Regional Movements Sajal Basu,1992 Study with special reference to West Bengal India Language Politics and Public Sphere in North India Mithilesh Kumar Jha,2017-11-21 Moving beyond the existing scholarship on language politics in north India which mainly focuses on Hindi Urdu debates Language Politics and Public Sphere in North India examines the formation of Maithili movement in the context of expansion of Hindi as the national language It revisits the dynamic hierarchy through which a distinction is produced between major and minor languages The movement for recognition of Maithili as an independent language has grown assertive even when the authority of Hindi is resolutely reinforced The book also examines increasing politicization of the Maithili movement from Hindi Maithili ambiguities and antagonisms to territorial consciousness and subsequently to separate statehood demand along with the persistent popular indifference Mithilesh Jha examines such processes historically tracing the formation of Maithili movement from mid nineteenth century until its inclusion into the eighth schedule of the Indian constitution in 2003 The Mahatma Misunderstood Snehal Shingavi,2014-11-01 The Mahatma Misunderstood studies the relationship between the production of novels in late colonial India and nationalist agitation promoted by the Indian National Congress The volume examines the process by which novelists who were critically engaged with Gandhian nationalism and who saw both the potentials and the pitfalls of Gandhian political strategies came to be seen as the Mahatma s standard bearers rather than his loyal opposition **The Migration Conference 2020 Proceedings: Migration and Politics** Ibrahim Sirkeci,Merita Zulfiu Alili,2020-11-13 This is the second volume of the Proceedings of The Migration Conference 2020 The Migration Conference 2020 was held online due to COVID 19 Pandemic and yet in over 80 parallel sessions and plenaries key migration debates saw nearly 500 experts from around the world engaging This collection contains contributions mainly dealing with migration and integration debates These are only a subset of all presentations from authors who chose to submit full short papers for publication after the conference Most of the contributions are work in progress and unedited versions The next migration conference is going to be hosted by Ming Ai Institute in London UK Looking forward to continuing the debates on human mobility after the Pandemic [www migrationconference.net](http://www.migrationconference.net) [migrationevent fb me](https://www.facebook.com/migrationevent) [MigrationConference Email migrationscholar gmail com](mailto:MigrationConference@gmail.com)
