally peacefully Here are why middle power impact matters not only regionally for stronger dominant greater power neighbours but also for transformative middle power leaderships which proved pivotal geopolitically for their region s challenges and changes

Redefining Regional Power in International Relations Miriam Prys,2012-05-04 This book examines the concept of regional power in international relations Using the emerging powers of India and South Africa as the case studies it explores how regional powers simultaneously differ and share common features The book develops a method to classify and evaluate different types of regional powers and applies this typology to contemporary case studies of India and South Africa Regional

power is often expected to have a positive influence on region specific problems of conflict economic deprivation and political instability In reality an achievement expectations gap can be seen in many regional powers which can be analysed and understood through observable variation in regional power The author discovers that in addition to the management of the internal regional order regional powers have to establish individuality whilst fitting into the global international environment altering both regional dynamics and creating variance in the level of control within the region Elucidating concepts and definitions this book is an accessible and in depth study that both introduces key concepts and provides a framework for the future study of regional power in international relations Redefining Regional Power in International Relations will be of interest to students and scholars of regionalism and international relations **Regional Security Structures in Asia**

Ashok Kapur,2018-10-24 Kapur argues that explanations of international relations in Asia in the post Second World War period have relied too much on the Cold War as a key explanatory factor and have not given enough emphasis to the useful concepts of regional power formation conflict formation and conflict resolution The author outlines these concepts and goes on to elaborate on them and to apply them to three key Asian regions northeast southeast and south Asia discussing practical strategic issues in an historical perspective and arguing that these concepts and other concepts which he discusses are extremely helpful in making sense of the complex pattern of international relations in Asia Iran-Turkey Relations, 1979-2011

Suleyman Elik,2013-03 This book explores the diplomatic security and energy relations of Turkey and Iran analysing the impact of religious political and social transformation on their bilateral relationship It examines Turkey and Iran s security relations with the wider Middle East including the Kurdish Turkish War the Kurdish Iranian War and the Kurdish Arab War and their impact on regional politics Regional and International Cooperation in South America After COVID

Melisa Deciancio,Cintia Quiliconi,2022-07-22 This volume analyses South American regional and international cooperation during the COVID19 crisis started in 2020 Across thirteen chapters a collection of leading experts address how regional collaboration has developed evolved and recoiled The chapters explore the state of regionalism at the pandemic surge and the challenges and opportunities this situation has opened for regional and international cooperation Authors analyze the role of extra regional powers and traditional regional leaders during the pandemic identifying the extent to which regional cooperation has been possible across several policy agendas They argue that fragmented visions of regionalism ideological polarization and weak leadership has prevailed from before the pandemic which accompanied by adverse interactions among major powers has ensured that cooperation has remained bilateral rather than regional Ultimately all these factors have created a complex scenario in which disintegration dynamics have emerged darkening even more the South American regional panorama Regional and International Cooperation in South America After COVID will be an invaluable resource for students scholars and policy specialists of regionalism and regional integration Latin American studies international relations and international political economy **The International Politics of EU-China Relations**

Liu Fei, 2007-12-13 The EU China relationship is fast developing in its own context and in the wider context of international politics In these essays major scholars from Europe and China debate the nature problems and potential of the emerging strategic relationship between these two international actors The New International Politics of South Asia Vernon Hewitt, 1997-09-15 Revised and substantially updated The new international politics of South Asia argues that the politics of the individual states of South Asia cannot be understood without reference to the regional and international context The author emphasises the need to consider rapid political social and economic change in the context of debates over ethnic identity and changes within the international system following the collapse of the Soviet Union Recent changes have opened up new opportunities for the region but have also exposed specific weaknesses The author discusses India s evolving relationship with the international economic system economic reforms in Pakistan and Sri Lanka as well as key issues such as the regional position on the NPT treaty the Comprehensive Test Ban treaty environmental issues and the post Cold War world order *South Asian Insecurity and the Great Powers* Barry Buzan, Gowher Rizvi, Rosemary Foot, 1986-06-18
Regions, Power, and Conflict William R. Thompson, Thomas J. Volgy, Paul Bezerra, Jacob Cramer, Kelly Marie Gordell, Manjeet Pardesi, Karen Rasler, J. Patrick Rhamey Jr., Kentaro Sakuwa, Rachel Van Nostrand, Leila Zakhirova, 2022-08-16 The three main levels of analysis in international relations have been the systemic the national and the individual A fourth level that falls between the systemic and the national is the region It is woefully underdeveloped in comparison to the attention afforded the other three Yet regions tend to be distinctive theaters for international politics Otherwise we would not recognize that Middle Eastern interstate politics somehow does not resemble Latin American interstate politics or interstate politics in Southern Africa although once the Middle East and Southern Africa may have seemed more similar in their mutual fixation with opposition to domestic policies in Israel and South Africa respectively This book divided into three parts first makes a case for studying regional politics even though it must also be appreciated that regional boundaries are also hazy and not always easy to pin down empirically The second part examines power distributions within regions as an important entry point to studying regional similarities and differences Two emphases are stressed One is that regional power assessments need to be conditioned by controlling for weak states which are more common in some regions than they are in others The other emphasis is on regional power hierarchies Some regions have strong regional hierarchies while others do not Regions with strong hierarchies operate much differently from those without them in the sense that the former are more pacific than the latter The third part of the book focuses on regional differences in terms of conflict behavior order preferences rivalries and rivalry termination **The Oxford Handbook of Peaceful Change in International Relations** T. V. Paul, Deborah Welch Larson, Harold A. Trinkunas, Anders Wivel, Ralf Emmers, 2021 Abstract With the rapid rise of China and the relative decline of the United States the topic of power transition conflicts is back in popular and scholarly attention The discipline of International Relations offers much on why violent power transition conflicts

occur yet very few substantive treatments exist on why and how peaceful changes happen in world politics This Handbook is the first comprehensive treatment of the subject of peaceful change in International Relations It contains some 41 chapters all written by scholars from different theoretical and conceptual backgrounds examining the multi faceted dimensions of this subject In the first part key conceptual and definitional clarifications are offered and in the second part papers address the historical origins of peaceful change as an International Relations subject matter during the Inter War Cold War and Post Cold War eras In the third part each of the IR theoretical traditions and paradigms in particular Realism liberalism constructivism and critical perspectives and their distinct views on peaceful change are analyzed In the fourth part papers tackle the key material ideational and social sources of change In the fifth part the papers explore selected great and middle powers and their foreign policy contributions to peaceful change realizing that many of these states have violent past or tend not to pursue peaceful policies consistently In part six the contributors evaluate the peaceful change that occurred in the world s key regions In the final part the editors address prospective research agenda and trajectories on this important subject matter

Keywords Peaceful Change War Security International Relations Theory Sources of Change Systemic Theory Realism Liberalism Constructivism Critical Theories

International Relations and Legal Cooperation in General Diplomacy and Consular Relations Sam Stuart, 2014-05-12 Encyclopedia of Public International Law 9 International Relations and Legal Cooperation in General Diplomacy and Consular Relations focuses on international relations and legal cooperation in general including diplomacy and consular relations The publication first offers information on the international aspects of administrative law the Asian African Legal Consultative Committee Atlantic Charter 1941 Bandung Conference 1955 and the international regulation on broadcasting The text also examines the international protection of children coded communications international conferences and congresses consular jurisdiction treaties and relations and international criminal law Discussions focus on bilateral consular agreements establishment of consular relations privileges and immunities legal situation historical evolution of legal rules and protection for children in special situations The manuscript ponders on wildlife protection international regulation on the use of water waste disposal unjust enrichment transfrontier pollution tourism terrorism and international regulation on telecommunications Topics include principles governing international telecommunication space telecommunications special legal problem on terrorism touristic relations between states historical evolution of transfrontier pollution international consequences of water use and global regional and bilateral treatises on wildlife protection The publication is a vital source of data for researchers interested in international relations and legal cooperation in general as well as diplomacy and consular relations

[Annual Report on the Development of International Relations in the Indian Ocean Region \(2014\)](#) Rong Wang, Cuiping Zhu, 2015-05-14 This book focuses on international relations in the Indian Ocean region and examines bilateral and multilateral relations in the Indo Pacific region Written by leading researchers in the fields of international studies and Indian Ocean studies the report provides a strategic

review major events and related data in this region It is divided into three major parts the General Report examines new characteristics in the relations between great powers the strategic landscape of South Asia and the Indian Ocean region and strategic competition and multilateral relations in the Indo Pacific region The second part explores current bilateral relations India Myanmar Sino Myanmar Sino India US Myanmar and Japan Myanmar while the third highlights issues such as Myanmar s democratization India and TPP Despite the turmoil in this region the report shows that it will predominantly be one characterized by peace development and cooperation in the years to come At the same time it is vital that a new type of great power relations be established to ensure peace and prosperity in the Indian Ocean region In closing the report puts forward a number of suggestions for improving relations between China and Indian Ocean countries

Regional Great Powers In International Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Regional Great Powers In International Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and

pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Regional Great Powers In International Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Regional Great Powers In International Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Regional Great Powers In International Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Regional Great Powers In International Politics is one of the best book in our library for free trial. We provide copy of Regional Great Powers In International Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Regional Great Powers In International Politics. Where to download Regional Great Powers In International Politics online for free? Are you looking for Regional Great Powers In International Politics PDF? This is definitely going to save you time and cash in something you should think about.
