Regional Organizations Of The Asia Pacific Exploring Institutional Change:

The Regional Organizations of the Asia Pacific M. Wesley, 2003-08-19 This collection examines change within the major regional organisations of the Asia Pacific The Asian Development Bank ADB the Association of Southeast Asian Nations ASEAN Asia Pacific Economic Cooperation APEC and the ASEAN Regional Forum ARF It has two simultaneous foci the nature of institutional change in regional organisations and the process of regionalism in the Asia Pacific It combines the views of both officials and practitioners providing new insights into both its major questions **Security Politics in the**

Asia-Pacific William T. Tow, 2009-10-15 Asia is experiencing major changes in its security relations This book brings together respected experts to assess both the theoretical and empirical dimensions of the Asian security debate Building on the latest research on Asia's regional security politics it focuses on the regional global nexus as a way to understand the dynamics of Asian security politics and its intersection with global security Contributors to the volume offer diverse but complementary perspectives on which issues and factors are most important in explaining how security politics in Asia can be interpreted at both the regional and global levels of analysis Issues addressed include power balancing and alliances governance and democracy maritime and energy security the relationship between economics and security human security terrorism nuclear non proliferation climate change and pandemics This work will serve as a standard reference on the evolution of key issues in Asian security **Regional Development Banks in the World Economy** Judith Clifton, Daniel

Díaz Fuentes, David Howarth, 2021-04-07 Regional development banks RDB have become increasingly important in the world economy but have also been relatively under researched to date This timely volume addresses this lack of attention by providing a comprehensive comparative and empirically informed analysis of their origins evolution and contemporary role in the world economy through to the second decade of the twenty first century In Regional Development Banks in the World Economy the editors provide an analytical framework that includes a revised categorisation of RDB by geographic operation and function Part one offers detailed analyses of the origins evolution and contemporary role of the major RDB including the Inter American Development Bank the African Development Bank the Asian Development Bank the European Investment Bank the Central American Bank the Andean Development Corporation the European Bank for Reconstruction and Development and the Asian Infrastructure Investment Bank Part two offers comparative analyses of key topics on RDB examining their initial design and their changing business models their shifting role in promoting policies supported by the United States as hegemon and the private sector The volume ends with a critical reflection on the role played by RDB to date and a strong defence of the need for these banks in an increasingly complex world economy **International Law** Jan Wouters, Cedric Ryngaert, Tom Ruys, Geert De Baere, 2018-12-13 This textbook offers for the first time a comprehensive analysis of the classic doctrines and main areas of international law from a European perspective meeting the needs of the many European law schools teaching public international law in English Special attention is devoted to the practice of the

European Union the Council of Europe and European States both civil law and common law countries with regard to international law In particular the book analyses the interplay between international law EU law and national law in the case law of the Court of Justice of the EU the European Court of Human Rights and national jurisdictions in Europe It provides the reader with insights into how the international legal practice of the EU and its Member States impacts the development of international law both in terms of doctrines such as treaty making and customary law the exercise of extraterritorial jurisdiction state responsibility and the settlement of disputes as well as particular sub fields of international law such as human rights law and international economic law In addition the book covers other important areas such as the use of force and collective security the law of armed conflict and global and regional international organisations It provides European perspectives on all these issues and will be of great value to students scholars and practitioners **Regional**

Organizations in International Society Kilian Spandler, 2018-09-20 This book explores the normative foundations of ASEAN and the EU It revives the history of the two organizations in an in depth narrative of the protracted arguments surrounding their establishment legal integration and enlargement While political actors used norms to legitimize their ideas for institutional change the complex and dynamic nature of these norms also provided the breeding ground for contestation and sometimes institutional sclerosis and failure Recasting these processes in an innovative English School framework the volume makes a crucial contribution to the literature of Comparative Regionalism that goes beyond Eurocentric perspectives

Domestic Political Change and Grand Strategy National Bureau of Asian Research (U.S.), 2007 Based upon work supported by the Department of Energy National Nuclear Security Administration under Award Number DE FG52 03SF22724 European Union and New Regionalism Mario Telò, 2016-04-22 Stemming from an international and multidisciplinary network of leading specialists this best selling text is fully updated with new chapter additions With the first edition prepared at the end of the last century and the second edition adding inter regional relations this new edition focuses on competing models of regional cooperation within a multipolar world and the role of European Union This new edition offers A comparative analysis of regional cooperation and of both US centred and EU centred interregionalism A fresh exploration of key issues of regionalism versus globalization and the potential for world economic and political governance through regional cooperation notably in hard times A vigorous response to conventional wisdom on the controversial EU international identity An appendix on regional and interregional organizations A key resource for postgraduate or undergraduate study and research of international relations European integration studies comparative politics and international political economy Taking into account both the expanded European Union and regional cooperation in every continent this multidisciplinary volume comprises contributions from established scholars in the field A Gamble P Padoa-Schioppa G Joff G Therborn Th Meyer R Higgott B Hettne F Ponjaert F Soederbaum Ch Deblock K Eliassen A Arnottir S Keukeleire I Petrova S Santander and M Tel editor **Asian Regionalism and Japan** Shintaro Hamanaka, 2009-12-16 Explores the

nature of regionalism by conducting a comprehensive analysis of over 30 regionalist proposals made by Japan and other Asian countries throughout the post war period The case studies go beyond an understanding of each regionalist project providing a deeper understanding of the behavior patterns of Japan and other countries

Counterterrorism Frank Shanty, 2012-08-17 This two volume set examines modern nation state legislative diplomatic military and non military attempts to combat terrorism within and outside state borders The articles which comprise this comprehensive reference work address counterterrorism efforts employed by the international community prior to and following the events of September 11 2001 Global terrorism in the 21st century threatens the foundations of secular democracies and directly challenges global security thereby raising new and critical issues that transcend national borders This two volume reference carefully examines threats such as Weapons of Mass Destruction WMD terrorism agro environmental terrorism and energy related terrorism and discusses technologies and strategies such as the use of biometrics data mining information systems psychological profiling and terrorists rehabilitation efforts to mitigate these threats Counterterrorism From the Cold War to the War on Terror provides an easy to read discussion of some of the principal issues involved in combating contemporary terrorism Information is presented in non technical language making it appealing to the general reader as well as a solid reference for undergraduate college students and researchers Following each article are references to other articles of interest and a comprehensive index facilitates access to specific subject material The second volume includes a compilation of significant national and international treaties laws conventions and protocols that have been implemented in an attempt to counter these ongoing threats to domestic and international security

Complexity, Security and Civil Society in East Asia Peter Hayes, Kiho Yi, 2015-06-22 Complexity Security and Civil Society in East Asia offers the latest understanding of complex global problems in the region including nuclear weapons urban insecurity energy and climate change Detailed case studies of China North and South Korea and Japan demonstrate the importance of civil society and civic diplomacy in reaching shared solutions to these problems in East Asia and beyond Each chapter describes regional civil society initiatives that tackle complex challenges to East Asia's security In doing so the book identifies key pressure points at which civil society can push for constructive changes especially ones that reduce the North Korean threat to its neighbors Unusually this book is both theoretical and practical Complexity Security and Civil Society in East Asia presents strategies that can be led by civil society and negotiated by its diplomats to realize peace security and sustainability worldwide It shows that networked civic diplomacy offers solutions to these urgent issues that official complex diplomacy cannot By providing a new theoretical framework based on empirical observation this volume is a must read for diplomats scholars students journalists activists and individual readers seeking insight into how to solve the crucial issues of our time

The 2nd ASEAN Reader Sharon Siddique, Sree Kumar, 2003-10-17 A sequel to the first ASEAN Reader Some of the classic readings from the original ASEAN reader have been incorporated into this new compilation but the majority of the readings cover events of the past decade

1993 2003 During this decade ASEAN as an organization was revamped and its membership increased from six to ten

China, East Asia and the European Union, 2016-11-21 In *China East Asia and the European Union* specialist authors from both Europe and Asia reflect on the dynamic relationship between the three actors from an International Relations perspective The book is a testimony to China's seemingly unstoppable rise both in the East Asian region and in the relationship with the EU and its member states The authors investigate why the economic links between the European Union and East Asia have become so firmly established while in comparison the political bond has remained underdeveloped They conclude that the crises the EU is currently facing seriously affect its manoeuvring space vis a vis China and its neighbours both economically and politically Contributors are Ding Chun Neil Duggan Enrico Fardella Frank Gaenssmantel Tjalling Halbertsma Daniel R Hammond Jan van der Harst Elisa H rhager Jing Jing Werner Pascha Sanne Kamerling David Kerr Silja Keva Christopher K Lamont Li Junyang Feng Liu Maaïke Okano Heijmans Nadya Stoyanova and Herman Voogsgeerd

Restless Continent Michael Wesley, 2016-05-17 An essential road map to modern Asia's dynamic transition on the world stage from the foreign policy expert and author of *There Goes the Neighbourhood* The world has never seen economic development as rapid or significant as Asia's during recent decades Home to three fifths of the global population this restless continent will soon produce more than half of the world's economic output and consume more energy than the rest of the world combined All but three of the planet's current and nascent nuclear powers are Asian and it has the greatest growth in weapons spending of any other region Yet surprisingly little has been written about the future of Asia *Restless Continent* is the first book to examine the economic social political and strategic trends across the world's largest continent providing the necessary framework for thinking about the future of Asia and the world A professor of international affairs at Australian National University Michael Wesley looks at the psychology of Asian countries becoming newly rich and powerful He explores the geography and politics of conflict and offers persuasive ideas about how to avert dispute or even war Written for general readers and policy specialists alike *Restless Continent* is an agenda shaping book about international affairs in the twenty first century

Bush and Asia Mark Beeson, 2006-09-27 *Bush and Asia* analyzes the changing nature of relations between the East Asian nations and the United States since the election of George W Bush in 2000 and the events of September 11 2001

International Organizations Michael Davies, Richard Woodward, 2014-04-25 This text provides a pioneering and comprehensive analysis of over one hundred international organizations After introducing the broad historical and contextual settings the book covers the full range of international organizations including those that The Opening Up of International Organizations Jonas Tallberg, Thomas Sommerer, Theresa Squatrito, Christer Jönsson, 2013-09-05 Once the exclusive preserve of member states international organizations have become increasingly open in recent decades Now virtually all international organizations at some level involve NGOs business actors and scientific experts in policy making This book offers the first systematic and comprehensive analysis of this development Combining statistical analysis and in

depth case studies it maps and explains the openness of international organizations across issue areas policy functions and world regions from 1950 to 2010 Addressing the question of where how and why international organizations offer transnational actors access to global policy making this book has implications for critical issues in world politics When do states share authority with private actors What drives the design of international organizations How do activists and businesses influence global politics Is civil society involvement a solution to democratic deficits in global governance

India, Vietnam and the Indo-Pacific Pankaj K Jha, Vo Xuan Vinh, 2020-05-04 This book delves into the examination of bilateral relations between India and Vietnam in the 21st century and how the Indo Pacific as a geo political construct lends itself to the improvement of their engagement With the rise and increasing assertiveness of China the slow growth of the United States the resurgence of Japan and the oscillating role of ASEAN as a multilateral organization the Indo Pacific has emerged as a theatre of international geostrategic competition This book studies these changing geopolitical realities and new evolving strategic configurations while addressing political economic defence and strategic aspects of the relationship along with the role of China and the US in facilitating ties India's Act East Policy that was upgraded from the Look East Policy one of the main drivers for India's increasing presence in the Asia Pacific region is also examined in this volume An important intervention in the study of international relations this book will be indispensable to students and researchers of maritime studies security studies politics and international relations geopolitics and Asian studies

The Rise of China Gary Schmitt, 2009-05-26 Although the United States is rightly preoccupied with the threat of Islamist terrorism and the two conflicts in Iraq and Afghanistan there is a wide consensus among American strategic thinkers that America's greatest challenge over the next decades will be the rise of China With its expanding economy and formidable military growth China is positioning itself to challenge the United States as the greatest international power on the world stage The Rise of China is a collection of essays about the nature of that threat and what the U S and its allies might do in the areas of foreign and defense affairs to meet it Contributing authors Michael R Auslin Dan Blumenthal Ellen Bork Nicholas Eberstadt Robert Kagan Gary J Schmitt and Ashley J Tellis contemplate how these two rising ambitious powers are contesting for leadership in East Asia and ask if the sanguine forecasts for a peaceful century will hold true Although the Chinese have been very careful to look like a cautious power and in key respects have been they see the international scene as fundamentally one of antagonism And this is unlikely to change until and unless the regime changes It is this China the authors of The Rise of China assert that we will be dealing with for some time to come

Routledge Handbook of International Organization Bob Reinalda, 2013-06-07 This Handbook brings together scholars whose essays discuss significant issues with regard to international organization as a process and international organizations as institutions Although the focus is on intergovernmental organizations IGOs non governmental organizations NGOs are discussed where relevant The handbook is divided into six parts Documentation Data Sets and Sources International Secretariats as Bureaucracies Actors within

International Bureaucracies Processes within International Bureaucracies Challenges to International Organizations and Expanding International Architectures The state of the art articles are meant to encourage current and future generations of scholars to enjoy working in and further exploiting the field and are also of great interest to practitioners of international organization and global governance *Global Economic Governance and the Development Practices of the Multilateral Development Banks* Susan Park, Jonathan R. Strand, 2015-08-27 As pillars of the post 1945 international economic system the Regional and Sub Regional Development Banks RSDBs have long been considered mini World Banks reiterating the policy approach of the largest official multilateral development lender in the world The main objective of the collection is to identify what role the RSDBs play in global economic governance and why This edited collection draws together cutting edge original research on these understudied institutions In the burgeoning sub field of global economic governance as well as the broader study of international organisations IOs too often the focus remains on the World Bank and the International Monetary Fund IMF Second order IOs such as the RSDBs receive much less attention despite their longevity and regional importance This volume corrects this oversight by bringing together methodologically diverse research on the RSDBs that interrogates the role and impact of these organisations in global economic governance The book investigates the African Development Bank AfDB the Asian Development Bank AsDB the Inter American Development Bank IDB and the European Bank for Reconstruction and Development EBRD and select sub regional development banks in comparison to the World Bank Group This work will be of great interest to students and scholars of IPE IR and Development Studies
